
\\--\\--\\-- Augio Log - [June 27th, 2022] [~] 06/27/2022

/ Introduction /

In this document, I will cover the entire 16 hour, 7 minute, 45 second audio recording that I uploaded to my [Google Drive] account on [06/28/2022] at [1:08 PM], prior to an [illegal arrest] that the [New York State Police] made that day at:

[201D Halfmoon Circle, Halfmoon NY 12065]

An [illegal arrest], is when the [police] act on [(1) side of a story]...
...and [they don't really give a shit about the other side of the story], even if there's [evidence].

This process is called [failure to corroborate].

[Not corroborating] a story is done in many cases, when it is [readily apparent] that a [perpetrator did something]... which requires [evidence].

However, in this particular case, the [police] have been [building] a [level] of [prejudice] toward [me], and [so have the people in the local government]. What that means is that sometimes they are told about the [other side of a story], like in the [body camera footage] that the [NYSP recorded that day], where I say something along the lines of:

[Me] : I have an [audio recording] of the [entire event].

[Bosco] : Well, where is it...?

[Me] : I uploaded it to my [Google Drive] account.

And then some [dipshit] with a [badge] ignores that, and decides to [arrest me] for the [marks] around my [mothers neck]. Which, to be clear, was because she was [assaulting me] and I was trying to [restrain her] for [my defense]. Basically, it's ok if my mother is assaulting me. I'm supposed to stand there and [take it].

Way back on [06/23/2022], (5) days before the event on [06/28/2022], I had a conversation with: [SCSO Samuel Speziale], and [SCSO Jared Gardner], and stated:

"I'd like to press charges on my mother for assaulting me."

Wanna know what they [didn't do]...?

They didn't [do] a [god damn thing].

Here's a link to THAT audio recording...

| 06/23/2022 | (Speziale/Gardner) | https://drive.google.com/file/d/1Q5JgJ_LLf4PYsil54_hHVo90kG7gViU6 |

They have been looking for any reason at all, to arrest me (when/where) they can, and...
...to [ignore all of my claims].

Some people may think I'm exaggerating.

Ok.

[Read this entire document], and [listen to the audio recordings].

I'm gonna go over the [transcription] and the [files].

That way there is no fucking confusion here, that the [Town of Halfmoon] has someone sitting in a [judges chamber], making [erroneous decisions].

The audio recording below, [counts as evidence in a court of law], IN MY DEFENSE.

It can be used in my [defense] because the [audio recording proves] that my [mother] knowingly made [false statements] to [New York State Trooper Sara DeRusso], in order to have me arrested.

The [court of law] where the audio recording SHOULD count as [evidence], is the [Town of Halfmoon]. But- the [court of law] in the [Town of Halfmoon], has a [track record] for [getting things wrong].

[Joe Fodera] sent me to (2) doctors that had an [ulterior motive], to [ignore the audio recording] and [mislabel me], and to [PREVENT ME FROM DEFENDING MYSELF IN A TRIAL].

This process is called [obstruction of justice] by the way.

0	MCCS	00:00:00	[June 27th, 2022]. [Michael Cook] speaking.
---	------	----------	---

I have a uh- [confession] to make regarding my [mother].
My mother's goin' fuckin' [senile].

And uh- I realize [I'm surrounded by people that don't really care about the truth].

I think the people that [do] care about the [truth]...?
Piloting this [drone] the other night.

1	MCCS	00:01:20	I'm gonna fuckin' walk up to- [Formal extension].
---	------	----------	--

2	MCCS	00:01:50	I don't know why the hell I'm recording this, because it's [pointless] to say what's on my mind. I know this fuckin' [robot drone] exists, because I fuckin'...
---	------	----------	---

3	MCCS	00:02:10	I fuckin' miss my [dad].
---	------	----------	--------------------------

4	MCCS	00:02:34	Ya know, some people ask me some uh- questions about fuckin' [Bruce Tanski], and uh- [John Hoffman], right...?
---	------	----------	---

Well, first off, [nobody's gonna ask me] a fuckin' [god damn thing].
So I have to [confront them].
Fuckin' ask [them] questions.

5	MCCS	00:03:19	Ya know, I think the [reason] why I have to like, [insult people] and fuckin' [call em out], is because, I'm smarter than their asses, and, I have to really [roast people].
---	------	----------	--

[To get their attention].

And then, [make fun of em].
So I- like, I think about it this dude, [Tim Krom].

Ya know, who fuckin' flat out said to me 00oo0o0hHhHh yeah,
[my dad got involved with the wrong people],
and that [he owed people money for drugs], and [that's why he got killed].

6	MCCS	00:03:45	But no, [that dude is a dumbass son of a bitch to say that]. He's a fuckin' [retard], actually.
---	------	----------	--

He's a [retard] just like my mother is.
My mother's not a [retard], but she's got [brain damage].

[I'm certain of it].

And so does uh- so do [a lot of other people from that age group].

I'm startin' to notice it.
So like...

7 TXT 00:04:15 =====

4/22/2022 | The Man Who Accidentally Killed The Most People In History | <https://youtu.be/IV3dnLzthDA>

That video explains why [so many people] that are of [a certain age or older], may have [brain damage].

Hint: It has to do with the fact that [gasoline] used to have [lead] in it.

[Lead] is [not good for people], because it causes [brain damage], and it also has an adverse effect on bone density. Also, once it's in your body, it just [permanently causes damage], [year] after [year].

They used to put it in [paint], [pencils], and [gasoline].

[Lead] is a [very bad thing] for your [health], and unfortunately, so are people with [brain damage], because it causes someone to have a rather [low intelligence level].

=====

8 MCCS 00:04:15 I think people just like to be [respected], but they don't realize that
 uh-
 A lot of people seem to think that [respect] is a [two-way street].
 Er, a [one-way street].

And uh...

I really don't wanna end up in uh- [jail] or [prison].
Nor have to like, fuckin' uh- have a-

...somebody's uh- [pain and suffering] on my [conscience] or me, ya know,
[getting hurt or killed].

9 MCCS 00:04:52 I think that's the thing, heh.
 I think [Fred] just uh- [earned my respect], because...

I know what he's thinkin', he's thinkin' a lot like so many other people.
[People don't actually give a shit about how intelligent someone is].

They don't care if I can actually uh- ya know, [make (175) dollars an hour].
They don't care if my mother's gonna inter- interrupt me right in the middle of a
sentence where I say "Oh yeah, [I can make (175) dollars an hour], if not more."

10 MCCS 00:05:31 The reason I'm not doing that is because my [reputation] has been [damaged] to the point
 where someone has made it [next to impossible] for me to [succeed] at [anything], and
 they've done such a convincingly well job, that I am [stuck in this position] because a
 [billionaire] put me in this.

That billionaire, is [Mark Zuckerberg].
And probably, [John Pickett].

What that is, is a video of [Facebook], [selectively] blocking [certain posts] that I make,
as well as using some tools that [remotely connect to my device].

Note: Notice the [same date] as the [audio recording] of [Samuel Speziale] and [Jared Gardner].

Maybe it's not [Mark Zuckerberg] himself, that's doing this.
Maybe it's a [hacker group] that could be [very easily paid], by [someone] that has a
[fat stack of cash to throw around].

These things will sound [ridiculous] to people who are [really stupid].
Such as [Dr. Glosman], [Dr. Gurbek], [Dr. Loeber], [Dr. Schnakenberg], my mother, [Bill Moak]...

It'll [sound] really ridiculous to these people, because they are not [digital security] experts.

There's just doctors who get [paid] to [selectively forfeit cases]
where there is [substantial evidence involved].

=====

12 MCCS 00:06:06 All these people, they're gettin' mad at me, but-
 Ya know, I know for a fuckin' fact that [Bruce Tanski]'s doin' uh-
 committing [bank fraud].

=====

14 MCCS 00:06:15 And then, ya know, people are like:
 [People]: Oh well, if he's gonna fuckin' commit [bank fraud], then what
 can ya do, or whatever...?

I'm like tryin' to [tell them what I can do].

And they're like:
[People]: Nah, you can't do [anything], dude.

Because, you're a fuckin' [degenerate], [low life], [piece of shit], and ya know,
your own god damn mother's too fuckin' stupid to agree with anything that you say.

And that, you have to [respect your mother], [no matter how many times she
insults you], and [makes you feel totally useless].

By the way, [your father]...?
He like, [scored perfectly on his ASVABS], and your [father]
was a [genius]. And your [father] told a [bunch of people],
that he was [worried] about [being killed].

And everybody fuckin' [laughed] at this [genius], because...

15 MCCS 00:07:00 [That is how fucked up this world is].

Is that- [someone] that [knows] what the [hell] they're [talking about],
that [they] can fuckin' [prove] that they [know] what they're [talking about].

But-
[People don't care].
[People don't give a flying fuck].

Nope, they want you to [shut the fuck up], and [do what you're told].
And [be obedient], because [that's what everybody else does].

Sure, so like, what I [need] to do is, uh-

[Do] the [same thing] that I've [done] like [dozens of times before],
where I [start] a [new job], and then I just fuckin' [haul ass], and I
start fuckin' [working harder than everybody], and then I [notice] that
like, [someone else] is gettin' [paid a lot more money] than I am...

But- [I'm doing more work].

| 04/12/2023 | Virtualization Lab - RHEL Deployment | https://youtu.be/AucVPa_EpQc |

That's what [these people] don't seem to [understand]...
...is that they think I'm [bullshitting] them...

16 MCCS 00:07:58 And that's- I think that's the part where they're fuckin' [brain dead],

or [something].

It's like, I can go work with this dude, like I did back in fuckin' whatever. [I'm not afraid to work].

People seem to think that's what it is.
No.

And I have lost my fuckin' cool because, [people really are fuckin' stupid], man.

17 MCCS 00:08:40 Yeah, I'm not goin' over there.
 Yeah, I have a-

I really should, just- [jump into traffic].
[Cause no one gives a shit].

And everyone is uh- I feel like uh-
Everyone thinks I'm insane, but [I'm just a hell of a lot smarter than they are].

And [that is consistently the case].

I can fuckin' walk around, for fuckin' hours [recording my train of thought], tell em that [(4) corners of a rhomubus], as long as they're [all (90) degrees], then that [also] equals a [square].

18 MCCS 00:09:31 Yeah, a [rhombus] and a [square] are [only-] are the [same thing] in that [(1) single condition].

And then- people don't realize [I walk around with that exact sense of logic], where, it is fuckin' [on point]. It's [so on point] that just- people [think] that I'm [insane].

They don't realize, [I'm not insane at all].

[It's so fuckin' stupid], it really is.

19 MCCS 00:09:59 Everybody on this fuckin' planet, probably doesn't realize that an [extinction level event] is basically [unavoidable].

The reason why it's [unavoidable], is because- [nobody gives a shit].
Well, [some people give a shit], but- [not enough].

[I've talked in circles] trying to figure this out,
and [find a way out of this predicament], but- I really don't think that...

[I really don't think that there's anything I can do].

20 MCCS 00:10:37 There's plenty I can do, to like uh- fuckin' go uh- do some [bitch work], and then uh- ya know, at some point, I'll have to fuckin' express the fact that- well, I happen to be the [most efficient person that works here], why don't I get [paid the most]...?

And then someone'll be like:
[Someone]: Well, you fuckin', fucked up with this thing here...
 Da da da da da...

Yeah, no- what happened at uh- [Computer Answers], was that uh-

I was so fucking god damn [skilled at the job] that I [outperformed people], like on the [first] or [second time] that I went to [go do jobs].

21 MCCS 00:11:08 And then, like, the [owner] got fuckin' [jealous].
 And uh- my mom says:
 [Mom]: Hey, you need to fuckin' [follow orders] and [do what you're told], that's it.

It's like, wow.
[You're a fuckin' idiot].
Yeah.

I'm not gonna fuckin' say "Hey ma, you're fuckin' correct about that, maybe what I need to do, is be an obedient little bitch like everybody else. And then fuckin' bust my ass for minimum wage, just like a bunch of other people..."

When I've already gone to fuckin' [school], and spent money out the ass for my [education], yeah, I have the [capability] of making [thousands of dollars an hour]...

[She doesn't give a shit].
[She finds that hard to believe]. (*because she's stupid*)

22 MCCS 00:11:51 The reason why she finds that hard to believe, is because my mother is
 an evil...
 fucking...
 cunt.

And she always will be, and I probably will be, very, very sad when I want to talk to her,
after she passes away, but I can't. But- I've already gotten myself to the point where...

[It is futile to have any conversation with her, at all].
Because [she doesn't give a shit about what's accurate, and what isn't].

23 MCCS 00:12:19 So now, uh- I'm just this fuckin' supposedly, people think I'm this unhinged lunatic, right...?

No, [all the things I say make plenty of sense], to someone who actually [pays attention],
and is [intelligent], and ya know [cares about facts]...?

[Facts don't care about your feelings].
But- the fuckin' generation that my mother is from...
...[they certainly think] that [feelings matter more than facts].

I swear, that is [exactly] what it is.
[They don't care], if they have [brain damage] or not.

They will say- they don't have [brain damage].

How are you suppos- how are you able to know, if you have [brain damage]...?

24 MCCS 00:13:07 ...if you immediately say there's [no way] that you've got it...?
 [That's a serious problem right there].

You have to be [open] to the [idea] that [something is possible].
Something sounds... [hard to believe], you can say [that].

But you [can't] say something's [impossible] when it's just [hard to believe].
Cause they're [(2) totally different terms].

[They're not the same thing].
And I'm stuck in this fuckin' position because I'm [surrounded by people]
that don't give a shit.

25 MCCS 00:13:47 Yeah, they- they're gonna fuckin' say that I'm like, ya know, up my own
 ass.

I don't know how to fuckin' uh- best apply my fuckin' talents and uh-
focus, but- What I can say, is that it's fuckin' [pointless] to try and
fuckin' [argue with people].

I just have to tell em "*Listen, [you're wrong], and [shut the fuck up].*"
And then, [they'll try to get in a fight with me], and then-

Like, look dude, [facts don't care about your feelings]...
And then they'll try to tell me:
[Them]: Dude, I'll fuckin'- I'll give you some [feelings] to fuckin' [fact up].

Uh- [they don't care].
What [they] think, is that [their feelings matter more than the facts].

26 MCCS 00:14:38 [That's why this fuckin' planet is fucked].

And [nobody] gives a flying fuck.

There are [plenty of people that do], but- I'm fighting a [futile].
[Fucking].
[Battle]. Over, and over.

[Just, runnin' right into a fuckin' brick wall].

Ya know, I could tell my mother that the [judge ordered me] to
[see (2) doctors] that [don't even work at the fuckin' place he ordered me to go to].

And when I [tell him] that...?
He's gonna [disconnect me] from the fuckin' [phone call],
and then [sentence me to (20) fuckin' days in jail].

27 TXT 00:15:15 =====

| 4/06/21 | Family Court Appearance | <https://drive.google.com/file/d/1J0CzI1nW5xwmWbwUVwOEMbhLUiZYEr4p> |

What this is, is a [recording] that I made of the [family court virtual appearance] where
[Honorable Justice Paul Pelagalli] had [ordered me] to [see (2) doctors]:
[+] [Dr. Berger]
[+] [Dr. Grodin]

At:
Saratoga County Mental Health
135 South Broadway
Saratoga Springs, NY 12866

But, check it out.

[I was a patient of that clinic already], which I fucking mentioned in the appearance
back in [December 2020] at or about the time that [Solorigate/2020 Federal Data Breach]
occurred, and wouldn't you know, [everyone in that virtual appearance ignored that statement I made].

Further to that point, I spoke with [Sarah Friar] and [Dr. Reilly] about the [evaluation]
that this [dipshit] ordered me to go get, and [Sarah Friar] told me:

[Sarah] : Yeah, neither [Dr. Grodin] or [Dr. Berger] even work here.
[Me] : ...then why did the judge order me to do that...?
[Sarah] : *shakes head* I dunno.
But, they don't work here.
[They have their own offices outside of the clinic].
[Me] : Weird.
[Sarah] : Yeah.
It is rather strange that a judge at the [Saratoga County Family Court] would
order you to see (2) specifically named doctors at a place where they do not
even work...
[Me] : It is, it is.
However, I am probably the only person on earth that notices the hundreds of
coincidental things, or even "mistakes" that important people constantly make.
[Sarah] : Yeah...?
[Me] : Yeah.
Some people are fuckin' morons.
[Sarah] : *sigh* Now, Michael...
Can't go around calling people morons...
That's really [mean].
And rude of you to do.
[Me] : No, I know, but...
Ehh... whaddya gonna do?
Some people are fuckin' careless morons.

And then, that is when I tracked down those (2) doctors down at each of their offices,
right...? And then, I had a [verbal discussion] with [each] of them where I explained
that I had a fuckin' [court order] that [specifically named the both of them], and then
I even [emailed] a [copy] of the [order] to [each of them], and then they [both] got
back to me, and said:

[Doctor] : Yeah, the [judge] is gonna have to [write a new order].
[Me] : Really...?
[Doctor] : Yeah dude.
Like, I don't even work at [Saratoga County Mental Health],
and haven't for god knows how long.
An [actual judge] ordered you to do this...?
[Me] : Yeah.
[Doctor] : I mean, I don't even know why I'm asking the question, I'm literally lookin'
right at the order that you emailed me and the other doctor.
[Me] : Yeah.
[Doctor] : Seems strange.
[Me] : Yeah.
[Doctor] : Well, get in contact with your attorney and let them know that the order
needs to be rewritten.
[Me] : Ok, thank you.

And then, [that is exactly what I did]. I contacted [Sarah Schellinger], who like, [never called me back], nor [emailed me back]... and then [boom].

[I recorded that audio recording above].
I have a [knack] for this.

[Some people] are [pretty stupid] and they [don't pay attention] to [words] when they [come out of my mouth], or if I [type them].

In some cases, I'll make a [video] of the words I typed AND said, in order to promote the notion that [I know very fucking clearly] that [certain specifically stated names/people] ARE [1) seeing] and [2) hearing] the [words] I'm [saying], and that they are [pretending] as if they're [blind] and [mute], because...

They think that their [importance level masquerades their stupidity].
But- [it doesn't].

That's what some people like [Judge Paul Pelagalli], and [Sarah Schellinger] do.

OR, let's say that people DO pay attention to words when they come out of my mouth, but- the WAY that I said those words felt:

[+] [insulting]
[+] [degrading]
[+] [hostile]
[+] or otherwise [offensive]

Well, [that's the criteria that I manage to hit on the head every time].

Mainly because [some people are fuckin' stupid], and [they ignore me] when I [say words] in an [agreeable way], and then when I notice that they're intentionally ignoring me, I then [become] rather [aggravated] by being [ignored].

That's when I [switch] to the [tactic] where I [start] to [disparage people] that are in a [position] where they're [supposed to care] about [looking like a fuckin' moron], but-

I've found out the hard way that it doesn't really matter.

[I'm using reverse psychology here].

There [are] things you can [do] to [change] these [facts].
It's called [recording evidence] and then [saving it for a later date].

Because, [at some point in the future], there is a [chance]...
...that [someone] who is [a lot more intelligent than most other people] will come along...
...[realize] how much [sense] I've made [all along the way]...
...and then they will do [everything] in [their power] to [uproot] the [numerous mistakes] and [problems] I've [documented] and [indicated].

Until that point, however...? There's literally [nothing] that [anybody], (except me, and the [evidence] I [continue] to [accumulate]) can even do.

=====

28 MCCS 00:15:15 So- ya know, uh- this dipshit at the fuckin' court, [Dennis Bruce].
 He can suck a fuckin' dick for all I care, and uh- heh.

 These people can [indiscriminately] just [throw me back in jail] for [any fuckin' reason] they want to, they don't HAVE to [follow the law]. They can [break the law] as often as they fuckin' feel like it, because [they don't give a shit].

 That's what I think about the [whole entire system] here, in uh- [America].
 [(some) People are fuckin' stupid].

 And when I try to tell them, [how things really are], they will [argue] with me, to the point where, [it is pointless].

 So, that's why I started [writing this fuckin' book] because, I know god damn full well, more than a lot of other people, and, they will try to [argue with me], just like my fuckin' [mother] does.

29 MCCS 00:16:10 So I've realized that the ol', the entire point, of me existing, was to be born, and then... try to be- be correct all the time...?

30 MCCS 00:17:12 And then people give me useles suggestions, whether it's the
[Saratoga County Sheriffs Office], ya know, people from [Saratoga County]...?

They actually don't give a shit.
They just do whatever the hell they want to.
They don't have to be fuckin' [accurate].

Even if you [catch them in a recording], and you [put it online], well somebody's
gonna fuckin' [censor] that fuckin' [information] from being [heard] by [other people].

And that's literally what fuckin' happens to me, and then people just think that I'm
being fuckin' silly, or ridiculous... but- I'm not being fucking ridiculous at all.

I could s- I literally have a video that could bankrupt [Mark Zuckerberg] right fuckin'
now, but nobody's gonna click on it, nor care about it.

31 MCCS 00:18:00 I'm trying to use [reverse psychology] because I'm sure that some people DO care about
what was- what's in the [video], but- most people aren't gonna be [intelligent (enough)]
to [see what it is], or [know what it is].

32 MCCS 00:18:49 Prolly never gonna fuckin' see that thing again...

33 MCCS 00:19:22 I'm basically [lost].
I may as well already fuckin' [be dead].
That's how it [feels].

And uh- these [cocksuckers] are [aware] of that.

[Nobody actually cares about the truth].

Try to tell em, someone like [Mark Zuckerberg]'s gonna prevent them
from knowing.

34 MCCS 00:20:08 Eh, [nobody gives a shit], dude.

My life was a fuckin' [lost cause].
I don't know why I fuckin' tried to [believe in the truth].

35 MCCS 00:21:00 How's it goin'...? (saw some guy on his porch across the street from [211D])

36 MCCS 00:23:51 What the fuck...? (front door to my house was [locked])

37 MCCS 00:24:26 What the fuck, dude...? (back door [locked], too)

38 MCCS 00:24:42 You guys locked the door...?

39 MSS 00:24:44 No...

40 FSKC 00:24:44 No...

41 MCCS 00:24:45 [Front door's locked].

42 FSKC 00:24:47 What...?
No it isn't... (← yeh it was, but that's my mother for ya. No evidence, argues.)

43 MSS 00:24:48 I just- I just came out the front door.

44 MCCS 00:24:50 I just check it, it is [locked].

45 FSKC 00:24:52 Oh, then somebody must've... (← says something that allows her to [still] be [correct]...)

46 MSS 00:24:54 I just came out the front door, dude.

47 SV 00:24:56 You- you locked it...? (← guy who almost stabbed me 30m beforehand. [Silfredo Vasquez])

48 FSKC 00:24:58 Yeah. No~!
 49 FSKC 00:24:58 No.
 50 SV 00:24:58 [You were the last one out]...
 51 MCCS 00:24:59 It's locked.
 52 K42C 00:25:01 You were the last one out, [Mike].
 53 FSKC 00:25:01 Well, watch.
 Just push it, because the thing- the knob on the bottom still doesn't work right.
 (OR... you're wrong, it's locked, and you [should] shut the hell up...)
 54 SV 00:25:06 You're fired...
 55 MCCS 00:25:09 Do you have the [keys]...?
 56 FSKC 00:25:11 No I don't, that's why I said, it's not locked.
 57 MCCS 00:25:13 I just checked it, it IS locked.
 58 FSKC 00:25:15 Alright... (← finally admits "Alright, maybe I'm wrong after all...")
 59 MCCS 00:25:20 My whole entire life, [you do that].
 60 MSS 00:25:30 It's the stupid bottom handle.
 61 MCCS 00:25:31 Ok.
 You know that she does that, right...?

 62 MSS 00:25:35 You're mother...?
 63 MCCS 00:25:36 Like I tell her [facts] and she [argues] with me...?
 64 MSS 00:25:38 Its- it's unlocked. (nah, it wasn't)
 65 MCCS 00:25:40 Nah I understand that, but you know that she does that, right...?
 [Mike]...
 She's done that to me my fuckin' whole life.

 She did that to me when I was a [little kid].
 She [still] does it to me.

 66 MSS 00:25:56 *Unlocking the door that he and my mother claimed was unlocked*
 67 MCCS 00:25:58 She treats me like I'm (10) years old, dude.
 68 MSS 00:26:00 Alright the door's unlocked, you can go in.
 69 MCCS 00:26:03 Alright, thanks for carin', dad.
 Nobody gives a shit.

 Fuckin' world's full of-

 Description : Having a conversation with my mother about [dad] and [Sammy Cassaro].

What she doesn't understand, is that I think that [other people] had my [father] murdered,
 as well as [Sammy Cassaro], and that those [same people tried to have me murdered on 05/26/2020]
 outside of [Computer Answers].

If she DOES understand it, then her [body language] indicates that she has [something to hide].

71 MCCS 14:27:33 Can you open the door for a sec?
 Can you open the door for a second...?
 72 FSKC 14:27:44 *Opens door*
 73 MCCS 14:27:47 Two things I'm gonna say to you right now.

The [reason] why the [(3) guys] [never] [named the trigger man]...?

Because [they were keepin their mouths shut] because [a larger crime was involved].

The [larger crime] involved means that all (3) of them get to go...

74 ENV 14:28:01 *(2) taps heard on my computer*
75 MCCS 14:28:01 ...to a [new] trial...
76 ENV 14:28:02 *(2) taps heard on my computer*
77 MCCS 14:28:03 ...where they face the [same] fuckin' [charges] they [already faced]...
78 ENV 14:28:06 *(2) taps heard on my computer*
79 MCCS 14:28:06 ...and the [time served doesn't matter]... [in addition] to [**other people**].
Cause, guess what...?

That means that it's a more [heinous crime], than it [sounds] like.

And the [clues] are [right in front of everybody's face].

My father said this, [before] he was killed...

[Dad]: If those niggers come after me-
I'm gonna put my foot to the floor and take those niggers with
me to hell.

That means, it was [premeditated].

80 FSKC 14:28:29 He didn't say 'niggers' he said [anybody] tried to rob him. (← Fabienne Cook arguing 101)
81 MCCS 14:28:33 He said 'niggers'...*overlap* I heard him, mom.
82 MCCS 14:28:37 That- that's another thing, you've done this to me my [whole life],
like, when I [remember certain things] like that, you say:
[You]: Nah, that's wrong.

You DO that.

I remember what my dad, said.

83 FSKC 14:28:48 And then he said that around [you]...?
84 MCCS 14:28:50 He probably did, and I- I'm just sayin, I remember him [sayin'] that.
85 MCCS 14:28:54 But- y'know, I'm sure my son and my daughter bein'-
86 FSKC 14:28:58 He was stickin' up for... black fuckin' people, there.

87 MCCS 14:29:01 I [know] he was, but they were also [lookin'] for him because, [**somebody**]
was [**listening to my dad**], [**and the dispatcher**] on the [**radio**].

88 MCCS 14:29:09 Wanna know how I [know] that...? (← Ding ding ding, pretty fuckin' important clue, Joe Fodera)

89 MCCS 14:29:12 Because the [same dispatcher] was involved in [Sammy]'s death, and my [father]'s death.
90 FSKC 14:29:16 Cause they [both] worked for the [same company].
91 MCCS 14:29:19 Right, but- that's a [clue]. *pause* *interrupted*

| clue: NOUN a [piece of (evidence/information)] used in the [detection] of a [crime] or [solving a mystery] |

92 FSKC 14:29:22 It wasn't just [them], there was a couple [other] cab drivers [too] that got killed.

93 MCCS 14:29:26 You have to [understand the possibility], that there are [multiple reasons] and
[explanations] for things. (← And she clearly fucking [doesn't]. Neither do many others)

94 MCCS 14:29:32 So, the [same dispatcher], and the [same cab company] being involved...

95 ENV 14:29:38 *(2) taps heard on my computer, followed by a [toast notification]*
96 MCCS 14:29:38 ...doesn't [necessarily mean] that there's a [larger crime] involved...?
97 MCCS 14:29:39 But what it [does] mean, is that...
98 MCCS 14:29:42 There's a [possibility] that the [(2) crimes were related] for a [higher reason]
that [you're not considering].

99 MCCS 14:29:49 That's what I'm trying to tell you.
Because if it was a [different] cab company-

100 FSKC 14:29:52 I get it.

(From this point forward, [consider] that my mother just [admitted] that she had my father murdered...)

101 MCCS 14:29:53 ...it was a [different]...
[Ok], you don't- you GET it, but you're [crossing your arms] and like,
[getting **defensive** about it].

102 MCCS 14:30:00 I'm trying to [tell] you that I have actually [done] this, like a fuckin'

[investigator] from the [police].

103 FSKC 14:30:05 Yeah, but you're not gettin' [paid] for it.

104 MCCS 14:30:06 Doesn't [matter]-
That means-

That [doesn't] mean-

105 FSKC 14:30:08 Put your energy towards something that's gonna [result] in something...

(Social pressure, attempting to get me to [do something else], something that's gonna "result" in something...)

106 MCCS 14:30:10 No, I [am] putting my [energy toward something] that's [gonna result in something].

107 MCCS 14:30:14 [You're undermining me].
(dead giveaway that she may have an [ulterior motive])

You think, you don't realize, I have the [guy]-

108 FSKC 14:30:19 I've had enough, [Mike].

109 MCCS 14:30:20 The guy who [runs] [Saratoga County Sheriffs Office]
TRIED, TO HAVE, ME, MURDERED, ON MAY 26th, 2020.

(And if he didn't...? Then maybe he and I ought to have a [conversation] about [SCSO-2020-028501])
<https://github.com/mcc85s/FightingEntropy/tree/main/Records/SCSO-2020-028501>

110 FSKC 14:30:27 Then get a god damn lawyer that believes you.

111 MCCS 14:30:32 I have to like, [convince] people, like- my [mother].

112 MCCS 14:30:34 *pause*

113 MCCS 14:30:37 Because I can't [buy] a lawyer.

Wanna know why I can't [buy] a lawyer...?

114 MCCS 14:30:41 Because I'm on a [national security watchlist], so I can't get a fuckin' job.

(I'm not certain of this, I don't think people are [allowed to know]. But then again, I have a [collection] of [videos] that constitute as pieces of [supporting evidence], and I've seen time and time again, [court officials] and [police officials] refusing to [take action] nor [ask me questions] about any of that [evidence].)

115 MCCS 14:30:44 Cause (1) asshole worked with the fuckin' police officer who [runs] Saratoga County, and [they], they didn't answer my (911) calls.

You don't get it, there is, [(7) FELONIES OCCURRED TO ME], that night.

And then I got [arrested] for [cutting a kayak strap].

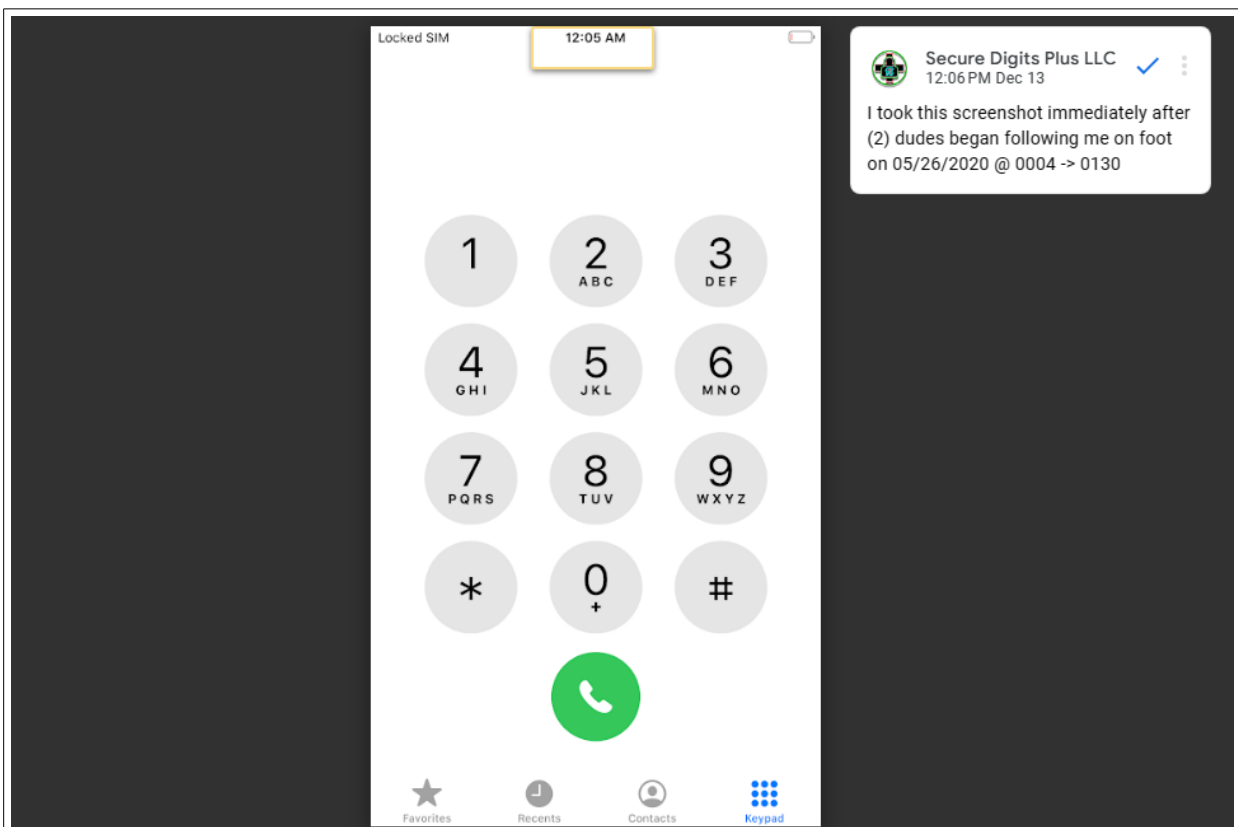

[Not for calling 911] because (2) kids were trying to [kill] me, and...
you SEEM to think I'm makin' that up.

(Here are [pictures] that I took about an [hour and a half] before I cut [Zachary Karel]'s fucking kayak strap...)

IMG_0646 | 05/25/20 2343 | <https://drive.google.com/file/d/1Lb8RLYUsJnnKnTOHbunlyBmidIXycjVD>

Picture I took by mistake before I started recording the video of the (2) dudes that I believe were involved in the [armed robbery] of [Meghan Alexander] in [Hillside Trailer Park] in (2011-2012).

IMG_0648 | 05/26/20 0005 | <https://drive.google.com/file/d/18x1lhtJW6XZhxJOZXWtesywn-Ph37KK9>

Screenshot of my phone display after my [first attempt] to contact (911).

First of (3) pictures I took AFTER I recorded a VIDEO of these guys walking around with [backpacks], [backwards hats], [glasses], [white skin], approximately (25-30) years old... I think they're [drug dealers], I think they're associated with my cousin [Ryan "Bookie" Ward] and they're [brothers].

They're associated with [Christina Czaikowski] who used to work at [Peddlers]... they attempted to run me over with their vehicle near [Center for Security] around [05/25/20 11:30PM] in this audio recording...

Computer Answers | 05/25/20 2300 | https://drive.google.com/file/d/1dmTkiCzgyGwG9q5B09hIn_SSeFWPcrIs

Then they chased me on foot from [Computer Answers]/[Catricala Funeral Home] all the way to where they had a vehicle parked in the [Lowes Home Improvement] parking lot right where [Tatiana Cleveland] and [Samantha Caine] used to park their cars when they worked at [Lowes] many years ago...

Then when they got into their car after chasing me for about (20) minutes, they tried to fake me out and then they attempted to run me over with their vehicle AGAIN between [Auto Zone] and [Advance Auto Parts] near [Key Bank] and [Burger King]... they turned right onto [US-9] headed toward [Zackary Karel]'s house and [Farm to Market Road]...

I stated these things to [SCSO Scott Schelling] who I handed my phone to look at the pictures and the video, but my phone was dead, and that's when he attempted to arrest me instead of looking at the evidence of my (911) calls... Yeah. Some people in [Saratoga County] and [Clifton Park/Halfmoon] are pretty ignorant.

These guys were watching me and spying on me for a while using my equipment, having access to some sort of program like [PHANTOM], which allows some remote party somewhere to see what the hell somebody is doing on their smartphone, except... [I didn't have service enabled on the device on purpose for a while].

IMG_0650 | 05/26/20 0011 | <https://drive.google.com/file/d/1vu2bhSSCv2HO-HCeCCh5-iqcYpiiC2l>

Second of (3) pictures that I took of (2) queer bastards that tried to run me over with their vehicle multiple times, before the caller in [SCSO-2020-028501] called (911). They are former customers of [Computer Answers], they sold a white and a blue android smartphone to the computer shop when I managed it, at some point in (2017) or (2018) when [Vickies Smoke Shop] was no longer there.

IMG_0651 | 05/26/20 0011 | <https://drive.google.com/file/d/1imYzaTA--eVDMesM-dHfYBfC2tiAHsLV>

Third of (3) pictures that I took of (2) queer bastards, if I had known that I wouldn't be able to get the fucking 20+ minute video off of my device BEFOREHAND, I would've taken [better pictures] than these (3)...

However, that is why I continue to profess the DANGERS of smartphones being manipulated by [men in the middle], because the [men in the middle] happen to be [court officials], [police officers], or something in that [arrangement] or [mixture], especially if [Melinda Wormuth] was conspiring to defraud (banks/people) with

[Bruce Tanski]... what it tells me is that I have to [continue not trusting the people in the local government] especially if they're gonna have [Dr. Glosman], [Dr. Gurbek], and [Dr. Loeber] ignore all the shit that I've [recorded] and [uploaded], same goes with the [court] and stuff...?

Ya know...?

Instead of saying that I'm "*incompetent to stand trial*", maybe the [court official] that's directing me to see [(2) doctors] is the one that's incompetent, and the doctors are also incompetent...

Maybe that is the case.

The [evidence] seems to [contradict] what the fucking [doctors] are saying.

Notice how they all say [05/26/20], except the first one...?
Well, that information is embedded in the fucking [HEIC files].

So are the [GPS coordinates]. Wanna know how hard the [police] and [people] work to [avoid admitting] the [existence] of these fucking pictures...? Well, there [was] a video that featured these (2) dudes in it that I showed the BEGINNING of, to 1) my [son], 2) my [daughter] and 3) [NYSP Seamus Leavey] on [05/27/20].)

116 FSKC 14:31:06 NO.
YOU'RE NOT.
AND I'M SICK AND TIRED OF HEARIN' IT~!

117 MCCS 14:31:10 Well, hold on.
Hold on.
Hold on.

118 FSKC 14:31:11 I'm not goin' THROUGH this crap.
119 FSKC 14:31:12 *Shuts the door*

Description : The [argument] that I had with my [mother], regarding the [numerous details] about the [Saratoga County Sheriffs Office] mishandling a number of incidents that involve [me].

Note: this section of the audio recording is the part that justice [Halfmoon Justice Joe Fodera] and [Dr. Glosman], and [Dr. Gurbek] should be [extremely concerned with].

They declared me ["incompetent to stand trial"], because they are working overtime to [deny] my [constitutional rights], and also to [prevent me] from [submitting] this [evidence] to the [courtroom].

[That is what they have been doing] in [every single court interaction]:

[+] [07/20/2022 18:00:00]
[+] [08/17/2022 18:00:00]
[+] [09/21/2022 18:00:00]
[+] [09/28/2022 18:00:00]
[+] [10/05/2022 18:00:00]
[+] [10/12/2022 17:30:00]
[+] [10/19/2022 18:00:00]
[+] [11/09/2022 17:30:00]
[+] [11/16/2022 18:00:00]
[+] [12/21/2022 18:00:00]

[+] [03/01/2023 17:30:00]
[+] [04/05/2023 17:15:00]

And what they intend to do on [04/19/2023 17:15:00], is to [provide a court order] for me to be [evaluated] for an [observation period] of (72) hours, in order to [downplay] the [severity] of the [evidence] that is [below].

This process that [Joe Fodera, Michael Depresso, Dr. Gurbek and Dr. Glosman] are committing in [collaboration], is called:

["Obstruction of justice"]

Primarily [sedition], and [subversion] of my [constitutional rights].
These are the links to where people can read about what I've been experiencing.

[Obstruction of Justice]:
https://en.wikipedia.org/wiki/Obstruction_of_justice

[Sedition]:
<https://en.wikipedia.org/wiki/Sedition>

[Subversion]:
<https://en.wikipedia.org/wiki/Subversion>

Allow me to repeat myself, [Honorable Justice Joe Fodera], is committing:
[Obstruction of Justice], [Sedition], and [Subversion] of my [constitutional rights], and THAT is the reason why he ordered me to go see (2) doctors at the [Saratoga County Mental Health] who I firmly believe, were [instructed] to [mislabel me].

[That is a criminal act].
And, [I can prove it with the court transcriptions].

In this section, I [indicate] to my [mother] the [exploits] that are [able to be seen] in these [videos].

02/17/22 A Matter of National Security https://youtu.be/e4VnZ0biez8
08/21/22 Scribbles https://youtu.be/q0twJUze9U

The reason why I recorded it on my [smartphone] in the [second video], is because I know that people will say something like:

'*You photoshopped those pictures.*'
...if I were to [take screenshots].

I have literally thousands of these [screenshots].
The [video removes all aspects] of the [notion] that I am [using photoshop].

That's why it's [important] to [show other people] that it [exists], and I can [scroll around], and the [exploit remains on the screen].

That's the [magic] of [not being a dumb motherfucker], like my mother is.

150 MCCS 16:00:36 I'm about to show you that the [Saratoga County],
fuckin' cobbled together [illegal charges].

151 TXT 16:00:47 =====

That is primarily because [a lot of people] in [Saratoga County] are [highly skilled],
at [doing stupid illegal shit] that is [really obvious] and [blatant].

They are [experts] at [doing this], over and over again, [unimpeded].

There's [nothing] that [anybody can do], because of how [extremely skilled they are]...
...at [doing stupid illegal shit].

Not at all.

I'm specifically referencing [Honorable Justice Paul Pelagalli], [Michael Depresso],
[Michael Zurlo], [James Leonard], and many others.

The [earlier] complaint they made was at [1414].

[SCSO-2020-003177 1414]

<https://github.com/mcc85s/FightingEntropy/tree/main/Records/SCSO-2020-003177>

So, they're literally writing in a fuckin' document that they arrested me
for, that an [earlier] complaint was made... [after], 1212.

I HAVE the other fuckin' ticket.

The other ticket, is right here.

1414

Oh yeah, no, this is an earlier <complaint>

That's what fuckin' [Saratoga County Sheriffs Office] did to me.

An [earlier] complaint was made at 1414,
[that's not earlier, that's later].

171 FSKC 16:02:13 Why are you fuckin' yellin' at me...?

172 MCCS 16:02:14 Because I spent the last (2) years telling you this, and you keep thinkin' I'm INSANE~!

173 FSKC 16:02:20 You better, you better... get the fuck outta my house.

Get away, get the hell away from me, Mike.

174 MCCS 16:02:27 You're treating me like I'm insane. I'll stop yelling-

175 FSKC 16:02:30 You're [acting] like you're insane.

176 MCCS 16:02:32 I'm [acting] that way, because I spent the last (2) years trying to-

177 FSKC 16:02:34 Alright~!

Whatever~!

178 MCCS 16:02:36 It's so important.

179 FSKC 16:02:37 Get the fuck outta my face.

180 MCCS 16:02:38 What can you DO about it...?

181 MCCS 16:02:40 YOU don't understand-

182 FSKC 16:02:41 YOU need to get the fuck outta my face~!

183 MCCS 16:02:44 I'm not IN your face.
I'm [asking you for help].

You're [not helping].

184 FSKC 16:02:48 I AM~!

(Her idea of helping me is to let [Silfredo Vasquez] install a security system and then ask me for the WiFi password, rather than to ask me to install the security system, since I'm a professional and stuff. It's not unlike seeing someone treading water in the middle of the ocean, and then tossing them a brick...

"There ya go, helped ya~!"

Doesn't fucking sound like HELP does it...?

That's cause that isn't *help*, that's someone who's really *stupid*, *doing something stupid* and calling it *help*.)

185 MCCS 16:02:49 No, you're not.

186 FSKC 16:02:50 Get the fuck outta here.

187 MCCS 16:02:52 You might as well just [grab a knife] and [stab me in the back].

188 FSKC 16:02:53 Get the fuck

189 MCCS 16:02:54 That's YOUR idea of-

190 FSKC 16:02:55 *Mother closing her bedroom door while son is standing in doorway*

191 MCCS 16:02:55 [Don't shut this fuckin' door on me].

192 FSKC 16:02:57 Get the fuck AWAY from me.

193 MCCS 16:02:57 No.

Look, listen to me.

194 MCCS 16:03:01 You treat me like I'm (10) years old

(That's when my dad was killed, and she *started acting this way*...)

195 FSKC 16:03:02 No~!

I'm not!

196 MCCS 16:03:04 Yeah, you are.

197 FSKC 16:03:04 I'm treatin' you like a (37) idiot.

198 FSKC 16:03:11 Get the fuck away from me.

199 MCCS 16:03:13 You-

You're [helping the police], [commit a crime].

200 FSKC 16:03:17 I'M NOT HELPING NOTHIN'~!

201 MCCS 16:03:19 You are~!

You're being [indifferent], you're not doing anything to [help] me,
you're not GOING to-

202 FSKC 16:03:22 GET. THE. FUCK. OUT. OF. MY. FAAAAACE~!

203 MCCS 16:03:26 *standing there speechless, thinking of a new strategy to pivot to*

204 MCCS 16:03:32 You LIKE the fact that my father's gone, don't you...?

205 FSKC 16:03:33 Yes I do, [Mike].

I am SO fuckin' happy, ain't I...?

206 MCCS 16:03:39 You are~!

207 FSKC 16:03:40 Stupid bitch~! (← How my mother treats me, and... consider that she had my father killed)

208 MCCS 16:03:41 You would LOVE it if I got shot to death just like my father.

209 FSKC 16:03:45 YES, I WOULD.

210 MCCS 16:03:47 Good.

211 MCCS 16:03:50 That's why it's totally fine for me to fuckin' [embarrass you] in front of your friends.

212 MCCS 16:03:55 They'll stick up for you.

213 FSKC 16:03:57 You didn't [EMBARRASS] me.

214 MCCS 16:03:58 You SHOULDN'T walk away from me...

215 MCCS 16:04:03 I'm gonna record ALL this shit, about how you like fuckin' walk away,
BECAUSE...

216 MCCS 16:04:08 Now I think that you're involved in this fuckin' [conspiracy] to
[commit murder] against my [father].

217 FSKC 16:04:14 *Tries to slam the kitchen door in my face*

218 MCCS 16:04:16 No, [I think you conspired to murder my father], now. (← There it is Fuckface Fodera)

219 FSKC 16:04:17 *Keeps walking away from me, indicates [malicious intent]*

220 MCCS 16:04:18 YOU KEEP WALKING AWAY FROM ME, AND IT [INDICATES] THAT YOU'RE [GUILTY] FOR SOMETHIN'~!

THAT'S WHY, YOU'RE NOT GOIN' ANYWHERE.

221 FSKC 16:04:25 Now you're-

222 MCCS 16:04:25 I'M GONNA HAVE YOU FUCKIN' ARRESTED.
YOU HAD MY FUCKIN' FATHER MURDERED, DIDN'T YOU YOU FUCKIN' DUMBASS CUNT.

223 MSS 16:04:30 *Son grabbed mother's wrists and placed mother against the wall*

224 FSKC 16:04:30 *Mother makes a fake choking noise*

([My mother] was trying to hit me when I grabbed her by the wrists, and then put her wrists up against the wall...
But, when my mother assaults me over and over, I have [no recourse].

Wanna know why I have no recourse...?

It's because sometimes the people from [SCSO] or the [NYSP] are [fuckin' stupid]. That's why.

Here's another instance of the boys from [SCSO] sounding [fuckin' stupid]...

| 03/01/22 | SCSO Margan/Pecor/Nelson | <https://drive.google.com/file/d/1BNfF9vWjG4vBIO-8oXmIw6aLeNvFRjRL> |

Yeah, so the content of that particular audio recording was right after [Vladimir Putin] decided to invade [Ukraine], and I believe that the [Chinese] and the [Russians] were behind a number of [cyberattacks] against my [server] and my [equipment] which can be seen in these [videos] that these [fuckin' morons] were too lazy to review.

Wanna know why I have so much of this shit...?

It's because there are people that are in a position to investigate stuff like this,
who would prefer to [ignore it]. Because [they're stupid], that's why.

Just like I reported to these useless fucks from SCSO, [Samuel Speziale] and [Jared Gardner] back on [06/23/22],
[my mother assaults me] and [never gets in trouble for that]...

Wanna know why...?

It's because, I may have said this before, but-
Some people are [fuckin' stupid]. That's why.)

225 MCCS 16:04:31 Didn't you...?
YOU HAD MY FATHER MURDERED DIDN'T YOU...?

226 MCCS 16:04:36 Yeah, you fuckin' did.

(Many of her [actions] and [body language] caused me to [believe] it. Even reading the [STATEMENT] that she made.)

Admit it, right now, and I will have you fuckin' arrested.

227 MCCS 16:04:42 Stop fuckin' walkin' away from me.
228 MCCS 16:04:46 No, I'll have you arrested.
229 FSKC 16:04:47 I'm gonna have YOU arrested.
230 MCCS 16:04:48 No, you're not.
231 MCCS 16:04:51 Now, I have- I suspect that you had-
232 FSKC 16:04:55 Alright, this is the last time you touch me.
233 MCCS 16:04:57 No.
234 FSKC 16:05:00 This is the LAST TIME... you FUCKIN' TOUCH ME...
235 MCCS 16:05:00 I'll have you [arrested]. (← Notice how she's not saying she's gonna call (911)...)

I will have you [arrested]. (← Notice how she's not saying she's gonna call (911)...)

I will have you, fucking, [arrested]. (← Notice how she's not saying she's gonna call (911)...)

Don't you fuckin' understand what the hell I'm saying...?

YOU'RE NOT HEARIN' A FUCKIN' WORD I'M SAYING YOU STUPID CUNT~!

YOU HAD MY FATHER MURDERED, DIDN'T YOU...?

(^ Notice how she's not saying she's gonna call (911)...?

She said that in her fucking statement that she was gonna call (911)...

You know...?

My mother said that in the statement that she made, and then I was the one that got arrested.

Does anyone quite understand how fuckin' stupid all of these people look...?

At some point, Judge Joe Fodera is gonna look incompetent.)

236 FSKC 16:05:16 NO~!

OH, NOW IT'S-

237 MCCS 16:05:18 Then stop fuckin' walkin' away from me

238 FSKC 16:05:20 GET THE FUCK OFF OF ME.

239 MCCS 16:05:22 STOP FUCKIN' WALKIN' AWAY FROM ME

240 FSKC 16:05:23 GET THE FUCK OFF OF ME.

241 MCCS 16:05:24 STOP FUCKIN' WALKIN' AWAY FROM ME

242 FSKC 16:05:25 GET OFF OF ME~!

243 FSKC 16:05:28 HELP~!

244 FSKC 16:05:30 HELP~!

245 MCCS 16:05:30 Nobody gives a shit about you.

You let my father die, DIDN'T YOU...?

(^ Notice how she's not saying she's gonna call (911)...?

But- I'm incompetent to stand trial. Weird...)

246 FSKC 16:05:34 I'm gonna KILL you.

(^ Notice how she's not saying she's gonna call (911)...?

Notice how she just threatened to kill me...?

But- apparently I'm incompetent to stand trial...

OoooooHhhhHhhhhHhhHhHhhhh...)

247 FSKC 16:05:36 God damnit~!

Alright, that's it...

That's it...

248 FSKC 16:05:40 That's it...

This is the LAST TIME...

249 MCCS 16:05:43 No, you're gonna

250 FSKC 16:05:44 This is the LAST TIME...

251 MCCS 16:05:45 You're gonna go to prison.

252 FSKC 16:05:48 Go ahead, call the cops. (← Notice how she's not saying she's gonna call (911)...?)

Go ahead.

Go ahead.

253 FSKC 16:05:55 Alright, I'm chill.

254 MCCS 16:06:00 You had my father murdered.

255 FSKC 16:06:00 No, you ass~!

256 MCCS 16:06:02 Then why do you keep walking away from me...?

257 FSKC 16:06:03 It has nothin' to do with-

258 MCCS 16:06:05 STOP WALKIN' AWAY, and stop fuckin' fightin'.

259 MCCS 16:06:07 Every single fuckin' time that you fucking SQUIRM...? (← ...it says you're hiding something.)

260 FSKC 16:06:14 You're hurtin' my leg~!

261 MCCS 16:06:14 Well, guess what...?

262 MCCS 16:06:15 No.

263 FSKC 16:06:18 LEAVE ME ALONE~!

264 MCCS 16:06:24 No.

265 FSKC 16:06:27 God damnit~!

266 MCCS 16:06:29 I'm not even hurting you, I'm [RESTRAINING] you, I'm not [HURTING] you.

267 FSKC 16:06:32 No, you ARE hurtin' me.

268 MCCS 16:06:37 I'm not hurting you.

You're lying.

I'm [restraining you].

269 FSKC 16:06:45 LET GO OF ME~!

270 MCCS 16:06:46 You need to UNDERSTAND something, you are GUILTY of conspiring to murder my father.

(^ I was in no position to make that assertion with no evidence, but it is what I believed in the altercation.)

271 FSKC 16:06:52 No I'm NOT.
272 MCCS 16:06:54 You're gonna go to prison.
273 FSKC 16:06:55 You're hurting me~!

God damnit~!
God damnit Michael~!

Let GO of me, motherfucker.
LET GO OF ME~!
LET GO OF ME~!

274 MCCS 16:07:11 Stop walkin' out the fuckin' door.
275 FSKC 16:07:12 LET GO OF ME~!
276 MCCS 16:07:13 You're guilty of conspiring to murder my father.
277 FSKC 16:07:15 No I'm NOT, you ass~!
278 MCCS 16:07:22 You deserve a lot more than that.
279 FSKC 16:07:26 *Slams front door*

280 MCCS 16:07:35 Fuck.

281 MCCS 16:07:47 *Ends recording*

-----/ Section 7
Statement /-----
-----/

That is the point at which I realized that my [smartphone] had [recorded everything] between the [audio log] that I made the [night before], to [that very second].

At which point, I then and there, [uploaded the audio recording].
I did attempt to contact (911) from my laptop, but it told me that I was unable to call (911) from the internet on [Google Voice].

I realize that some of MY language [was] pretty bad, but [so are some of the things my mother said].

Here's the startling reality.

My mother's statement that she made to [Sara Derusso], whereby allowing me to be [arrested], and [tased] by the [New York State Police], as well as having my name dragged through the mud, [among various other fucking serious problems] that I now have with the local [law enforcement] and [justice system].

I'm going to [remove all] of the [ASSUMPTIONS] that are in the statement, below.
In theory, the [justice system] and [law enforcement] systems are [SUPPOSED] to operate on what they can [prove].
Not on what they [ASSUME] is the case...?
But instead, what they can [prove].

And right now, [they can't really prove jack shit] if I have the [only evidence] of the [altercation].
Can anyone begin to see that the [court system] has [ulterior motives] for labeling me as [incompetent] to stand trial...? Alright then.

So, I'm going to [extract the assumptions] being made below.

Fabienne S. Cook

My name is [Fabienne S. Cook] and I am speaking with [Trooper DeRusso] of my own free will [1].
(^ Accurate)

I was in my bedroom with my door locked because my son [Michael C. Cook] was yelling at me earlier today, that I did not understand the [evidence] he had, that multiple people in the [trailer park] were conspiring to kill him [2].
(^ I never indicated that at all, that was her [flawed perception].)

While I was laying in my room [Michael] called me into his room to show me something on his computer [3].
(^ Accurate)

[Michael] stated that the computer showed [proof] of the [people conspiring to kill him] [4].
(^ I never indicated that at all, that was her [flawed perception].)
I indicated that SCSO has some lazy fucks there, and rattled off [SCSO-2020-003173] and [SCSO-2020-003177]

I told [Michael] that I did not understand and I walked out of his room because he was starting to yell again [5].
(^ But that's when she told me that she would like it if I got killed like my father.)

As I tried to leave the house through the [front door] he [slammed the door shut] so I could not get out

and wrapped his right arm around my throat, putting me in a headlock [6].
(^ Nah, [she tried to shut the door in my face] while I was [standing in the doorway].

*Then she started to hit me, which I probably had some bruises on me, but the police never asked me if
I had any bruises or injuries or anything like that, because why would they...?*

I put my [hands] around her [wrists] because she was trying to assault me.)

While he had his arm around my throat I tried to keep my chin down [7].
I began to struggle and he stated the more I fought him the tighter he would make it [8].
As I struggled, he tightened his grip, and then tried to put his leg around my leg and bring me to the floor[9].
I continued to struggle because I knew if he got me to the floor it was going to be bad [10].
I told [Michael] he was hurting me and I was going to call (911) [11].
(^ I'm not going to deny having her [restrained], but [I made no attempt to obstruct her breathing or circulation].

*However, uh- that is what I was charged with.
OH BY THE WAY, might've mentioned this before, but- [she makes no mention of wanting to call 911]]*

He tried to get my cell phone away from me but I kept a tight grip [12].
(^ [Michael Depresso] is pretty stupid, I would've needed a [third arm] to do that...

*It's also in the [transcription] that I was going to [call the police] and have her arrested...?
Might've mentioned that but the court appointed lawyer is a fucking [tool].*

I am not referring to [George Conway], I'm specifically referring to [Michael Depresso]]

I begged [Michael] to let me go and told him I would stop trying to get away [13].
(^ She did tell me to let her go, she wasn't [begging] or anything like that.
She never said she was going to stop trying to get away.)

[Michael] loosened his grip, and I was able to get out of the room [14].
(^ That's because I agreed to let her go)

As I was leaving he continued to yell at me [15].
(^ No, I didn't.)

I walked over to my neighbors house as fast as I could and called (911) [16].

My neck and hip are sore from the struggle but I do not need medical assistance [17].
I would like to press charges against my son Michael for hurting me and would like an
order of protection [18].

And there ya have it.

There's a bunch of people at the [Town of Halfmoon] that are about as crooked as [Bruce Tanski] and
[Melinda Wormuth], and I'd like my case to be transferred to another judge, or to be outright dismissed.

So far, [a lot of people are making assumptions]...
"Maybe your mother is just old and didn't really know what to say when she made her statement..."

Which supports my case that she's going [senile], which I mentioned in the beginning of the 16 hour audio
recording, and it's also something that could be [supported] by the [argument] she has regarding the door
being locked.

"Maybe you're just a scumbag and that's why she treats you the way she does."
Maybe anyone who thinks that is just [fucking lazy] and [can't read].

"Maybe the police thought you were lying about the audio recording."
Nope, they didn't, because they arrested me as soon as I told them [I uploaded it].

It's in the [body camera footage] of the arrest that [Cameron Missenis], [Sergeant Bosco],
and [the woman from SCSO] made that day.

They asked me to place my hands on my head, and I did.
Then, they began to [place the handcuffs around my wrists] without [reading me my miranda rights] nor
telling me what they were [arresting me for], and I argued with [Michael Depresso] on the phone about
the [LEGALITY] of the arrest that they made.

The dude is [fuckin' stupid]. However, [he is not alone].

Backstory /-----\

The [court system] is [in the process] of [rolling over] my [constitutional rights].

This [audio recording] proves that my mother [lied to the police], in order to have me arrested. The [police], as well as the [court system] and the [psychiatrists] are all [working together] to [prevent the audio recording] from making it into the courtroom [in my defense].

That process is called: [obstruction of justice]

The way that they see it, is that... if too many people are involved in the charade, then there's no way that they can [all] get in trouble.

[When the police fail to corroborate the other side of a story], [especially] if that [other side of the story] has [evidence] that [contradicts] the [statement] that the [other person made], and it can be [proven] that they [chose] to [ignore] that [evidence], that is actually a [criminal act].

Yeah, because that is all a [violation] of [federal law]. Which, you would think that [Joe Fodera] being a judge and everything, would know that, right...?

Well, I don't think that he's ever read the [constitution].
[I'm fucking certain of it].

This entire process, is what occurred at that aforementioned address, at that aforementioned date.

When told that I uploaded an audio recording that contradicts my mothers story to my [Google Drive] account, in the [body camera footage] that [they recorded], they [decided to arrest me anyway]...

...because [sometimes] the [police are fuckin' stupid] like that.
They are not ALWAYS stupid.
Sometimes, they are about as intelligent as [Seamus Leavey], [Trooper O'Neil], [Trooper Rizzano], [Trooper Dickson]...
When I say that the police, sometimes they're fuckin' stupid...?

I'm [not referring to the police officers] that [I have observed], [doing their jobs correctly].

I'm referring to the ones that like to [cut corners] and just [do whatever the fuck they want].

Sometimes, [they have not been trained correctly, and thus, they cannot help it].
They'd [prefer] to [arrest] that [person], regardless of the [existence] of the [evidence].

Because that's [a lot easier for them to do].

It's a lot like when a [guy] has [sex] with a [girl], and after [(3) seconds], he [ejaculates].
It's called [premature ejaculation].

That is a [metaphor] or an [analogy] for how hard the [police], [Michael Depresso], [Judge Joe Fodera], and the [psychiatrists Dr. Glosman and Dr. Gurbek] have been working in this specific case.

It is spot on.

[Collecting the audio recording], and allowing me to submit it into the courtroom, if it [incriminated me], [they would not prevent that from happening at all]. The prosecutor would already have it in her hands, and be [using it against me].

However, [because it proves my innocence], they are [pretending] like I am [incompetent] to [stand trial], which means that [my constitutional rights do not apply], nor are they [necessary], nor are they even [needed] really.

Nah.
[Constitutional rights] are fuckin' stupid in their eyes, and that's the power of the [Halfmoon Town Court] in this specific case, as well as the [numerous fucking morons] who work for [Saratoga County].

Breakdown /-----\

In this particular audio recording, I managed to capture an argument that I was having with my mother, where I [accused her] of [conspiring to murder my father], [Michael Edward Cook].

[Michael Edward Cook], my father, was murdered in (1995).

[Santa "Sammy" Cassaro], not my father, was murdered in (1996).

They both worked for the [same cab company], [OK Taxi].
They both lived in the [same neighborhood], [Turf Trailer Park].
They both worked in [Albany].

The [same radio dispatcher] was working the [night they were each killed].
They were both [shot] in the [back of the head], [execution style].

What brings up these details from (2) cases back in the mid (90)'s, are the [numerous] fucking
[coincidental things] that I've [observed] and [recorded] since I [started] my [company],
[Secure Digits Plus LLC] in [October 2018].

Recording those [numerous coincidental things] over the last few years, led to the events of
[05/19/2020] -> [05/26/2020], where I walked around the town of [Clifton Park] [taking pictures],
[recording videos], and making [audio recordings].

At the tail end of that week, [I was almost murdered].
On [May 26th, 2020] outside of the [Computer Answers] shop that I used to manage, at:
[1602 Route 9, Clifton Park, NY 12065]

I even recorded a video of the (2) perps that were attempting to do so, and I believe that they were involved
in the [armed robbery] of [Meghan Alexander] in [Hillside Trailer Park] in [Stillwater] in (2011-2012).

[SCSO/Mechanicville P.D. Sean Lyons] investigated that event I believe, as it involved my cousin [Thomas Cook],
who was dating [Meghan Alexander] at that time. That is also where [Michael Zurlo] was an [investigator], prior
to becoming the [Saratoga County Sheriff] about a year or two later, in late (2013).

Much how the (3) masked individuals held my cousin's ex-girlfriend [Meghan Alexander] at gunpoint, and got
away...? Well, the (2) guys who attempted to murder me on [05/26/2020] outside of the [Computer Answers] shop,
they got away too.

Even though I recorded a video of them, and I have pictures of them walking in front of [Spare Time] to the
rear of [Hoffman Car Wash].

I believe they're (2) of the (3) same guys, and that the official police that get paid to
investigate stuff like that, [sometimes they're pretty fuckin' lazy] to [do simple math].

Like (2 + 2 = 4).
Or like, ([DJ Thompson] + [Anthony Pirrone] = Stupid).

The way I see it is like this, [sometimes] the [police] like [Robert Missenis], the father
of the [officer] who tased me on [06/28/2022], [Cameron Missenis]'...?

[I'm gonna get pretty creative here]...

Sometimes they work with [drug dealers].
Maybe they'll even [have sex with them], and have [(drug dealer/cop)] babies.
Maybe even get [married].
Maybe even get themselves a [(drug dealer/cop)] house, in a [(drug dealer/cop)] neighborhood...

So obviously, they'll have an [arrangement] so that their [friends/girlfriends/wives] get to
[sell drugs/cut hair/paint nails] and [make a big profit/fellate the boyfriend] without having to
worry about pesky things like being [arrested/jailed/killed].

Nah, that shit is [stupid] in their eyes...

So, if you're a [guy police officer], and you meet up with a [hot female drug dealer],
then [instead] of [arresting] the [hot criminal], you just [have sex with them], have babies,
get married, and [ignore everything they do] that could be considered [illegal].

It's a [win-win] for the both of em.
They get [immunity], AND [money], and they can [fuck], [commit crimes] for [one another],
all in the name of [love], and even in some cases, [marriage].

It's like they can literally take a page out of [Married With Children].
[Peggy]. [Al]. [Christina Applegate]. That show, except instead of [Al] selling SHOES...?
He's either a [cop], or a [drug dealer]. Sometimes [both].
Or, she's the [cop], [drug dealer], or both.
The neighbors might even be [cops], [drug dealers], or [both], too.

You need a [cop] in your [back pocket], to be able to [pull] the [drugs] out of the [evidence locker],
to [sell]. Then, you make [mad cheddar] by [selling] the [drugs] you stole from the [drug locker], while

never needing to [bring it] to any [convictions] or [court arrangements].

You could even get really ballsy, and do what [DJ Kuhn] has probably done all these years, being the [D.A.R.E. Officer], "*Drug Abuse Resistance Education*"... yeah, drug abuse resistance my ass.

Dude probably secretly took the drugs out of the drug locker, and just made ridiculous fat stacks of cash off of [selling the drugs] to his [pals]. Even [Robert Rybak] gets involved in the charade, and they take secret trips up to the [Adirondacks] for weekends to go camping, testing entire sheets of [LSD] or whatever.

Yeah, they supposedly "*destroy*" the evidence.
What they mean by "*destroying*" the evidence, is to sell it to their friends.
To make [mad cheddar].

I'm gonna pull back from the [creative rhetoric] here, because I was stating all of that to be [incredibly obtuse]. I don't think they do that shit, for the MOST PART. But sometimes, the police will get involved in these [illegal activities] and be [consumed] by it.

When they do this, they make it [possible] for [certain people] to [make a lot of money] by [cornering the market], and then [any] of their [competition] gets [killed], or [jailed].

It's a [win-win] for them when the [drug dealers] and [dirty cops] are [pals/lovers].
The [dirty cops] don't arrest themselves, nor the [drug dealers]... And the [drug dealers] sell [a lot more drugs] to [a lot more people], and they (*pay off/fellate*) the [dirty cops].

Not unlike how [Bruce Tanski] will be friends with the former [Town of Halfmoon Supervisor], [Melinda Wormuth], and then have [multiple accomplices commit bank fraud], and things like that.

It's a total [win-win].
Because the way they see it, [they're the people in charge].
What they say, goes.

That's why [Honorable Justice Joe Fodera] doesn't like the [notion] of [listening] to the [audio recording] that [proves my innocence], and [asked] the [psychiatrists] to [write] the [fudged up] rushed evaluations that they did. I have no [PROOF] that is what they did, however, I was given a number of CONFLICTING INSTRUCTIONS by both [Michael Depresso], and [Joe Fodera], that suggested that I was supposed to be in court at some point in [December 2022] or whatever, but the court never contacted me to tell me that at all.

Then, when I later spoke with [Michael Depresso], he said "*No, the judge misspoke, you weren't supposed to be there, I called an emergency hearing to talk about your case, because I have fears in representing you.*"

Yeah, the [fears] he had in representing me, were that I was [innocent] of the charges against me.
[Michael Depresso] has acted exactly like a [prosecutor] who is [trying to be my best bud].

Allow me to explain how fucking shady of a character some of the people at the [Saratoga County Public Defenders] office have been on a random basis...

- 1) [Sarah Schellinger]
- 2) [John DeLong]
- 3) [Michael Depresso]
- 4) a girl I went to kindergarten with by the name of [Heather Brondi]... not involved in my case, but-
ya know, it's like this...

I said [Heather Brondi]'s name to [Michael Depresso], and then immediately after that conversation is when this [secret emergency court appearance] occurred, that I was [never notified about], but the [judge] said I was [supposed] to be there. If I was supposed to be there, then I should've been [notified about that appearance].

But- it's a lot like how [Judge Paul Pelagalli] never [mailed me] the [court order] to turn myself in to the fucking jail after I recorded the [audio recording] on [April 6th, 2021], and posted it on [Facebook]. [Mad sketchy].

And then whoa, wait a minute, [Michael Depresso] later said that the judge misspoke.

OooooOooooOooOhHhhhhHhh, shadiness going on in the [court system] with the [court appointed lawyers].
[Shadiness] going on with the [court ordered psychiatrists].
[Shadiness] going on with the [police officers] that arrested me.
[Shadiness] going on with my own flesh and blood [mother].
What causes it all to be pretty fucking obvious, is the fucking [audio recording] and the [transcription] above.

[It contradicts every single aspect of the case].

Whether the cops have some [dirty officers] in their midst, or the [judges] have some [dirty judges] in their midst, do you really expect them to give a shit about people's [constitutional rights]...? Fuck no.

They don't have to [arrest themselves] nor [incriminate themselves].
They're the best there is.

No need to worry about pesky shit like [being arrested], [goin' to jail], or nothin'.

Plus, [lots of money to go around].

Everybody they like gets taken care of, except people that they [don't like].

Like, me. My rights are violated, and [Dr. Gurbek] and [Dr. Glosman] made certain that is the case, because I'm pretty sure they've never read the [constitution] before, and [they probably should at some point].

That's the power of [police officers] working with [drug dealers].

Or [judges] asking a [couple] of [dirty psychiatrists] to [rush] a [diagnosis] or [evaluation] that [contradicts] the [evaluation] that [Samuel Bastian] gave me beforehand, back in [09/2021].

If they were tryin' to do this [inconspicuously], well they fucking [failed miserably].

It's like this.

[A guy on their own fucking team (Samuel Bastian)], spent [3+ hours] talking to me and [evaluating me] in [09/21]. They spent a maximum of (7-10) minutes.

That's why I raise the (*premature ejaculation*) analogy.

Now, here's [why] the doctors [Joe Fodera] sent me to, should consider a line of work that [better suits them].

-----/ Breakdown
/ Genius Intellect /
-----/

I'm going to be a little more [realistic], here.

Sometimes, what happens is that a (10 year old boy) has his [father murdered] by these [drug dealers] who work with the [police officers], whether it's in [Albany], or it's in [Halfmoon]...

Maybe even [police officers], [drug dealers], and [Russian (spies/mafia)], and you cannot expect [Dr. Gurbek], [Dr. Glosman], or [<insert whoever>] to collect evidence like I have.

Sometimes these [friendly relationships] of theirs is [wicked obvious] to people who aren't [fuckin' stupid], such as my father [Michael Edward Cook], and [Sammy Santa Cassaro].

Sometimes, the [judges themselves] may be [involved] in this [charade].

Much how like [Francine Vero] was a [key witness] in the [trial] for the [murder] of [Sammy Santa Cassaro] in (1998-1999) when she was (18) years old, and it was [her testimony] that suggested that [Melissa Davis] is the person who murdered him, not [Kristian Hansen]...?

I don't think her testimony actually changed the result of the case, which was [Kristian Hansen] being convicted of [first degree murder]. However, I think that the narrative I'm striving for, is that there might be a [better story] than just single off-shoot incidents... especially when there's a number of [COINCIDENTAL PATTERNS].

Yeah, the [better story] is that there was a group of people that had [Michael Edward Cook], and [Santa Sammy Cassaro] murdered, and that they have [killed a lot of people], gotten away with it, and that they work with [local gangs], [drug dealers], the [local police], the [justice system], the [lawyers], and [politicians], and even [bankers]... and they have access to these [national security programs] and things like [Pegasus], [PRISM], [Phantom], and they use [advanced cyberattacks] to disrupt [people's businesses], like [Computer Answers], [1602 Route 9, Clifton Park, NY 12065].

They're like [royalty], and they're [really important].

They can literally go around and [have people murdered], and the [police] that [aren't dirty at all], they are [outright terrified to investigate them at all].

I might be reaching here, but- I [still] find the [theory] to be [somewhat plausible].

And what makes it even more likely to me, is how hard the system has been working against that [audio recording].

And, when I see a [black Maseratti] leaving the [Town of Halfmoon Town Court] parking lot like I did on [April 5th, 2023], right as I was leaving the court...?

Well, I'm not a fucking idiot, and I think that [black Maseratti] could've been somebody keeping an eye on me. And, could be working with a [local mafia].

I think it really just comes down to [someone's appearance]. That's it.

So, you COULD be [(1) hot ass bitch] that just so happens to be a [spy] from another country, working with the [Russian Mafia], [drug dealers], [dirty police officers], and whatever, and [nobody] will [ever] be able to [stop you].

Why...? Uh, because if you're a [really hot ass bitch], then that [overrides] people's sense of [logic]. And, her [appearance] causes her to be [a lot more important] than [anybody] who [isn't as hot].

She could literally go around saying "I'm literally a Russian spy, I fuck drug dealers, I work with dirty cops, and I even tell em what to do, and... nobody gives a shit."

And in [some] circumstances or conditions, [she'd be right].

I'm sure that [some] people would give a shit, but then you just send in [Dr. Glosman] and [Dr. Gurbek] to label that person as [incompetent to stand trial], and then [holy shit].

You just [send some hot bitch] to [distract] everybody, and it is [basically fucking foolproof]. Yeah.

If people are willing to entertain the notion that [I'm making extreme exaggerations here], then [allow me to proceed] with some [shit] that's [far more realistic] than the bullshit evaluation that I received on [02/23/2023] at [135 South Broadway, Saratoga Springs NY 12086].

Wanna know what happened back in (2019)...?

Well...

I met [Honorable Justice Francine Vero] in the lawsuit between [Computer Answers] and [Precision Periodontics] in [Saratoga Springs].

Does that automatically mean that she's an evil, shady trollmeister 5000...? No... it doesn't.

Wanna know what happened between (2018-2020)...?

Well...

- 1) the network at [Computer Answers, 1602 Route 9, Clifton Park NY 12065] was attacked by a nasty [cyberattack] that involved [CVE-2019-8936], as well as a [ransomware attack] on [01/15/2019]
- 2) [Nfrastructure] sold [Computer Answers] the [Cisco Aironet 1142DN] access point that I flashed and reconfigured in (May 2018), and it still had my configuration on it when the (2) perps attempted to murder me outside of [Computer Answers].
- 3) I found an appointment card that links my father [Michael Edward Cook] to [Jesse Pickett].

The (2) perps that attempted to murder me may be (2) of the (3) perps that robbed [Meghan Alexander] in [Hillside Trailer Park] in (2011-2012), but- the [only way] in which [anyone] will ever [do] anything about that, or [investigate it], is if someone like [Honorable Justice Francine Vero] says to the police to have a conversation with me about [05/26/2020].

Yeah, [me], having [a lot of supporting evidence]...? That shit is [stupid], and [annoying].

But- the very moment that [Francine Vero] says:

[Vero]: Ya know, I think (2) guys did actually try to kill [Michael Cook]...
The way he's sayin' it, it's GOTTA be true...
He's got so much of this fuckin' evidence, or whatever.
You guys oughtta look into it.

That's the [exact moment] where the [police] will [immediately] be like:
[Cops]: HOLY SHIT, REALLY...?

And then they'll actually do whatever the hell she says.
With no evidence.
Just, words, and the raising of a single eyebrow.
Practically eviscerating opponents left and right, with (1) god damn eyebrow.

It's not like it's a bad looking eyebrow or anything, either.
Nah.
It just so happens to be the most beautiful eyebrow that anyone ever had.
In the history of mankind.
And every single police officer, will immediately drop whatever they're doing...
...and do what the hell she says.

Wanna know why...?

It's because [some of the police are pretty fuckin' stupid].
That's why.

The (2) perps that attempted to kill me are former customers of [Computer Answers].
I've mentioned this in numerous documents that I've written, but you'd be amazed as to how fuckin' stupid so many people are, such as [my mother].

At the tail end of that murder attempt, [Scott Schelling] was the first on scene at [1780 US 9, Zappone] along with [Joshua Welch], and [Jeffrey Kaplan].

The call for service was [SCSO-2020-028501].
The details in that report are inaccurate, because [Joshua Welch] showed up [last].
[Scott Schelling] arrived on scene [first].

When he did, I handed him my [Apple iPhone 8+] which had the video of the (2) perps attempting to murder me, prior to that recorded incident, but my [device] was [dead].

[Scott Schelling] refused to let me [charge my device] to [show him the evidence], before [attempting to arrest me].

I later ran into [NYSP Seamus Leavey] at [LaQuinta Inn], as well as [Stonecrest Drive].
[NYSP Seamus Leavey] is also a former customer of [Computer Answers], and I have serviced his machine before.

I showed the very beginning of video of the (2) perps attempting to murder me, using a software tool to remotely access my smartphone that I believe was "Phantom", in front of the [Catricala Funeral Home], to [NYSP Shaemus Leavey] on [05/27/2020 ~0900], hours before [SCSO James Leonard] processed [SCSO-2020-003173 1212] and [SCSO-2020-003177 1414].

Ever since then, the [Saratoga County Sheriffs Office] have had a lot of officers act like I'm [delusional].
The case may just be that I'm a wicked intelligent person and they constantly misunderstand the things that I say.

I have evidence that contradicts [Eric Catricala]'s statement that he made on [05/27/2020] to [Scott Carpenter], regarding the events that occurred on [05/25/2020 1145], not [05/24/2020 1510] when he and I spoke about [Dwayne Coonradt] installing [hacked software] on [customer computers] at [Computer Answers], and charging the [full retail price] for that [stolen software]...

...as well as how [Bruce Tanski] was investigated by the [FBI] over [bank fraud]...
...with [Peter Amato]...
...and [Justice Joe Fodera]'s former coworker [Melinda Wormuth]...
...who is my former lawyer [Kevin Tollisen]'s predecessor.

[Eric Catricala] failed to say these things in the statement he made to the [Saratoga County Sheriffs Office] on [05/27/2020] about an incident that occurred on [05/24/2020]. Wanna know why...? It's because [James Leonard] is a [crooked cop].

As for my mother, I tried to talk to her about [all] of these details, repeatedly, but [she is pretty stupid].
So are my neighbors, [William Moak], and [Janet Moak].

However, I came to the realization that perhaps there is more than just mere stupidity going on in my mothers head, in reference to my [father's murder], as well as her indifference in the story I kept telling her since [05/26/2020].

-----/ Genius Intellect
Conclusion /-----

I had an [altercation] with [Silfredo Vasquez] because he [installed] a [security system] in my [mothers' house], and asked me to help him get it [connected] to the [wireless network].

I started [arguing] with my [mother], and then [Silfredo Vasquez] began to [defend her].

I told him that [my mother] ignores [all] of the [leads] and [clues] I've been collecting over the last few years since I started my company.

Some of those [leads] and [clues] include [strange coincidental things], like:

- 1) [Tom McCabe] owns [Capital Digitronics], they provide [radio communications] for the [NYSP], and their radio is on [Willard Mountain].
- 2) The people that live at [203D Halfmoon Circle] work for [Capital Digitronics].
- 3) They moved in after [Pavel Zaichenko] was investigated by the [Department of Labor] in (2017), when I managed the company [Computer Answers].
- 4) My mother and [Bill Moak] think that ALL they do, is [service medical equipment].
- 5) [Tom McCabe] himself, drives around in a white [Mercedes Benz] with a license plate that says [NYS/CAPDIG1], and he himself said "We provide communications for the NYSP."
- 6) The reason why my mother argues with me a lot, is because [she's pretty stupid].
- 7) So are [William Moak], [Janet Moak], and [Michael H. Streeter].
- 8) My father had some association with [Jesse Pickett] in (1989) at [Hudson Valley].
- 9) [Jesse Pickett] and [Daniel Pickett] owned the [Nfrastructure Corporation].
- 10) I was once employed by the [Nfrastructure Corporation] in (2011).

- 11) Neither my mother, nor myself, knew that my father and [Jesse Pickett] had some association to my father.
 12) [Honorable Justice Francine Vero] was a [key witness] in the murder trial for [Santa "Sammy" Cassaro], and she stated that [Melissa Davis] was the person who murdered him, not [Kristian Hansen]...
 I don't think that altered the situation for [Kristian Hansen]

[https://github.com/mcc85s/FightingEntropy/blob/main/Docs/2022_0701-\(CASSARO-VERO\).pdf](https://github.com/mcc85s/FightingEntropy/blob/main/Docs/2022_0701-(CASSARO-VERO).pdf)

- 13) [Francine Vero] was the judge involved in the lawsuit between [Precision Periodontics] and [Computer Answers] because [Glendon Hurn] built a system that was too new to install the non-UEFI version of [Windows 7] onto. He installed [Windows 10] even though the client specifically asked for [Windows 7] to be installed, because it was a requirement of the version of [Patterson Eaglesoft] that they were running, however... [Stephanie Rocklin] was sold a system that provided [future compatibility], and the software just needed to be updated to a newer version in order to complete the sale.
 14) None of these things take away from the "god mode cursor" that kept showing up on my equipment:
