Conversation with Timothy Krom Sr (6/26/2022 1519)

| 06/26/22 | Timothy Krom Sr. | https://drive.google.com/file/d/1BqW_OeJk61WRK2RK_KVjsYGsuh0E0NLU |

I'm going to transcribe the content of this recording/conversation, and then provide a FOLLOW UP to the conversation that I had with this fuckin' bloody, dried-up cuntrag named BRUCE TANSKI at (08/12/22 0800).

Overview (1) /

CAROL YATES' brother Al, was at Timothy Krom's house, which I have nothing against Al at all, but Tim knows some stuff about what happened to my father, or at least he's claimed some stuff that I'm certain OTHER people have been repeating, without having their facts straight.

[00:00] Recording beginning.

[00:14] First attempt knocking, they both probably say:

\\ Timothy Krom Sr → Bruce Tanski

Tim : Ah it's that fuckin' kid from next door.

Just pretend like we can't hear him in the next room, he'll go away...

\\ Timothy Krom Sr → Bruce Tanski

[00:45] Second attempt, knocking a lot harder

\\ Timothy Krom Sr → Bruce Tanski

Tim : Hm.

If he knocks for a THIRD time, well...

...we can't just PRETEND like we can't hear that...

\\ Timothy Krom Sr → Bruce Tanski

[01:15] Third attempt, knocking same intensity.

\\ Timothy Krom Sr → Bruce Tanski

Tim : Well, fuck.

Guess I gotta answer the door then...

opens the door

Me : Hey

Tim : Huh?

Me : You got a minute...?

Tim : Not really, why...?

Me : I've got some questions to ask ya.

Tim : *slightly irritated* what...?

Me : Did you ever give nick the letters I wrote him...?

Tim : *immediately, nodding* Yep.

Me : Alright. *thinking of a way to strategically segway to my other questions*

Tim : ...he got married, ya know...? (I did know that)

Me : Yeah I saw that, well, I saw some pictures or whatever.

I haven't spoken to him in a few years.

Tim : Yeah... plus, he's gonna be a daddy...

Me : Uhm *clears throat*

Tim : Nick, he's gonna be a daddy. (* I heard him the first time but I was distracted)

Me : Well, uh...

Tim : So, he ain't gonna have time to do shit...~! (* Seems to be IMPLICITLY suggesting that I'm fuckin' lame, bro...
...get a life already, ya fuck.)

Me : Well, I haven't spoken to him in years, so...

Tim : Oh...

Me : Last time, or before when I was talking with you...

Tim : *interrupts, thinks he knows what I'm gonna say...*

...about a week, give or take, maybe about a week or two after the last time I saw you.

Me : *distracted, lost my train of thought* Uh...

Tim : *rushing me* Well, I've got company, so make this quick. (* PSYCHOLOGICAL MANIPULATION, SOCIAL PRESSURE)

Me : When my dad died, you said he got involved with the WRONG people...? (because I agree, but for OTHER reasons.)

Tim : *immediately, nodding* Yes, he did. (* ADAMANT AFFIRMATION)

Me : Do you know who...?

Tim : I have no clue... (* Indicates that he DOES NOT KNOW, so he's just SAYING STUFF, or this is a CRITICAL CLUE)

Me : Do you think that he was EXECUTED rather than a FOILED ROBBERY...?
I think that the (3) guys that killed my father were paid to do it.

Tim : *not immediate at all* Well... (← this DELAY indicates that HE finds my theory PLAUSIBLE/BELIEVABLE)
Me : I think BRUCE TANSKI and JOHN HOFFMAN were involved.
Tim : *immediately* No. (← SPEED and TIMING is INDICATIVE)

^ indicative (adjective: [1] serving as a SIGN or INDICATION of something
[2] denoting a mood of VERBS expressing simple statement of a fact
He JUST said a moment ago, after considering the PLAUSIBILITY of my THEORY, they he has no clue who those
WRONG people are. Sorta like how PEOPLE SPREAD RUMORS that they NEVER CONFIRM.
KENNETH YATES thought this way too... "People wouldn't just keep saying something, if it wasn't true."
Well, that's actually a FALLACY right there. Because people CONSTANTLY do that MORE OFTEN THAN THEY DON'T.

There IS a way that a lot of people repeated something WRONG, especially if a lazy cocksucker was involved
like MICHAEL ZURLO, the SARATOGA COUNTY HEADMASTER SHERIFF WHO FACILITATED AN ATTEMPTED MURDER on 05/26/20

So, why say "No." so immediately? Well, there MAY be ONLY 2 reasons right here and now. (but maybe more)

1) He is OPERATING ON HIS ASSUMPTIONS (a lot of people with brain damage from lead poisoning do this too)

2) PROVIDING A RED HERRING (which means he just heard something SO PLAUSIBLE about his GOOD FRIENDS)
A RED HERRING is basically when you admit that you're a lazy cocksucker and that you KNOW something I just
said is fucking EXTREMELY ACCURATE/PROBABLE, THEN, you have to TRY TO CONVINCE ME OTHERWISE, only to fail.
It's almost as if I'm a lot more intelligent than this dude is, and he proved my point.

People should REALLY CARE IF I'M CORRECT. Not like, SLAM THE FUCKIN' DOOR IN MY FACE.

Me : ...and JOHN PICKETT
Tim : *quiet for a moment* (← Trying to remember a JOHN PICKETT, but it doesn't ring a bell)
Me : I have evidence that suggests that. (Listed below)
Tim : *not immediate* Your dad owed people money for drugs...

^ Providing an ASSUMPTION that bears NO evidentiary value whatsoever.
It is phrased as a NUANCED OPINION, that COULD be PLAUSIBLE, but by itself it is HERESAY.
hearsay (NOUN: information received from other people that one cannot adequately substantiate)

Guys like him may say: "I'm making an EDUCATED GUESS." (← morons don't know the definiton of EDUCATED)

If you base KNOWLEDGE on HERESAY...? That's not an EDUCATED GUESS at all... Nah.
What that ACTUALLY is, is equivalent to ACTING like someone with SEVERE BRAIN DAMAGE.

So, if you haven't experienced LEAD POISONING from:
1) eating leaded paint chips
2) existing in the 40s-70s when toxic leaded gasoline fumes ran RAMPANT THROUGHOUT SOCIETY...

THEN, the chances are, you're just a regular, every-day moron who made an assumption. Happens EVERY DAY.

THEN, a moron arrived at a conclusion without ANY (FACTS/EVIDENCE)... just a lot of HERESAY and RUMORS.

This is EXACTLY how POLICE AGENCIES such as:

| NEW YORK STATE POLICE | SARATOGA COUNTY SHERIFFS OFFICE | FEDERAL BUREAU OF INVESTIGATION |

...operate sometimes. They sometimes FABRICATE SHIT OUT OF THIN AIR, and call that an EDUCATED GUESS. Wow.

I hate to be the BEARER OF BAD NEWS HERE, but this PROCESS that I've just described...?
WELL, numbnuts, it means that NO EDUCATED GUESSES WERE MADE AT ALL.
Nah, just morons like BRUCE TANSKI, but with BADGES, deciding to wave their 7nm dicks around aimlessly...
...which isn't all that different from SPINNING THE WHEEL ON THE PRICE IS RIGHT, and calling that...

| LAW ENFORCEMENT | ...instead of... | LAW AVOIDANCE/WAVING THEIR 7NM DICKS AROUND AIMLESSLY |

DOESN'T SOUND LIKE A REAL CONSISTENT WAY TO PROVIDE A "FOUNDATION" of FACTHOODS, right...?
Basically EVERYBODY WHO SPINS THE FUCKING WHEEL ON THE PRICE IS RIGHT, they NEVER KNOW WHAT THEY'LL GET.

So when the LAW MEN choose whatever the fuck they felt was easiest to do. Nothing more...
Ya know...? In order to make an EDUCATED GUESS, typically you have to [APPLY EFFORT*]/[DO RESEARCH*].

Here's how to do this thing called RESEARCH:

[Dr. Derek Muller from Veritasium]
The Man Who Accidentally Killed The Most People In History
<https://youtu.be/IV3dnLzthDA>

You really do have to be CAREFUL with citing ANY VIDEO FROM YOUTUBE, as [CREDIBLE KNOWLEDGE*]...
But, most people on the internet WILL AGREE, [VERITAS IUM HAS A CONSISTENTLY FAR ABOVE AVERAGE ACCURACY*].
That's because DEREK MULLER, is a truly intelligent bastard WHO CARES ABOUT HAVING HIS FACTS STRAIGHT.
Unlike RICHARD TODD LOEBER. Or, SUSAN MCDERMOTT. Or, ERIC SHNAKENBERG. (+ SUPPOSEDLY they're "doctors")

BRAIN DAMAGE has caused people like: DWAYNE COONRADT, PAVEL ZAICHENKO SR+JR, MICHAEL STREETER, BILL MOAK,
JANET MOAK, HARLEY MOAK, MICHAEL ZURLO, PAUL PELAGALLI, KRISTIN JOHNSON, LAURA HUGHES, BRUCE TANSKI, JOHN
HOFFMAN, ERIC CATRICALA, and even MARK ZUCKERBERG...
...to have NO POSSIBLE WAY to prevent themselves from APPEARING to be:

MORONIC | INCOMPETENT | LAZY | EGREGIOUS | CARELESS | ONE OF THE DUMBEST FUCKIN' PEOPLE THAT EVER LIVED

I like to just <shorten that list> to being: "one REAL dumb motherfucker".
Sounds pretty bad, doesn't it...?
Well, hold up there, FROSTED FLAKES...
Cause, even Tony the (overzealous/hyper)-son-of-a-bitch tiger has to slow the fuck down sometimes...
...before he does anything.
Because, the description above, isn't QUITE accurate yet.

However, suppose you could theoretically multiply that description above, by 10000...?
That's the moment where it'll effectively match a condition...
...where it's ACCURACY is NEARLY PERFECT ENOUGH...
...to be considered FACTUAL, and facts don't care about your feelings.

factual (ADJ.: concerned with what is ACTUALLY the case, rather than (interpretations/reactions) to it.

NOW, you have a CONSISTENTLY, FLAWLESS, PERFECT SCIENTIFIC TOOL, to measure the STUPIDITY of ANY person.
No matter who that person is, either.
Could be LITERALLY ANY LIVING PERSON, or even a NO LONGER LIVING PERSON, that (has/had) a name and body,
(understands/understood) AT LEAST (1) language, and was able to SAY SOMETHING THAT GOT RECORDED.
The part where you can either RECORD what that person says,
or access a RECORDING or OTHER record of what they SAID or wrote... IS FUCKING CRITICAL, ACTUALLY.

As for Timothy Krom Sr. looking like a fuckin' dumbass in this recording...? Here's where I AMPLIFY how
SCATHING my document will actually be to HIM, and OTHER PEOPLE...

I have a [much more well thought out theory] that I actually have EVIDENCE, to back up.
The POLICE don't collect evidence, based on my observations. Just HERESAY.
That's not being a good 1) policeman, 2) social worker, 3) doctor, 4) lawyer, 5) <insert profession>.
PEOPLE do this thing where they IGNORE THE EVIDENCE...? That means they're fuckin' stupid, nothing else.
And, the police do this CONSTANTLY. They don't ALL do it, but MOST OF THEM DEFINITELY DO.

Me : That's not what my evidence suggests. (My dad didn't owe these guys money for drugs. Period.)
Tim : I'm just tellin' ya. (- Tell me whatever ya fuckin' want dude, my dad predicted this 2 weeks in advance.)

^ ...with no evidence to prove your point at all, which means you have met the condition where you DESERVE
to be CALLED OUT, INSULTED, and HUMILIATED. In EXTREME cases, (like JEFF TRUESELL) VIOLENTLY ATTACKED.

Me : I don't think that's what happened.
Tim : Cause otherwise, it wouldn't have happened (- FALLACY ALERT)

This dude has raised NICHOLAS, JESSICA, and TIMOTHY JR. with this SAME retarded, fallacious, broken logic.
NICHOLAS SICKO (his own stepson) used to say all the time, SCREEN DOOR ON A SUBMARINE... which means it's
a fuckin' moronic statement or idea that makes no sense. Cause, the submarine is gonna take on water until
it is literally sunken into the fuckin' ocean killing everybody on board.

TOO MANY PEOPLE THINK THIS WAY → IT IS INCREDIBLY DANGEROUS → IT ACTUALLY GETS INNOCENT PEOPLE KILLED

FALLACIOUS (LOGIC/STATEMENTS) WORK THE SAME EXACT MANNER, and guys like MICHAEL ZURLO, and DWAYNE COONRADT
think this way TOO. MOST PEOPLE IN SOCIETY DO THIS, WHICH IS WHY SO MANY PEOPLE ARE MORONS. JUMPING TO
CONCLUSIONS without EVIDENCE or CORROBORATION, is a great way to prove how worthless you are to society.
CONSISTENTLY TOO, by the way. (- That's not JUST an opinion, it's ALSO a FACT)

As for NICK...? That's how his DAD taught him LOGIC.
"Otherwise, it wouldn't have happened." = SCREEN DOOR ON A SUBMARINE | both pretty IGNORANT and FALSE
However, I know that NICK had some issues with his STEPFATHER, TIM KROM, and constantly vented about him.

[There are plenty of other potential reasons, but people don't typically consider BOXES FULL OF EVIDENCE.]
Intelligent people will consider the notion that there are [OTHER POSSIBILITIES].

I said the words TANSKI, HOFFMAN, BANK, and FRAUD... ..committed by...? BRUCE TANSKI/JOHN HOFFMAN.
A couple of the shadiest fuckin' trollmeisters that ever lived... on BOTH sides of the Mississippi river.
Nothin' but some straight-up, tricked-out, top-deck trollmeister salad. Nothing anybody can do about it, either.

Though I'm not entirely sure exactly WHERE or HOW these two fit in...?
My AUNT TERRI COOK, and JOHN PICKETT. RYAN WARD, my cousin, ALSO fits into this somehow.

"THEY" ALSO KILLED SOME OTHER DUDE NAMED SANTA "SAMMY" CASSARO... though, that'll confuse some people.
FRANCINE VERO has some ASSOCIATION to SANTA SAMMY CASSARO as well as COMPUTER ANSWERS/PRECISION PERIODONTICS. WHOA.
Cause she was the judge that thought it's PERFECTLY FINE, if a DENTIST OFFICE is VIOLATING HIPAA.
And, my aunt Nancy (who works for a health insurance agency) was WICKED COOL with that, too...

When I say the word "THEY", "THEY" are the WRONG PEOPLE that TIM KROM SR. suggested that my father got involved with. The WRONG PEOPLE, are... a big ugly group of MAFIOSOS, communist MAFIA buddies from RUSSIA. OooOooHhhhHh.

THEY TRIED TO FUCKIN KILL ME TOO, way back on 05/25/20 -> 05/26/20.
I SHOWED NYS TROOPER LEAVEY THE VIDEO I RECORDED OF THESE (2) FUCKIN SAUSAGE WRECKERS USING (PEGASUS/PHANTOM)

MAYBE I'M the asshole who failed to detect the moment where TIM KROM SR. just rose to such a HIGH LEVEL of ROYALTY.
NOW, I gotta sing 20 holy marys, kiss the dude's feet, and worship the ground he walks on.
Cause. Dude just flat out told me who's who, and what's what.

I've got a WAY BETTER IDEA...
Suck a fuckin' dick, bro. Sorry if you're my friend's dad, and he winds up getting pissed at me for writing this...
Cause I'm sure he'll be pretty fuckin' pissed off.
But, I think he'll see the sense in looking at THIS DOCUMENT, as well as MY BOOK, and my STORY that I've been telling everybody, WHILE being ignored, and nearly killed a half dozen times... he might actually start to punch some people in the face FOR me. I don't know though, maybe not~!

If I had to PLACE BETS...? I'm pretty sure my friend is gonna forgive me at some point.
I'm gonna level with everybody just what EXACTLY, these guys (BRUCE TANSKI/JOHN HOFFMAN) DO with EACH OTHER.
Sometimes, they'll pound each other out in the buttohole.

THESE (2) dudes...? Persistent 69 position, OR, they'll be RUTHLESS in terms of (MUTUAL BUTT POUNDAGE)

SARATOGA COUNTY SHERIFF MICHAEL ZURLO -> probably molested his son PAUL ZURLO (NON-MUTUAL BUTT POUNDAGE)
But, look- I don't know these things.
See how much of an ASSHOLE I probably come across for FABRICATING SHIT OUT OF THIN AIR LIKE THAT...?
Well, I'll hold myself accountable for calling some dudes with fat stacks of cash, a couple of meat whistlers.
Sausage wreckers.

[HYPOTHETICALLY] IF you ever have that fuckin condescending tone with me ever again...?
I MIGHT [HYPOTHETICALLY] KICK YOUR FUCKIN' DOOR IN, AND [HYPOTHETICALLY] BREAK YOUR FUCKIN LEG.
I say the word [HYPOTHETICALLY] because this might make you [HYPOTHETICALLY] shit your fuckin' pants like BOB LUTZ, when he told ELON MUSK to "SHOW US MORTALS HOW TO RUN A CAR COMPANY".

Yeah, there's a reason why I'm using this tone in this letter.
Listen to the recording again and listen for the TONE OF (PREJUDICE/DISCRIMINATION) being APPLIED to:
MICHAEL C. COOK SR.

[FIRST], you insult my dad w [1 theory that you have prob. told ALL OF THE PEOPLE YOU KNOW, w/ NO EVIDENCE].
[THEN] you state: "OTHERWISE IT WOULDN'T HAVE HAPPENED" (<- FALLACY ALERT = SCREEN DOOR on a SUBMARINE)
[THEN] flat out deny TANSKI and HOFFMANS involvement...?

I'm not sure you understand... you're really pressing your fuckin' luck dude.
Been your neighbor for 35+ years.
The WAY you spoke to me says you probably need some sense knocked into you.

Not unlike how my stepfather needed some knocked into him when he laughed about all this shit happening to me.
Then him and my mother were wicked helpful when my neighbor BILL MOAK tried to hit me with his fuckin baseball bat, and then CPS filed a case against ME, instead of the police like, arresting BILL MOAK.

...for being a deceitful cuntrag. "NOT NO MORE YA DON'T~!" -> that single comment right there says:

| People are cool with the idea of TRUSTING HERESAY that MORONS PROVIDE with NO FUCKING EVIDENCE |

Perfectly legitimate reason to kick the shit out of you, dude.
I'm gonna make myself perfectly clear, however...
I have no intention or desire to do that.

I just get pretty irritated with the WAY that PEOPLE like to TREAT ME, because it SAYS that SOMEONE needs to CATCH a real fuckin swift kick to the nutsack, no warning whatsoever. Just, foot...? Nutsack.

Overview (2)

Correlations

Maybe people LIKE the idea, of being hunted by these [SERIAL KILLERS] that used ADVANCED CIA TOOLS...
...to DISRUPT MY BUSINESS, or KILL PEOPLE THAT GO MISSING. Ya know...?

Imagine if you would... that I knew someone was WATCHING ME and INTERACTING with me on my APPLE iPhone 8+, for over 2+ years. Who would YOU fuckin' go to, if YOU were MORE QUALIFIED than ANYBODY at the nearest Apple store, at fixing iPhones...? cause, I fuckin' am. Here's a link to a video of me working for ASURION...

| 04/2018 | Apple iPhone 7+ repair - <https://youtu.be/i3qn1CZ-5WM> |

What I find most perplexing is that I have videos of me doing all this shit.
But, MAYBE I'M THE ASSHOLE HERE...

MAYBE, it's totally legal if someone:

- 1) tried to murder me
- 2) got caught and recorded on video
- 3) destroyed the evidence that I had ALREADY SHOWN TO TROOPER LEAVEY

MAYBE, destroying evidence and failing to collect it for a CASE FILE...?
OBVIOUSLY legal, OTHERWISE IT WOULDN'T HAVE HAPPENED. (+ Do you understand how dumb that sounds?)

What's NOT legal...? ME, calling 911 TWICE, 90 minutes before being in SCOTT SCHELLINGS CUSTODY outside of ZAPPONE.
Yeah, bro. That shit was illegal.

ME, CALLING 911, was considered a fucking PUNISHABLE OFFENSE BY THIS COCKSUCKER AT SCSO.
NOT ONLY WAS THE ATTEMPT ON MY LIFE, [PREMEDITATED]...?

WELL... THAT BOTCHED [PREMEDITATED] MURDER ATTEMPT CAUSED ME TO UNDERSTAND FOR FUCKING CERTAIN, that my father's death...? IT WAS A PREMEDITATED MURDER THAT ANY COMBINATION OF THESE PEOPLE...

1) TANKSI, 2) HOFFMAN, 3) MY AUNT TERRI COOK, 4) HER SON RYAN WARD, 5) JOHN PICKETT...

fuckin TOTALLY CONSPIRED TO COMMIT... So.

The problem is, how do I convey that to OTHER PEOPLE in a way where they TAKE ME SERIOUSLY...?

It's impossible.

Nobody gives a shit if all that is true.

You can really tell that people just don't give a shit of something sinister is ACTUALLY TRUE, when they don't SAY ANYTHING... or maybe they'll ask questions FACETIOUSLY...

Well, you SHOULD care, dipshit.

Because I know [A LOT <MORE> THAN <YOU> (THINK/DO)].

That's [VERY CRITICAL*], and [HERE'S WHY*]...

KeyCorp

Overview (2)

I worked in the ENTERPRISE RESOLUTION CENTER under DANA BRANDOW and KAREN FOX, at:

| KeyCorp | 17 CORPORATE WOODS BLVD, ALBANY NY |

...cause I am an [ACTUAL EXPERT]. Not some false, made-up, self proclaimed version of an expert, like DWAYNE COONRADT,
or PAVEL ZAICHENKO from COMPUTER ANSWERS. They're not EXPERTS, they're MORONS. They don't even have CERTIFICATIONS from MICROSOFT or COMPTIA. I DO.

When I worked at KEYCORP, I had ADMINISTRATIVE ACCESS to essentially (MOST/NEARLY ALL) terminals in the entire company.

10K+ terminals, I believe, not including VIRTUAL MACHINES for the people in MANILLA or the DISTRIBUTED WORKFORCE.

That FACT ALONE [AUTOMATICALLY] means that [I <MAY> have <MORE> (USEFUL/USABLE) INFORMATION THAN]:

100% of the people on planet Earth...

...WHO NEVER AT <ANY> POINT WHATSOEVER, <WORKED AT KEYCORP> or <WORKED AT FIRST NIAGRA>.

Did MICHAEL ZURLO ever work at KeyCorp...?

What about BRUCE FUCKIN' TANSKI...?

What about ERIC CATRICALA, the fuckin' NYS ASSEMBLYMAN who has a FUNERAL HOME DIRECTLY ACROSS THE STREET FROM COMPUTER ANSWERS...?

What about JOHN HOFFMAN whose RELATIONSHIP MANAGER at the WOLF RD BRANCH I SERVICED, DURING THE FNFG MERGER...?

This program called KEYCOUNSELOR, is a program that CONSTANTLY CRASHED ALL THE TIME, which used access to HOGAN.
I'm not certain if the terms are INTERCHANGEABLE.

Have ANY OF THESE FUCKS EVER worked at KeyCorp, SERVICING THE BANK TELLERS AND BRANCH MANAGERS...?

No...?

ALRIGHT. Then ALL OF THESE PEOPLE SHOULD SHUT THE FUCK UP, AND STEP ASIDE.

That would include TIMOTHY KROM SR.

I can tell you WHO ON THIS LIST OF SUSPECTS MIGHT'VE HAD THE SAME LEVEL OF ACCESS I DID...

NFRASTRUCTURE, ANY NFRASTRUCTURE EMPLOYEE, and the PICKETT BROTHERS.

Ohhhhhhhhhhh, so I KNOW WHAT I'M TALKING ABOUT, DON'T I...?

I BELIEVE THAT CERBERUS, (they're fuckin QUEERS from RUSSIA that like to ATTACK FINANCIAL INSTITUTIONS and they are basically HAND-IN-HAND, MARRIED to a group of hackers known as APT29. That's cause they're all VERY GAY.)

I believe that CERBERUS ATTACKED KEYCORP during the FIRST NIAGRA MERGER, with an ENDPOINT ENCRYPTION VIRUS DEFINITION

that had an INVALID VIRUS DEFINITION which FORCED ALL OF THE COMPUTERS IN THE COMPANY TO REQUIRE AN IMMEDIATE FUCKING REBOOT. Wanna know how many KEYCORP employees have ever even HEARD of CERBERUS or APT29...?

Probably like (5) in a company of over 20K people.

(4) of those people are probably ASSOCIATED with CERBERUS.

So there's maybe like (1) guy that knows, and IS NOT ASSOCIATED WITH CERBERUS or any of the fucks I listed up above.

So when I suggest that I might have more information than most people on the planet about how HACKERS like CERBERUS and APT29 get down...? WELL, my input is INCREDIBLY IMPORTANT AND VALUABLE to a certain profile of people, called:

| INVESTIGATORS |

Shockingly, that would ALSO include ANY BANKING REPRESENTATIVE from ANY OTHER BANK.

Or, any of the police officers in the NYSP, SCSO, and even a FAIR AMOUNT OF THE ONES AT THE FBI.

Cool...? Cool. I sorta know what the fuck I'm talking about.

This #1 thing right here is SUPER CRITICAL, because it means...

| I KNOW MORE ABOUT KEYCORP THAN 95% OF PEOPLE IN THE WORLD | which is HELPFUL if I think SUSPECT... |

...that these incredibly important individuals whose SOCIAL STATUS is SOOOOOO HIGHLY VALUED, and their REPUTATION is SO IMMACULATE, PERFECT IN NEARLY EVERY POSSIBLE WAY... are COMMITTING [BANK FRAUD*].

BANK FRAUD is what my mothers friend ANNIE MADDEN and her husband KYLE MADDEN like, worked at KEYCORP for YEARS, in the FRAUD DEPARTMENT, are supposed to like, DETECT, and then TAKE PROACTIVE MEASURES AND STEPS to MITIGATE or even REPORT. BUT- if the people who WORK AT THE BANK are basically SWAPPING MONEY INTO AN ACCOUNT at the SAME TIME AS IT IS TAKEN OUT OF THE ACCOUNT...? IT CAUSES THE ACCOUNT TO BE FLAGGED WITH FRAUDULENT ACTIVITY.

So PAUL AMATO, and NIKOLA DINOVA. Flagged for FRAUDULENT ACTIVITY. Ohhhhhhhhhhh... that's why I'm grilling TANSKI.

FRAUD not even suspected at all. So, they can do no wrong. THAT MEANS, THEY CAN:

- DRESS WITH CLOTHES THAT COST NEARLY MILLIONS OF DOLLARS

- PERFORM JOBS FOR STATE CONTRACTS

- DO SOME COIN MAGIC AND NOT KNOW WHO ERIC MEAD IS

- BRIBE SOME STUPID BITCH LIKE LAURA HUGHES

- SUCK ASS AT GOLF

...all while using:

| KEY BANK, 1701 US-9, CLIFTON PARK, NY 12065, as their CENTRAL BATCAVE OF FRAUDULENT OPERATIONS |

...to COMMIT: EXTORTION, RACKETEERING, FRAUD, EMBEZZLEMENT, AND other shit.

Known victims...?

NICHOLAS DINOVA, PAUL AMATO, basically everybody that BRUCE TANSKI has ever asked for a POLITICAL CONTRIBUTION, or FUNDS TO BUILD KINGS ISLE.

I mean, these KNOWN FACTOIDS are things that TIMOTHY KROM probably doesn't FUCKIN' KNOW, DOES HE...?

^ That right there is pretty fuckin' important, cause I'll know some SPECIFIC shit, such as:

| [ENDPOINT ENCRYPTION GUID FAILURE] THAT FORCED 100% of the devices throughout the entire company at some point between 06/16-10/16, because the VIRUS DEFINITIONS CAUGHT AN ERROR which was fuckin' TOTALLY RELATED to SYSTEM CENTER CONFIGURATION MANAGER, made by...

| MICHAEL T. NEIHAUS - Microsoft - CYBERCOMMANDO/VICE PRESIDENT OF MARKETING |

I'll talk about Cybercommando Niehaus shortly, but here's where I have to INCLUDE the PICKETT BROTHERS in this FIASCO.

There's a CORRELATION between my FATHER, MICHAEL EDWARD COOK, and JESSE PICKETT, which can be seen, right fuckin' here, TIMOTHY KROM SR.

| 07/21/89 | Dr. Kite / 785-3221 Jesse Pickett | <https://drive.google.com/file/d/1y05kPm-CjVIALi6r8CNPMLIRnXvMtPpD> |

Here's another little tidbit of information...

NFRASTRUCTURE, was FOUNDED about 3+ years AFTER this fuckin CORRELATION was WILLED INTO EXISTENCE by my DEAD FATHERS' HANDWRITING IN 1989.

Cool...? Alright, fuckface. Check this shit out.
NFRASTRUCTURE was my FIRST EMPLOYER after I successfully completed the CERTIFICATION PROCESS for my:

| MICROSOFT CERTIFIED PROFESSIONAL | examinations in 2010.

So when I TELL people I'm an actual PROFESSIONAL...? I have a CERTIFICATION from fucking MICROSOFT as well as a couple from CompTIA, and I've even studied for the Cisco certifications too. Do I have ALL of the certificates I'd need to call myself an OFFICIAL SECURITY ENGINEER...? Well, no. Shockingly, I can STILL show people that I'm an EXPERT at what I do, and OUTPERFORM MANY OF THE PEOPLE THAT HAVE THOSE CERTIFICATES. Is that PERFECTLY CLEAR...? OK, good.

NFRASTRUCTURE installed the CISCO CATALYST SWITCHES at EACH AND EVERY SINGLE FIRST NIAGRA BRANCH during the FNFG → KEYCORP merger in 2016. That basically means that NFRASTRUCTURE had some type of INVOLVEMENT... with an ATTACK that LOOKED LIKE AN ENDPOINT ENCRYPTION GUID FAILURE.

I am NOT PRIVY TO ALL OF THOSE DETAILS, however...? Uh, I spoke with my cousin THOMAS COOK WAY back in DECEMBER 2018, when I was STILL DOING WORK WITH COMPUTER ANSWERS...

Cybercommando Niehaus /

/ Overview (2)

I don't know a whole lot about the man, the myth, the legend, over at Microsoft...
But, his name is Michael Niehaus, and... the dude created System Center Configuration Manager with a team of smart bastards.

^ This dude LITERALLY hand-crafted:

- 1) the BUSINESS DESKTOP DEPLOYMENT tool - deploys an installation of Windows over a network
- 2) the MICROSOFT DEPLOYMENT TOOLKIT - same thing, but adds many well-placed kicks to PROBLEMS
- 3) SYSTEM CENTER CONFIGURATION MANAGER - one of the most powerful programs on the planet...
- 4) so many other things I can't pause and research at the moment, I think InTune, Auto-Pilot, etc.

Simply put, this dude knows his way around a fuckin' keyboard, and a LOT more than that.
Dude is highly skilled at:

| ENGINEERING SOFTWARE | LOGIC CONSTRUCTION | PROBLEM SOLVING | BEING TAKEN SERIOUSLY | MARKETING |

...and he's the guy whose work I was LITERALLY STUDYING with MY OWN EYEBALLS...
...to learn how to program with PowerShell.

| 01/25/19 | Computer Answers - MDT | <https://youtu.be/5Cyp3pqIMRs> |

This (1) dude, [MICHAEL T. NEIHAUS] alone, has taught me MORE about a LOT of shit, than:

| DWAYNE COONRADT | PAVEL ZAICHENKO | MATT CALDWELL | JOHN/DAN/JESSE PICKETT | THOMAS COOK uncle |

...simply put, the reason for THAT is because, NEIHAUS ALWAYS KNOWS WHAT HE'S (SAYING/DOING)...
...he's NOT like my uncle who worked his entire life...
...owned a 5 story building (46 State Street)...
...and lost it to the KGB...
...cause he didn't listen to a fuckin' word my father said to him about my aunt Terri...
...and kept believing my dad was PSYCHOTIC, rather than BEING A LOT MORE INTELLIGENT/OBSERVANT.

| I'll talk about my uncle Thomas, my father, and my aunt Terri, shortly. |

As for MICHAEL T. NEIHAUS, he is not fucking ignorant at all.
The man will literally read some of my writing, OR, do the fucking work at Microsoft HIMSELF...
...cause this dude took a page right out of the biography of (2) well known awesome sons of bitches...

| WILLIAM 'KEYBOARD DESTROYER' GATES | PAUL 'ZERO IS THE FIRST NUMBER' ALLEN |

These (2) dudes alone had a strategy that was so brilliant...?
They literally made a lot of rich bastards that saw them as a fuckin' joke...
...look like a bunch of fuckin' fools, bankrupting a lot of em too.
And, it ALL started with an Altair 8800 until it BECAME an empire that they created.
"Riches for everybody. Fuck it." -(Gates+Allen)

...or so they THOUGHT...
That'll be a book in and of itself, (2) dudes who changed the fuckin' world.

Michael T. Neihaus, literally learned some shit from these dudes, and then built SCCM.
So, hope I did a good enough job describing how these guys SPECIFICALLY see me as 'on their level'.
It's not the well-written code that I haven't written yet, that causes them to concur with my assessment... Nah.
It's some other unspecified reason, as well as the well-written code that I HAVE already written, and work I've done.
That's what they see as an INTERESTING PROSPECT.

I'm going to lay down some ideas and skits that sorta fall in line with HUMOR, and INTERESTING STORIES...
Are these INTERESTING STORIES ACCURATE...? Well, no. They're SOMEWHAT ACCURATE...? But, calling something that's
SOMEWHAT ACCURATE as a matter of FACT, is NOT what smart people do. Nah, DUMBASSES DO THAT.

SMART PEOPLE may just CASUALLY state these things, like I do...? cause they're INTERESTING.
BUT- they can stand to state out loud "This is a somewhat fictional story here."

Unfortunately, the NEW YORK STATE POLICE and the SARATOGA COUNTY SHERIFFS OFFICE don't know how to do this.

Anyway, order of relevance.
Why did MICROSOFT or Mr. Niehaus see me as an interesting prospect...?

Because they have seen how AWARE OF MY SURROUNDINGS I HAPPEN TO BE...
They have examined my code, they have seen me literally sitting at the terminal for hours on end, day after day,
pounding away at the keyboard, building something that can really only exist in the FUTURE, because it hasn't been
MADE YET...

And if I happen to say something like the KGB was watching me at any point in time...?
THEY'RE REALLY THE ONLY PEOPLE ON PLANET EARTH THAT WILL TAKE THAT SHIT SERIOUSLY.

I mean I'm probably being pretty obtuse by saying that, but I can tell the dipshits at SCSO like I did here...

| 03/01/22 | SCSO being stupid (again) | <https://drive.google.com/file/d/1BNfF9vWjG4vBI0-8oXmIw6aLeNvFRjRL> |

...and they'll IGNORE ALL THE SHIT I SAID, and DRAG ME TO THE HOSPITAL...
...because they'll TAKE SHIT I SAY OUT OF CONTEXT.

Here's who WON'T take that shit seriously...

My uncle, Thomas Cook

My uncle Thomas Cook, lost his 5-story building in downtown Albany, NY, to: the KGB.
squinting ...wanna know HOW I know that...?

The dude who used to rent his 5th floor, was a guy from MOTHER RUSSIA, and WORKED WITH PAVEL ZAICHENKO SR.
PAVEL ZAICHENKO SR. is FROM RUSSIA, used to be in the SOVIET ARMY, and I believe he was ALSO involved with
the KGB.

I serviced MR. ZAICHENKO SR. back in NOVEMBER of 2018. At his office on STATE STREET, in SCHENECTADY NY.

I found a TROJAN ON HIS NETWORK INSTALLED AS A PRINTER DRIVER.
The TROJAN was COLLECTING ALL OF THIS DUDES DATA, and ALLOWING THE NETWORK ADMINISTRATOR or WHOEVER, to:

| COMMIT IDENTITY THEFT | ESPIONAGE | STEAL HIS PASSWORDS AND LOGINS |

A guy by the name of GAVIN was SUPPOSED to be helpin' this dude out, but he left the FIRST CHARACTER of the
fucking PASSWORD for the UBIQUITY SECURITY GATEWAY OFF OF THE FUCKING PRINTOUT. Weird. Almost like there's a
lazy cocksucker named GAVIN that MIGHT'VE OVERLOOKED THE FUCKING TROJAN, AS WELL AS PAVEL ZAICHENKO JR.

A guy who owns COMPUTER ANSWERS allowing his FATHER to be the TARGET of ESPIONAGE and CYBERCRIMINAL ACTIVITY...
...means that you're a fuckin' lazy douchebag. That's all it means.

The same sorta goes for my UNCLE THOMAS COOK when I am ABSOLUTELY FUCKING CERTAIN, that my FATHER, tried to TELL
HIM that the KGB was WATCHING HIM and my FATHER, and that TERRI WAS SOMEHOW INVOLVED.

COOL...? Cool.

Yeah, when I say it like THAT...?
I really don't fuckin' care if he's insulted at all.
He can go suck a fuckin' dick for all I care if he IS insulted, cause if I ask him for HELP...?
He'll probably see me treading water in the ocean, toss me a fuckin' BRICK, and say "There ya go, helped ya."

I don't TRULY think that my uncle is a MORON...?
I think that he just TRUSTS THE WRONG PEOPLE, and when the RIGHT PEOPLE say "YOU SHOULDN'T TRUST THOSE PEOPLE..."
My uncle will do the SAME FUCKING THING that my AUNT NANCY SMITH will do...

"Well, fuck you dude. You have no idea what you're talking about. That person would NEVER do that shit to me."
Yeah, they would (if you're a moron). Lying to people is PRETTY EASY for CERTAIN PEOPLE TO DO.

Look at the fuckin' dude CARL who used to be my AUNT NANCY and CINDY's neighbor in WATERVLIET.
He was caught ON A FUCKIN LADDER, recording a fucking VIDEO of his DAUGHTER TAKING A SHOWER.

"Ah man, well, I trusted THAT DUDE up until I found out that he was doing some REALLY SHADY SHIT."
(^ That's how being a moron works.)
However, people can't KNOW who the wrong people to TRUST really are, UNLESS...
...they're INTELLIGENT ENOUGH to pick up on PATTERNS OF BEHAVIOR, or are ABLE to DETECT when PEOPLE LIE.

Maybe I'm wrong about that, BUT- what I know for CERTAIN, is that my aunt Terri caused my FATHER, to feel this thing called RED ALERT, every time he was around her. I still remember my UNCLE THOMAS coming to my house and bringing an ENTERTAINMENT 1994 book to my house, where my father and my uncle Thomas spoke for what I believe, was the last time before he was killed.

Usually MORONS will CONSISTENTLY CONFUSE a [GENIUS] with a [PSYCHO].
Yeah, that phenomenon is incredible.
Cause whether you're NICE to people, they will assume that you're wrong when a theory doesn't click.

It does not give me any PLEASURE to be THAT fucking mean to somebody...
...but sometimes I realize I most definitely have to do that, otherwise I won't be taken seriously.

Some people are so helpless...
...that INTELLECT and INSANITY appear to be VIRTUALLY INDISTINGUISHABLE to them.
My aunt Terri, is one of those people.
My uncle is NO IDIOT, nor is my cousin THOMAS COOK, they're both incredibly intelligent bastards.

It is the reason WHY these people attempted to MURDER ME, on 05/26/20.
Even though I sorta described all this shit to my cousin way back around Christmas in 2018...? MAYBE, he thinks I'm just insane now...
Cause that's PROBABLY what some highly respected cuntrags keep tellin' him.

One day...?
His cousin is literally placing the proverbial gauntlet down...
...and dueling his ass in a game of Magic the Gathering.

<Same end result either way>

So, now...?
I'm fuckin, gone bro.
Went completely insane.
Nobody even knows HOW it happened.

Nah, I'm just kidding, I never went insane, nor did I truly lose my mind...
I just kept SAYING SHIT TO MANIPULATE THESE COCKSUCKERS THAT WERE WATCHING ME ON MY DEVICE AND THROUGH MY SOCIAL MEDIA ACCOUNTS, AND... that would include the police, investigators, sheriffs, a lot of other people that are IN on this fucking SCAM...

I have a pretty phenomenal grasp on how THIS SPECIFIC SITUATION is...
...DIRECTLY RELATED TO JULIEN ASSANGE AND EDWARD SNOWDEN.

I was MANIPULATING THESE COCKSUCKERS THAT HAVE BEEN ABUSING DEADLY TOOLS SUCH AS PEGASUS/PHANTOM, AND ONE OF THOSE PEOPLE IS MARK ZUCKERBERG, but also, TANSKI, HOFFMAN, ZURLO, PICKETT, CATRICALA...
...as well as thousands of others.

But, saying shit like this is BOUND TO PISS SOME PEOPLE OFF BECAUSE THEY'RE NOWHERE EVEN REMOTELY AS INTELLIGENT AND FAIL TO UNDERSTAND THE CORRELATIONS I'VE MADE, AND DON'T KNOW HOW TO REVIEW ALL THE EVIDENCE I'VE COLLECTED.

My aunt NANCY SMITH, is ONE OF THOSE PEOPLE.

My father was ALSO this intelligent, had a NEARLY PERFECT SCORE ON HIS ASVABS, until one day...?
Some CUNT on a MOTORCYCLE just 'accidentally' RAN HIS ASS OVER, cause it was an ATTEMPTED MURDER.
Like a, PREMEDITATED ONE, not an ACCIDENTAL one, either.

Cause, check this out... I found some of these things called "CLUES" in an actual BOX full of STUFF, and in that box of STUFF... is MR. PICKETTS WORST FUCKING NIGHTMARE.

It is the reason WHY dad was EXECUTED by a MERCENARY, APPEARING to be a 'foiled robbery'...
Because, that's how GULLIBLE most people are. Nobody thinks about the details being related to...?
...ADDITIONAL CRIMINAL ACTIVITIES that have the LOOK and FEEL, of SOMEHOW being CONNECTED...
...which REQUIRES someone who's very OBSERVANT and ATTENTIVE to make ADDITIONAL OBSERVATIONS...
...then, those OBSERVATIONS cause that intelligent person to CONSTANTLY REASSESS the CRIME SCENE...
...THEN the BETTER THEORIES begin to SHOW UP...
...where that extremely intelligent person starts to BETTER "CONNECT THE DOTS"...
...which is the REASON I BECAME A DRUG ADDICT...
...because I thought that the EXPERTS had it FIGURED OUT THE CORRECT WAY...
...and I was TOLD that I was INSANE to think the things that I DID my WHOLE LIFE...
...but then I got OFF of those DRUGS...
...and then I STARTED my COMPANY, SECURE DIGITS PLUS LLC in OCTOBER 2018...
...almost as if, it was like, DESTINY, for me to, BECOME A BETTER LAW MAN THAN ACTUAL LAW MEN...
...which REQUIRED HAVING TO BE A FUCKING MISERABLE PRICK FOR A SPECIFIC FUCKING REASON...
...cause I'm trying to protect OTHER people...
...they successfully MURDERED my FATHER...
...they successfully made my life a LIVING FUCKING HELL...
...they successfully VICTIMIZED MY ENTIRE FAMILY and they DONT even KNOW IT...
...they held MEGHAN ALEXANDER AT GUNPOINT, and ROBBED MY COUSIN THOMAS...
...and they used CVE-2019-8936 on JANUARY 15th, 2019 at 1602 ROUTE 9, CLIFTON PARK, NY...
...that's the ADDRESS for COMPUTER ANSWERS.

I don't OPERATE ON MY ASSUMPTIONS, nor do I...
...JUDGE THE ACCURACY/TRUSTWORTHINESS by their REPUTATION, PERSONALITY, or APPEARANCE.
Shockingly...? Too many morons like TIM KROM SR...?
They do just that.

THESE PEOPLE DO NOT UNDERSTAND... my fathers MURDER falls in a category called: [PREMEDITATED]
THAT is the REAL REASON why I call my own mother a cunt. SHE THINKS THAT IS INSANE.
Cause, my father told this stupid bitch... "I THINK I AM BEING HUNTED..."
And this <unspecified> that gave birth to me, literally told my father, "You're PSYCHOTIC."

She was too much of a fuckin' ignorant cuntrag THEN, to give a flying fuck, nor to actually listen to what he said. That's my mother, Fabienne Silvie Kivlen Cook. Her entire life, being this grade of the most oblivious cunts that ever roamed the face of the earth.

So when I WAS 10 YEARS OLD and my FATHER LITERALLY STATED THESE FOLLOWING WORDS...

/--_

MEC : If those niggers try to get me...?
I'm gonna put my foot to the floor, and take those niggers with me to hell.

/--

^ MICHAEL EDWARD COOK circa OCTOBER 13th, 1995

...then that must mean that my father who was CORRECT ABOUT THE 1) RACE, 2) INTENT, etc...
...you would have to be one of the most retarded people that ever roamed the planet, to not understand HOW or WHY that ACTUALLY MEANS THE CRIME WAS PREMEDITATED.

PREMEDITATED MEANS THAT THERE WAS A CONSPIRACY INVOLVING A LOT MORE PEOPLE, LIKE TERRI COOK.

CONSPIRACY INVOLVING A LOT MORE PEOPLE MEANS, NEW ROUNDS OF CRIMINAL TRIALS.
SINCE THERE IS NO STATUTE OF LIMITATIONS ON MURDER.

Overview (3) /

Timothy Krom Sr., does not seem even REMOTELY capable of being INVOLVED IN A MURDER THAT WAS PLANNED OUT AHEAD OF TIME... and the REASON THAT I KNOW THAT... is because if the DELAY/PAUSE in the AUDIO RECORDING.

A murder investigation that the ALBANY POLICE DEPARTMENT fuckin' failed to investigate CORRECTLY or THOROUGHLY, in 1995, which... COULD BE A KEY CLUE that went UNDETECTED for about *checks watch* almost 30 years, bro.

- 1) CLIFTON WILLIAMSON
- 2) TYRELL CRAWFORD
- 3) ZONTELL GORDON

TIM KROM knows that my father got involved with the WRONG people, but those WRONG PEOPLE happen to be a PART OF MY FAMILY... and stuff like that.

These people really love how fucking stupid everyone in this state/country really is.

Worthy Opponent / Overview (3)

When I say it like that...? They'll be like "Nah man. It isn't."
But, TIMOTHY KROM SR. VERY RELIABLY PROVES THAT OJ SIMPSON COULD CONVINCE HIM...
...to suck his dick for a million dollars.

1) get on his knees
2) start sucking

Now I'm a REAL ASSHOLE, because if he had the nerve to talk to me at some point...?
He might even chime in and say:

I've got plenty of fuckin' money, man.
I wouldn't suck OJ Simpson's dick for a million dollars.
That's... WELL below my pay-grade.

[illegible]

They really are POWERLESS over ME, so long as they're KEEPING UP APPEARANCES and whatnot...

...they'll never be able to handle me by themselves.

Some of them are females, and they really WANT me to demolish them in bed.
Or wherever, really.
So, MARK knows that having FEMALE hackers monitor me is a REALLY bad idea.

Gay guys, too, bad idea.
They all just, crumble.

Cause they start reading my material and they get REAL wet in the pants...

"Ugh, gotta go use the bathroom..."
THAT REALLY PISSES MARK OFF, TOO...

Then I know that typically it'll be some dude who had (mom/dad) pay for all his shit...
Like MARK ZUCKERBERG did. Fuckin' pisses em off too, but they can't actually control how easily
these things manipulate them. Almost like it provides 100% control over...
...every single one of their actions.

When talking about Shrodingers cat...? Everybody else is URANIUM 235... Not that rare.
Me...? These people know that I AM AN EXTREMELY RARE ISOTOPE of URANIUM U238.
They see me as "FINALLY. A FUCKING WORTHY OPPONENT HAS SHOWN UP."

Nearly everybody is just as fuckin' moronic, as TIMOTHY KROM SR. (← And the man is not THAT dumb.)

-----/ Worthy Opponent
Overview (4) /-----

Notice how 'foiled robbery gone wrong' sorta looks IDENTICAL to...
'real reason the trigger man was never named', at least until...
...you CONSIDER that MAYBE THE REAL REASON WHY NOBODY NAMED THE TRIGGER MAN...
...is mainly because it was 100% PREMEDITATED. Ah man. Oh nos.

I'm smarter than all of the people in my family*.
(Nah, someone else in my family is onto the truth, too. SHE... had a clue before I did.)

I don't have shit to show for my intelligence...?
Doesn't change the fact that I am 100% more gifted in terms of "being a genius".
If I come across as an asshole? I don't fuckin' care, dude. Fuck you for being offended, actually.

There's a [VERY SPECIFIC REASON THAT'S HIDDEN IN PLAIN SIGHT]...
My FATHER TOLD PEOPLE THAT HE KNEW IT WAS GOING TO HAPPEN, didn't have a fuckin' leg spasm at all.
Committed to slamming his god damn foot down and [FULFILLING HIS EXPECTATION].
It was an EXPECTATION which means that the MURDER WAS PREMEDITATED.
My father KNEW that even if he gave this dude his money...? He was gettin' shot. (← End of the conversation)

Not a fucking foiled robbery at all. It was a carefully crafted, [CONSPIRACY TO COMMIT MURDER]...
...by some cold hearted RUSSIAN BASED, KGB SONS OF BITCHES...
And, when I try to explain these things in bits and pieces, OTHER people tell my COUSIN a TOTALLY DIFFERENT
STORY (because they're demonic cocksuckers working OVERTIME to CONFUSE HIM).

So sometimes people are TOO DISTRACTED to know that a fuckin' GENIUS did the literal equivalent of telling
a joke where mentally challenged people don't understand the punchline, and so they just look CONFUSED.
Same exact thing, but- explain that ANALOGY in like 2 seconds MAXIMUM, for everyday people to understand.

The insult will finally kick some fucking sense into someone that should trust YOU over ANYONE ELSE.

So, it needs to be EXPLAINED. WHEN it is EXPLAINED, it BEGINS TO MAKE A LOT MORE SENSE...
But sometimes even with an EXPLANATION, it still doesn't "click".
(^ Why my father was killed, a summary of his entire life, as well as mine, actually)

-----/ Overview (4)
(GGI/Gay-Guy Involvement) /-----

I am FAIRLY CERTAIN, that JOHN HOFFMAN, BRUCE TANSKI, PICKETT BROTHERS/NFRASTRUCTURE, and some guys from the FBI
who never read the book: HOW TO DO YOUR JOB CORRECTLY... they're gonna take offense to the notion that they're
basically fucked, now.

Because in REFERENCE to the ENDPOINT ENCRYPTION VIRUS DEFINITIONS that caused KEYCORP to force a REBOOT of EVERY
TERMINAL in the ENTIRE ENTERPRISE...? Nobody probably investigated that at all.

Except MICROSOFT. They probably fuckin investigated that shit, and they probably kept it pinned in memory.
Because... smart bastards like Michael T. Niehaus developed SYSTEM CENTER CONFIGURAITON MANAGER to kick the shit
out of... problems.

Whoever was behind this ordeal, I'm fairly certain that THEY had JUST SUCCESSFULLY STOLEN a SHITLOAD OF MONEY from
KEYCORP, and nobody realized that's what just occurred... because it was EQUIVALENT TO BRUCE TANSKI having

From : 05/25/20 2343 → To : 05/26/20 0130

/ Jared Fogel

Bruce Tanski (1) /

/-----
Tanski was also in on that charade (and if he WASN'T, then it's just a fuckin' unlucky coincidence for him), because I spoke about BOTH OF THEM during my AUDIO RECORDINGS.

Yeah, someday, TIMOTHY KROM SR. will realize what a fuckin' tool he is, when I roast him...
...as well as Tanski and Hoffman.

They realized how fucked they were once I uploaded those (3) audio recordings to the internet.
If they HAD killed me...? They would still have wound up in prison.
They don't realize, a MUCH BIGGER FISH than EVEN MARK...
...is watching their every fuckin' move.

So, I really don't give a flying fuck if they FEEL like trying to kill me AGAIN...
...because they will be caught on video AGAIN. And, they fuckin' know this happened LAST time.

Even if I told them who that MUCH BIGGER FISH IS...?
And, they were dumb enough to ASK them...?

They're gonna lie right to their face, just like they lie to everybody else.
They're now in a position where they really stand to lose everything by even TRYING to call...
ANYTHING, whether I'm bluffing them, or I'm not.

It is a LOSE-LOSE SCENARIO.
SO, it stands to reason, that I need to call them a bunch of fuckin' <unspecified> over, and over.
And that for a guy who owns FAIRWAYS OF HALFMOON...?
BRUCE TANSKI FUCKIN' SUCKS ASS AT GOLF.

Most powerful men with a reputation to uphold...
They are going to be very fucking aggravated when I begin to AGGRESSIVELY MANIPULATE THEM EVEN MORE.

Because, someone was listening to me the whole time and believes me.
They're already pointing a rifle at them 24 hours a day, 7 days a week, 365 days a year...

But I suppose what's MORE RELEVANT, is that I'm also more intelligent than each of these fucks.
People like TIM KROM SR. will say stuff like:
"Well, if you have all of this EVIDENCE to put these guys away, why haven't you done that yet...?"

Well, moron... you would never win a game of 10 dimensional chess, if your life depended on it.
Most people wouldn't.

However, if my uncle or cousin ever come to terms with what I'm certain of...?
They would know the winning moves.

MY JOB, isn't to go turn evidence in.
Clearly, even if I make the most damning evidence...?
If MY NAME is attached to it in ANY WAY WHATSOEVER...?

It'll immediately get tossed in the garbage, except for a short list of people.

Which is why I know that even though I have (10+) videos that would probably allow SOMEONE to...
...slap some handcuffs around ZUCKERBERG's wrists...?

The question becomes, "How quickly would he bail himself out...?"
The answer is, that I have to write the most elaborate, well designed trap...
...an extremely manipulative, all-too-real, convincing illusion, that anyone has EVER conceived.

A black hole of INTERESTING DETAILS, the true nature of the illusion becoming a ruse within a ruse.

Just like Artemis Entreri the deadliest assassin in existence...
...going on many adventures with his buddy Jarlaxle, the most skilled mercenary known to man...

They both know about the RUSE within a RUSE, the unintelligible bluff...
In the Sellsword series, the deadliest assassin in existence was able to retrieve a sword of such unrivaled deadliness...?
The person HOLDING the sword could indeed, be vanquished for being a huge pussy.

BRUCE TANSKI falls into this category of people.

So, BRUCE TANSKI: The end of MEYER ROAD with queer stone pylons on both sides of his driveway...
Owns the TANSKI CORPORATION, 1 Cemetery Road. One of his EMPLOYEES, I believe was (1) of the kids that tried to attack me near CATRICALA FUNERAL HOME. Wears glasses, blonde hair. 6'-6'3".
But, I'm not certain that was the dude or not. I know that the (2) dudes are brothers,
...and Christina Czaikowski knows exactly who they are...
...and that she probably would never fuck EITHER ONE of them...
...and THEY don't know that I almost had a fuckin' chance with this broad till I pissed her off.

I was trying to make small talk at SUBWAY, like 100 feet from this queer's fuckin' office...
She was smiling at me when I got there, too. Then I asked her for a BLT, and I don't really get it,
...but she got like, wicked pissed off about it.

John : Oh wow.
That's...

[illegible]

The problem is that having respect for SOMEONE ELSE, instead of THAT PERSON, causes people to lower their GUARD, or to ACCENTUATE their ASSUMPTIONS.

07/12/22	2500 New Scotland Road/NY-85	https://youtu.be/FyZ08HPJExc
----------	------------------------------	---

The truth is, I haven't [INVALIDATED THAT SUSPICION ABOUT MY UNCLE RICK SMITH]. (I sorta have since I wrote this.)

Look. TANSKI lives right across the street from this useless fuck named ERIC SHNAKENBERG. Eric is a fuckin' tool if anyone every saw one.

The POINT of all these TANGENTS, is that IN ORDER TO EFFECTIVELY PERFORM LAW ENFORCEMENT...
...in a way where MICHAEL ZURLO, and DOZENS of OTHER PEOPLE IN THIS RING of CORRUPT ASSHOLES...
...WHO LITERALLY ASSIST these DEMONIC COCKSUCKERS COMMITTING INSURANCE/BANKING/TELECOM/CPS FRAUD...?

When they DO...? They're gonna be caught on video fucking each other in the ass.
Then they'll all GO TO PRISON, permanently.
Or, for no less than 10 years.

For instance:
MICHAEL ZURLO - SARATOGA COUNTY HEADMASTER SHERIFF
ERIC CATRICALA - NEW YORK STATE ASSEMBLYMAN
BRUCE TANSKI - TANSKI CORPORATION
JOHN HOFFMAN - USED TO OWN TURF MOBILE HOME PARK, STILL DOES MAINTENANCE
MAYBE CHUCK HOFFMAN if he's fuckin involved (HE PROBABLY FUCKIN' IS...) - OWNS OAK BROOK COMMONS

I don't think SUSAN HOFFMAN is doing ANYTHING REMOTELY SHADY AT ALL...
But- I know for fucking CERTAIN, that BRUCE TANSKI and CHUCK HOFFMAN have been doing some shit after all.

As far as I know, CHUCK HOFFMAN (has employed/employs) JAMES WILLIAMSON, and at one point JOHNNY ELLSWORTH. But EMPLOYEES aren't the people that are likely to GO TO PRISON for CONSPIRING to MURDER PEOPLE... ..since they're probably not even REMOTELY involved, and you can tell someone is INNOCENT ANYWAY, when they BLINDLY STICK UP FOR THE PERSON THEY WORK FOR.

However, uh, the list of people that will be going to prison...?

There are plenty of other people on that fuckin' list

JOHN PICKETT, most certainly fucking does.
He has not made this serial mistake of underestimating me, because...
...he has fuckin' SEEN how many MIRACLES I've performed, by myself.

Basically, thrown into impossible situations where there was 0% probability I would survive...
...but I had a royal flush. That royal flush saved my fuckin' life.

However, it ALSO revealed some douchebags behind a deadly tool that has remained:
a CLASSIFIED, TOP-SECRET PROJECT, that I TOLD TROOPER BORDEN ABOUT, on JUNE 18th, 2020...
...and somehow this <unspecified> from CPS STILL decided to write a letter of indication to have my children
taken away, and a long list of morons keep believing that...

"There are just too many things against you bro. There's NO FUCKING WAY, you're innocent."

Yes, there IS a way that I'm innocent...? And, that I'll fuckin win this god damn case.
When a bunch of people say "It seems like the entire world is against you."
...they really should consider the story "Room for one more", because...

...people will rationalize "There's NO WAY that YOU'RE RIGHT and EVERYONE ELSE IS WRONG."
Yeah, there is. Because that sounds like some SCREEN DOOR ON A SUBMARINE type of logic to me.

If anything, it makes my situation EXTREMELY FUCKING RARE.
Most people aren't intelligent enough to make the MANY correlations I've made, that's why it's RARE.
Most people don't bother collecting EVIDENCE, that SHOWCASES the fact that I'm correct.

That's why so many people are ALREADY TRAPPED, and they're going to prison with MICHAEL ZURLO.
It isn't an IF that happens, it's a WHEN that happens. As in... INEVITABLE.
As in... there's no fucking way out of it now.

I am INTENTIONALLY MANIPULATING THESE PEOPLE, to make additional careless mistakes so that they will be recorded
making those mistakes and then this process I've described, is the same thing as an FBI probe similar to the one
TANSKI found himself CHARGED FOR A SINGLE YEAR OF PROBATION.

01/31/18	https://www.timesunion.com/news/article/Tanski-named-as-co-conspirator-as-former-12541203.php
01/30/20	https://www.timesunion.com/news/article/Tanski-will-not-face-charges-as-business-partner-15016249.php

Cool. that's how stupid these people at the local FBI field office actually are, is that I have to SHOW people,
that THEY WORK WITH CORRUPT COCKSUCKERS THAT HAVE TO BE CAUGHT TOO. Otherwise, YOUR FBI PROBES are WORTHLESS.
They'll never actually catch the root of the problem. I'm not gonna cut ONE head off of the hydra.
Because (2) more will just grow right fucking back.

I'm chopping the entire fucking tree to collapse them all at the same exact time.
A perfectly timed event... where billions of dollars get seized, confiscated, and the largest ring
of criminal activity in the history of the United States of America, is effectively shut down
permanently. BRUCE TANSKI isn't the only cocksucker involved here. Nah.

-----/ Bruce Tanski (1) /-----
R.I.C.O. /-----

There are thousands of dudes just as GAY/LAME as BRUCE TANSKI, that don't mind getting drilled in the asshole for
huge stacks of cash. They love it just as much as Ted Cruz loves getting his ass blown up by Exxon Mobil.

That's cause... money can actually influence people to forget who they are, or WERE.
So, if they USED to like having sex with girls...? For a nominal fee, they'll switch it to GUYS.
INSTEAD of putting THEIR dick in a GIRL...?
They'll actually TURN AROUND, and then ALLOW SOME OTHER DUDE to STUFF THEIR DICK, in HIS ASS instead.
Or, his mouth.
Sometimes both, like ATM.

JOHN HOFFMAN is the most loyal bitch boy that ever lived, and Bruce doesn't mind telling him to shut the fuck
up, do what he says or else. JOHN HOFFMAN says "You got it babe."
Tanski will say "STOP FUCKIN' CALLIN' ME BABE, YA FUCKIN' QUEER."
...almost EXACTLY like how RUPERT MURDOCH says that SAME EXACT PHRASE, to SEAN HANNITY.

SEAN HANNITY, sucks RUPERT MURDOCH's dick, every god damn day.
RUPERT MURDOCH isn't even gay, but he likes to remind SEAN HANNITY what a useful little cuntrag he is.
Does what he's told to do.
Very obedient.
Doesn't question his instructions, he is exactly like a dependable bottom-bitch that a pimp would have.

BRUCE, does that same shit to JOHN HOFFMAN.
BRUCE, probably doesn't even ALLOW his asshole to get invaded by ANYBODY...
Not unless he has to come up with some excuse to skip out on a game of golf with the boys at his golf club.
THEN, he'll tolerate it.

He's basically the top of the local food chain, and he isn't even gay.
He just COMMITS A LOT OF FRAUDULENT ACTIVITY THAT ZURLO ASSISTS WITH.

Just like how GOLDSTEIN will PRINT OFF ADDITIONAL COPIES OF THE POLICE VEHICLES...?
They will OCCASIONALLY print off a BRAND NEW, NEVER BEEN REGISTERED WITH A SINGLE POLICE STATION...
...fake-ass cop car. REAL COP might be driving it. Might LOOK EXACTLY registered, usable cop car...?

But, it isn't a real cop at all. Nah. It's an UNLISTED cop, like MESSINES JR. wearing an SCSO uniform, but- being reported as a NYSP TROOPER like he is in this ticket...

2G62 - SCSO-2020-040845, arrived at the SAME EXACT TIME as PAUL ZURLO, and ANTHONY AGRESTA. Cool...? That's because he was a SARATOGA COUNTY SHERIFF THAT NIGHT. NOT A NEW YORK STATE TROOPER. WHY IS HE REPORTED AS A STATE TROOPER WHO SHOWED UP AT THE SAME EXACT TIME AS AGRESTA AND ZURLO...?

Well, you would never fuckin believe how VALUABLE THIS FUCKING CLUE IS, in all seriousness. Would TIM KROM ever realize this shit...? No. Not a fucking chance. Would RICK SMITH ever find this shit out...? No. Not a fuckin' chance.

FAKE ASS COP that sorta drives this FAKE ASS COP CAR that MICHAEL ZURLO knows about... ...at a particular time during scheduled FRAUD PAYLOAD TRANSFERS at 1703 US-9, and OTHER branches. Nobody has ever caught these guys because the police never know that the BACKUP is an UNREGISTERED OFFICER that is NOT ON THEIR GOD DAMN FORCE.

HOW is that even possible...? It's literally because some of the police are fucking morons. For instance, MICHAEL ZURLO. And, ROBERT MESSINES.

Well, if anyone is really asking me HOW that's possible after all I said...? REREAD WHAT I WROTE. DWAYNE COONRADT → MELANIE GOLDSTEIN. MICHAEL ZURLO → FACILITATED ATTEMPTED MURDER.

911 CALL, IGNORED TWICE because of 2x TELEPHONY DDOS attacks. IT IS ALL DIRECTLY RELATED, and people really must be a fuckin' drop kicked in the head when they were a baby, moron... to not READ BETWEEN THE FUCKING LINES.

THESE PEOPLE I JUST RATTLED OFF PROBABLY HAD NOTHING TO DO WIHT MY FATHER BEING EXECUTED... ...MADE IT LOOK LIKE A FOILED ROBBERY...

However, it's EXTREMELY OBVIOUS THAT TIMOTHY KROM SR. knows that my father fucked with the WRONG PEOPLE. The wrong people being members of my fucking family in some cases.

WHY...? Well, it's because my father caught these fuckin' fake ass cop cars. He kept these things called RECORDS, and had to LITERALLY FLAG POLICE OFFICERS DOWN, to ENGAGE AN OFFICER IN A <FIELD INITATED REPORT>...

That's a rather INSANELY USEFUL FUCKING CLUE ACTUALLY...~!
FIELD INITIATED means that some cop was FLAGGED DOWN for help, or someone saw a cop car and approached it. OR, the POLICE OFFICER approached the SUBJECT and was ADVISED of a CRIME or STATEMENT.

That's what FIELD INITIATED ACTUALLY MEANS, If my father CALLED the POLICE...?

They were <unspecified> back then too, they did the same shit to my dad. I really, based on the conversations I've had with Sergeant Pickel, coudn't tell ya if he JUST SO HAPPENED, to CONVENIENTLY KNOW WHERE MY DAD WAS SHOT, and had to make it APPEAR as if he couldn't see the BULLETHOLE IN HIS HEAD.

Yeah. The man literally told me he had trouble finding it. Lots of blood...? No idea where it was comin' from. Hm. The police are EXPERTS at ACTING LIKE MORONS, not saying that they're ALL evil cocksuckers...

I'm not even suggesting tht PICKEL is the bad guy or anything, either. I'm just suggesting, that I think there are some lazy dicked douchebags in the Albany Police department as well as Saratoga County and NYSP.

However, ACTING like it's ok to say "He's reaching for his gun" when they have no gun... ...and then FIRING TO KILL... ...that's a direct indication that police officer is an evil cocksucker and deserves to be

- 1) caught in the act
- 2) prosecuted to the fullest extent of the law
- 3) not allowed to touch a single fuckin' penny nor contact any of his friends or pals...
- 4) face the music with a judge after the corrupt ones are all removed from office...
- 5) cause a lot of them will be in the same exact situation...
- 6) just like the judge who COMMITTED SUICIDE recently, because he was doing illegal shit, being above the law...
- 7) nobody can expect a lazy fuck like MICHAEL ZURLO to SEE crimes HE, HIMSELF is committing, and then arrest HIMSELF... Think about how fuckin' stupid LAURA HUGHES is, to believe that.

Yeah, police officers don't arrest themselves. They don't INVESTIGATE themselves, either.

TIM KROM SR. is literally JUST AS STUPID AS SHE IS. So is KRISTIN JOHNSON. Unfortunately, KENNETH YATES IS ALSO, that dumb too. (* Sorry bro. I feel bad, but you were fooled)

SO IS HIS UNCLE AL, who lives across the street from ZACKARY KAREL. Because not (1) fucking time have any of these people stopped, pulled the dildo out of their anal cavity, and make an effort to apologize to me, because they just think I'm insane.

That's just how stupid all of these people are.

I'll APOLOGIZE once people start to INVEST SOME FUCKIN' EFFORT INTO UNDERSTANDING MY FUCKING STORY.

LAURA HUGHES, being as much of a moron as she is... wrote a letter of indication that led to my children being taken from me. THEN, my mother, being the fucking moron that SHE is, refused to believe a single fuckin word I was saying, OR LOOKING AT ANY OF MY PICTURES.

It is SO FUCKING COOL, how many people FAILED to LOOK at the GOD DAMN PICTURES... because there are TIME STAMPS, and GPS COORDINATES on ALL OF THEM for like SEVERAL FUCKIN' DAYS...? But, people are fuckin morons.

KENNETH YATES has NO IDEA, that PAUL PELAGALLI...
...ORDERED ME TO GO TO A PLACE TO SEE (2) DOCTORS THAT DON'T EVEN FUCKING WORK THERE.

| 04/06/21 | Family Court Pelagalli | <https://drive.google.com/file/d/1J0CzI1nW5xwmWbwUVwOEMbhLuiZYEr4p> |

I COULD LITERALLY SHOW 100% OF PEOPLE, that I MADE A JUDGE LOOK LIKE A DUMBASS IN HIS OWN COURTROOM. NOT THAT FUCKIN HARD ACTUALLY. I MAKE A LOT OF PEOPLE LOOK LIKE A TOTAL FUCKIN DUMBASS PRETTY EASILY. EFFORTLESSLY. WITHOUT EVEN FUCKING PUTTING ANY THOUGHT OR EFFORT INTO DOING THAT.

I mean that. I really wish somebody would place bets AGAINST me.
Yeah, everybody iwill think: "MY GOD THAT IS SUCH A GREAT OPPORTUNITY FOR FREE MONEY"...
...but JOHN PICKETT and DWAYNE COONRADT KNOW...
"Betting against this kid is fuckin' suicide."

Because BOTH of them KNOW that I have a SUBSTANTIAL AMOUNT OF EVIDENCE THAT LINKS BOTH OF THEM ALREADY. They know, that I have had a winning hand in my possession. They truly are confused that I haven't fuckin' cashed it in yet, because...
...most people would suck some dudes' dick for a million dollars in a heartbeat.

Money causes people to act like pathetic, weak-willed, no-conscious people, and that is the main reason why American society is FUCKED. Whereby causing PEOPLE to GRAB A FUCKIN WEAPON, GO TO UVALDE ELEMENTARY, AND MURDER 19 INNOCENT FUCKIN CHILDREN AND 2 TEACHERS.

These guys, PICKETT and COONRADT...? They will TELL people that I am that much of an UNHINGED LUNATIC and that I WILL DEFINITELY DO THAT SHIT. However, *checks watch* uh, nah dipshits.

Sorta calling you out publicly with your fuckin' non-sensical HEATHER BRONDI game plan. I really have no fuckin clue if Heather THINKS or SAYS this shit...?
But I speculate that this is the case...
...based on a number of factors where people must think I'm not paying attention.

Nah, I'm paying plenty of attention, AND when I make these AUDIO RECORDINGS...?
It shows that I'm a fucking extremely intelligent motherfucker.

Whether it's LAURA HUGHES, or HEATHER BRONDI, or SARAH SCHELLINGER, or JOHN DELONG, or DENNIS BRUCE...?
They're fools to think I'm the asshole here.

They truly cannot fathom, that MICHAEL ZURLO actually attempted to kill me.
THEN he ignored my 911 calls.
THEN he ordered SCOTT SCHELLING to murder me.
THEN 2 additional cops arrived.
THEN when SCOTT REALIZED I was the TARGET, he couldn't kill me.

Nah, this dude had 2 legitimate cops by his side. MICHAEL ZURLO was so fucking pissed, that he actually took the dildo out of his asshole for a minute and paced around his office. Wondering how to proceed...

Because he was absolutely certain that I was a dead man, just like my father.
But nah. When history repeats itself, and you're up against someone a lot more intelligent than you are...?
You'll try to call someone's BLUFF, not realizing that they're not fucking bluffing at all.

Then, you're fucked.

Had I been killed...?
He would've gone to prison much sooner, because someone WAS actually keeping tabs on me.
This entire time, they've been investigating him ALONGSIDE ME.

Almost as if this dude is already getting pounded in the butt, in prison.
AND, I am literally just manipulating this useless cocksucker to make additional mistakes.

SUCH AS: DIRECTLY LINKING HIM AND JAMES LEONARD to the FACT that my IPHONE WAS DISABLED, 5 minutes after I spoke with TROOPER SHAEMUS LEAVEY on 05/27/20 at about 0800, or 0900.

That's literally the same day that JAMES LEONARD DECIDED TO SUDDENLY HANDLE 2X TICKETS THAT WERE NEVER CALLED IN. NOT UNTIL (2-3) DAYS AFTERWARD.

WOW, THANK GOD THEY WAITED LIKE (2-3) DAYS TO FILE A COMPLAINT.

Because, these people at SCSO do not realize that JAMES LEONARD was COVERING UP THE MURDER ATTEMPT. ROBERT RYBAK was the "arraignment judge" on the ticket that FREDRICK RENCH defended me for, HOWEVER...

Uh, Town Justice James Hughes was instead, the judge that handled that case.

That's how stupid a number of people are.

PARTICULARLY MY OWN MOTHER, and STEPFATHER, my NEIGHBOR BILL MOAK.

Here's an audio recording of how much of an OBLIVIOUS, evil bitch my mother is...

04/04/22	Argument	https://drive.google.com/file/d/1E5ERWMgj8GkznNZ_i0bAwjppkD_swAnd
02/02/21	SCSO Jeff Brown	https://drive.google.com/file/d/1JECZXhwpXF05B8fvFnLfESp578PFVF8

As for my neighbor, BILL MOAK...? And even his WIFE JANET...

WELL, the GUY that I speak to in the 2nd link right above here...?

Should be able to ARREST BILL MOAK, JANET MOAK, and MICHAEL STREETER for:

| PROVIDING FALSE TESTIMONY ON A WRITTEN INSTRUMENT / AKA PERJURY |

But, I know WHY that hasn't fucking happened yet...

TIM KROM SR. is like a lot of OTHER PEOPLE...

...people fail to consider that I am an EXCEPTIONALLY RARE INDIVIDUAL, and that my case is SO FUCKING UNIQUE...

...AND RARE...?

That I'm capitalizing on being the first person in history to capture some cocksuckers using PEGASUS/PHANTOM by a COUNTY SHERIFF to attempt a MURDER. THEN...? Covering it up EXACTLY like ROBERT RYBAK and JAMES LEONARD did.

That's called OBSTRUCTION OF JUSTICE you fuckin' dumbass.

The reason I keep REPEATING MYSELF...?

Is apparently because it makes more sense than punching people in the face.

I sorta felt like that would be appropriate when ERIC SHNAKENBERG knows that I started my own company nearly at the SAME EXACT TIME that I had him STOP PRESCRIBING MY SUBOXONE... But hey.

He's a fuckin' dickhead AND a moron.

Doesn't realize I actually showed SHAEMUS LEAVEY the video. And...?

LEE DAVENPORT SR. was in his WHITE VAN, right behind him too.

LEE DAVENPORT SR. had no fuckin' idea that his son would eventually die from a drug overdose.

I could literally TELL HIM that JOHN HOFFMAN was PROBABLY INVOLVED in murdering...

1) MICHAEL EDWARD COOK

2) SANTA SAMMY CASSARO

3) and tried to have me killed as well...

But- LEE DAVENPORT might not fuckin' believe a single word, or maybe certain statements I make may not be FULLY ABSORBED by people, and so the story just slips right by people's heads over and over.

If I come across as a CONDESCENDING DICKHEAD...? That's mainly because I HAVE to use this strategy, because BEGGING or PLEADING for ATTENTION doesn't fucking work, believe it or not.

People judge each other based on HOW THEY APPEAR, not on things that matter a LOT MORE THAN THAT...

Such as EVIDENCE, like AUDIO RECORDINGS, PICTURES, VIDEOS, GPS COORDINATES, TIMESTAMPS, documents I've already written, where I included TRUE ACCURATE DETAILS that people might have thought SOUNDS INSANE... right...?

BUT HERE IS A LITTLE BIT OF ADVICE...

| If something SOUNDS CRAZY, but it is ACCURATE...? Then, it is NOT CRAZY... You've been FOOLED. |

(2-3) years later when I repeat the same fuckin' details, it just looks like I am more intelligent than people FELT LIKE GIVING ME CREDIT FOR.

Like, for my entire life, too.

Not just (1) time I woke up, and I was a GENIUS that (1) day...?

But (ALL) of the days I've ever existed, same category of INTELLIGENCE and INTELLECT.

I never actually TOOK A DAY OFF at being A FUCKING INTELLIGENT INDIVIDUAL.

Might've said some off the fuckin' wall type shit here and there over the years, but- I TAKE ACCOUNTABILITY.

Never for a single moment, was I less intelligent than most of these people that judged me based on my appearance, and by RUMORS or HERESAY.

LEE DAVENPORT SR. should be the FIRST FUCKIN' DUDE, to believe what I have to say.

So should TIM KROM SR.

So should my MOTHER.

So should my STEPFATHER.

The problem is...?

I really DO think they ALL have: SEVERE BRAIN DAMAGE from LEAD POISONING.

MICHAEL ZURLO ACTUALLY FUCKING DID ALL OF THIS.

MY PHONE WAS DISABLED BY THE MANUFACTURER OF THE DEVICE REMOTELY, 5 MINUTES AFTER I SHOWED THE VIDEO OF THESE (2) SERIAL KILLERS ATTEMPTING TO MURDER ME, TO SHAEMUS LEAVEY.

People should really ask the question... "Well, why would they do that...?" But don't ask it SARCASTICALLY... Cause ASKING A QUESTION SARCASTICALLY means you don't really give a shit about the answer, so you may as well just say the words "I'm too fuckin stupid to give a shit, dude. Fuck you."

But, if I have to EXPLAIN to people, WHAT questions they should have ALREADY ASKED...? Then it's exactly the same PARALLEL, to someone telling a retarded kid a funny joke... ..and then that retarded kid doesn't find it funny at all, because they didn't get the punchline.

It's literally the same thing I've been sayin' this whole time.
I'm not telling a joke.
I'm telling people, A REAL LIFE EVENT WHERE A LOT OF PEOPLE GOT INVOLVED IN TRYING TO MURDER ME... CAUSE THEY DID THAT TO MY FATHER IN 1995... BUT THEY ACTUALLY FAILED TO GET ME BECAUSE I ACTUALLY HAD AN ADVANTAGE CALLED... ..being observant and attentive to detail.

My stepfather thinks I'm delusional.
That's why I assaulted him on MAY 19th, 2020.

I'm not delusional at all.

When I say I fucked AMBER BURDO A LOT OF TIMES AND GOT HER KNOCKED UP...? SHE WAS IN THE HOSPITAL THE NIGHT MEGHAN PURTCELL KICKED ME OUT OF TRICKSHOTS WHEN CAYLA DECIDED TO PROVE HOW BIPOLAR SHE IS, and went from 0 to 100 in ANGER LEVEL, not realizing that I had gotten AMBER BURDO PREGNANT.

AMBER started seeing this dude, DAVID DANIELS or whatever his fuckin' name is.
That dude, is one of the biggest fuckin' pussies I've EVER seen, in my entire life.

Neither AMBER, nor THAT DUDE realize that I would easily kick the shit out of him.
I just don't like to ADVERTISE stuff like that because, like I said, people judge me based on my APPEARANCE.
So if I just LOOK like a PUSHOVER, and yet, I can knock a motherfucker out pretty fuckin quickly...? That has to REMAIN AN ELEMENT OF SURPRISE.
That's how SMART PEOPLE think/operate.

Dumbasses will do what DOUG BAGELY does, where he just FLIPS THE FUCK OUT because I didn't feel like telling him that our buddy was in the house, or wherever. Because the thing is, DOUG MIGHT BE TWICE MY FUCKING SIZE...? But he's STUPID. He sucks at installing SIDING. STUPID people will THREATEN TO HURT PEOPLE before THINKING about what they're DOING... or if they're likely to be subjected to a BASEBALL BAT to the LEGS, ARMS, or HEAD.

But- they don't care about stuff like that when they're knee deep in being a fucking tool.

Anyway... DAVID DANIELS probably won't do that because he might be taller than me, but he's a little whiny bitch.

That's why he had no idea that the child AMBER was having an UNEXPECTED PREGNANCY with...? Was mine.
ALSO, that was AT or ABOUT the time, that I had that mishap with Christina Czaikowski at PEDDLERS.

Basically, the same night actually.
Yeah, people don't get it.
I can fuck some really hot bitches.
And, get them pregnant too.

DOUG BAGELY will just TALK about it, he doesn't actually DO anything like that all that often.
Maybe he DOES, I've just NEVER SEEN IT HAPPEN. Not (1) fucking time.

As for the event at TRICKSHOT BILLIARDS...
WELL, many months later after Tim Berlin had to prove that he has the smallest nutsack known to mankind... ..I asked him about the whole entire ordeal/mishap, and he avoided talking about it.

THEN, he jacked the rent for COMPUTER ANSWERS up from \$4500.00/month to \$6500.00/month, and then lied to my face about the conversation he had with me about PAVEL OWING ME A LOT OF MONEY, or the MISHAP WITH AMBER BURDO, being the reason why.

The MISHAP didn't involve AMBER directly.
It was MEGHAN getting pissed that I remembered who she was, and that we dated like fuckin 15 years beforehand, and then I somehow got into an argument with CAYLA the very night that AMBER was in the HOSPITAL, because I had ALREADY GOTTEN HER PREGNANT, and she MISCARRIED THE CHILD SHE DIDN'T EXPECT TO HAVE.

A year later, after I saved her brothers life, she told me "YEAH, I WAS PREGNANT AND YOU WERE LIKE, THE DAD..."

He doesn't understand that the GIRL CAYLA got PISSSED OFF, that I WAS A SINGLE FATHER, trying to FIND A SUITABLE GIRL THAT WAS WILLING TO BE A SUBSTITUTE MOM...? And quite literally...? Tim had to be a real huge <unspecified>. Quite a massive level of it, actually.

Such an insanely high level of insurmountable <unspecified>, committed by both DWAYNE COONRADT, and TIM BERLIN, in unison, right...? But, despite ALL of that <unspecified> that TIM and DWAYNE proved they were CAPABLE OF...?

I do not think they are likely to have gotten me killed, that was ALL: Hoffman, Catricala, Tanski, Zurlo.

You see, the REAL REASON why I keep getting FUCKING PISSSED OFF THE MORE I TALK ABOUT ALL THIS SHIT...? The more I realize that I was doing what was EXPECTED OF ME...? And literally 100% of the people I've always known, decided to LET ME DOWN. COOL.

I put about 20 dudes down like a fucking monster, and I was basically worn down and then TYLER WAS LIKE...
...HEY, I WILL LOOK REALLY TOUGH AND COOL, IF I JUST, TAKE ADVANTAGE OF MIKE RIGHT NOW. CAUSE HE'S OBVIOUSLY
GOTTA BE MAD TIRED AFTER EXERTING HIMSELF THAT MANY TIMES...
Then, that's what this <unspecified> did. Had he been FIRST...?
He would've gotten thrown to the mat, IMMEDIATELY, and he was actually AT LEAST A THIRD LARGER THAN I WAS.
He knows this.

DWAYNE COONRADT THINKS THE SAME EXACT WAY. A LOT OF PEOPLE DO.

LEE KRUPSKY was 10 times cooler than TYLER could EVER be.
Sorta became the soul behind the name of... "The Top Notch Barber Shop". Top notch bro.

Some people are useless <unspecified>, like MARK ZUCKERBERG, DWAYNE COONRADT, or TYLER KRUPSKY...
You can try to write them a letter saying a bunch of shit, but- emotions fluctuate constantly.
Principles don't.

Most people confuse principles with emotions.
My mom is one of those people, (shes an <unspecified> like that), so is my stepfather, my neighbor...

But- MICHAEL PHILIPSAK NEVER ONCE DID ANYTHING TO FUCK ME OVER, not that I'm aware of anyway.
He may have, and I haven't found out...?

But, whether it was HIM, or his son...? Nah. Not (1) time.
I still remember when they came to the Daniel Keegan Funeral Home.
So did Dr. Lewis.

So when my <unspecified> of a mother says that things didn't happen that I distinctly remember...?
It's because I think she has brain damage, and was never a good mother to begin with, nor a good wife to my father... but that's because my grandmother Andree Kivlen was extremely vicious, ruthless, and acts exactly like a Nazi.

AMBER BURDO acts like my grandmother in some ways...
But, because I LOVED AMBER...?
I actually had the motive, means, and willpower to keep this dude alive when he overdosed in my room.
This dude is like 2 times the size of Tyler Krupsky on the best fuckin' day of his entire life.
Cool as LEE KRUPSKY, too.
Just a real goofy son of a bitch, basically all the time.
Dude doesn't realize how much I cared about his sister.
It's why he's still alive.

I watched this dude collapse right in front of me, eyes rolled to the back of his head, fell to the floor,
body entirely lifeless, not moving, not breathing, no response to anything at all...
He was consigned to a coffin at that point in time, but I literally kept this fuckin' dude alive.
Tyler Krupsky, nor Heather Brondi, would ever fuckin' do such a thing...
...they'll do the exact opposite thing instead, such as BLAMING THE DUDE FOR GETTING HIMSELF KILLED.

But, that's why I have to remind people, that sometimes a godsend or a miracle happens right before your very eyes...? Except, most people are ignorant, and they never actually catch it.
They'll just let it go, rather than to fight for it.

Tanski doesn't realize I'll fuckin' make god damn certain that he has ALL of his cash taken away, and his real estate, and his ass is goin to prison for what I know his ass was involved in...
1) the CONSPIRACY TO COMMIT MURDER TO MY FATHER, MICHAEL EDWARD COOK
2) the CONSPIRACY TO COMMIT ATTEMPTED MURDER to ME.

John Hoffman is guilty of the same charges.
So is my Aunt TERRI COOK.
So is JOHN PICKETT.

ERIC CATRICALA, just guilty of looking like a dumbass when he tried (3) times.
Most people don't understand it, just cause he's a New York State Assemblyman...?
Doesn't exclude him from attempting to murder people like a mob boss.

As for Roger Burdo...? The reason his ass is still alive, is because...
I'm smarter than most people.
Because I'm smarter than most people...?
I knew how to give him the CPR HIS ASS NEEDED FOR ABOUT 20 FUCKING MINUTES WHILE I HAD TO MAKE
THE 911 CALL THAT MY MOTHER WAS TOO FUCKING LAZY TO MAKE... Actually, I think she might've called 911.

Maybe after like 10 minutes though. Not like 2. You know...?
My mother really is that stupid, she would ask me to keep the VOLUME of "SAVING THIS KIDS LIFE" down.
Cause, that shit is really LOUD and ANNOYING, dude.
Just let him die, that's what everyone else would probably do.
Including WILLIAM MOAK. And, JANET MOAK.
Not JAMES MOAK, because believe it or not...?
James is actually COOL. Harley is basically an idiot most of the time who is WICKED NOSY JUST LIKE HIS PARENTS.

Look, WILLIAM MOAK wouldn't have been able to save this kids life.
He's been an EMERGENCY RESPONDER for like 40 years.
That's mainly because, I'm smarter than most people.
If they have had 30 years experience being an investigator...
...and somehow got the job of being the Saratoga county sheriff...?

That does not somehow EXCLUDE YOU, from being OUTPERFORMED by someone such as MYSELF.
MICHAEL ZURLO, is VERY AWARE OF THIS.
It pisses this man off so badly that I just continue to keep talking shit about him.

But, there is nothing this dude can do.
He's as much of a pussy, as Tyler Krupsky was.

As for Roger Burdo...? THIS DUDE, TWICE MY FUCKING SIZE... KEPT ASPIRATING ON HIS OWN VOMIT
UH OH, CHEST COMPRESSIONS AND MOUTH TO MOUTH WON'T WORK ALONE...
SO, THAT MEANS I HAVE TO DO SOMETHING THAT THEY DON'T EVEN TEACH IN CPR CLASSES.
Guess what that fuckin' technique is called...?

Rolling the dude on his side.

NOW, that is the KEY STRATEGY that allowed me to SAVE THAT FUCKING KIDS LIFE.
SO THAT HIS DAUGHTER DOESN'T GROW UP LIKE I DID.
Guess what though...?

Haven't met a single fucking person that was willing to DO THAT FOR ME, a single father of MY OWN CHILDREN...
CAUSE I FUCKIN' HAD LIKE, (2) OF EM, RIGHT...?

Their mom like, totally abandoned them... and never came back.
So, that must mean it's OK for some lazy cocksucker like Dwayne Coonradt, to lie to everybody. Right...?
Tim Berlin can do that too. Right...?

They can say I'm like this dangeorus stalker type...?
But, people don't realize how stupid they sound when they say that.

Not even Tatiana Cleveland would actually verbalize those words, after the letter I sent her.
The letter was meant to say "HEY SORRY FOR TOTALLY PISSING YOU OFF BACK IN THE PAST, but like,
YOUR EX-BOYFRIEND/MY COUSIN... probably tried to murder my ass. Told you and everybody else.
Nobody really indicated to ME, alright... I believe ya."

Wanna know why...?
It's literally because I can say it thousands of times.
I'm smarter than most people.
That would include:
- BRUCE TANSKI
- JOHN HOFFMAN
- ERIC CATRICALA
- MICHAEL ZURLO
- THOMAS COOK (my uncle)
- TERRI COOK (his secret agent spy collaborator)
- JOHN PICKETT (the man my aunt Terri somehow knows)
- Someone from CAPITAL DIGITRONICS (provided radio equipment, not JUST MEDICAL EQUIPMENT, that was long ago)
- DWAYNE COONRADT (without much effort I may add)
- RYAN WARD (associated w/ the 2 kids sent to murder me)

Wanna know why people doubt my story...?
Cause they don't realize that my father was also killed in the SAME EXACT FASHION, in a nearly IDENTICAL FUCKING WAY.

I also think that people get CAUGHT UP IN SPECIFICS, rather than GENERALIZATIONS.
When I say that these people had something to do with killing my father...?
What I mean is that they were somehow INVOLVED in FACILITATING, ARRANGING, IGNORING, PREVENTING, ALLOWING, SECURING...
...a means to take this SMART BASTARD out of existence and NOT leave any DETAILS, EVIDENCE, or LOOSE ENDS behind.

Does that sound like something the WRONG PEOPLE would go ahead and do...?
Well, alright then.

/ R.I.C.O. /

The 'Somebody might kill me, soon' checklist /

1995	-> My dad -> Told people for WEEKS, that he was CERTAIN THAT SOMEONE WAS LOOKING FOR HIM TO KILL HIM... -> and everybody told him "You're delusional you stupid fuckin cocksucker. I hope they DO kill you."
	-> They didn't say those actual words...? However, the context is 100% accurate.
2020	-> <I> -> Told people for MONTHS, that somebody was interacting with my SMARTPHONE and HIGHLIGHTING -> CERTAIN WORDS OR PHRASES IN MY NOTES EDITOR. I ACTUALLY COLLECTED A VERY LARGE POOL OF DATA THAT -> SHOWCASES SUPPORTING EVIDENCE THAT ALLOWS MY THEORY TO BE FAR MORE THAN CREDIBLE OR PLAUSIBLE... -> But- people are fuckin' stupid like that. They'll say: "I don't think that the police would ever do that..." -> they say that BEFORE looking at the photos, timestamps, GPS coordinates, videos, audio logs, etc. -> So I begin to understand EXACTLY how my father felt, realizing that the world was full of oblivious, -> distracted morons who don't fucking care UNTIL...? It happens to THEM. Ah. Key important thing. -> LETS RECAP WHY I CONSTANTLY HAVE TO ROAST PEOPLE AND CALL PEOPLE A BUNCH OF FUCKIN' MORONS...

- 1) My father, MICHAEL EDWARD COOK... just amazingly knew he would likely be killed. Then, he was.
Then people said "THAT WAS AN UNEXPECTED SURPRISE... HOLY FUCK. HE IS ACTUALLY GONE NOW..."
That's mainly because people think "Oh well dude. Everybody dies. Nothing you can do about it either."
- 2) I fulfill the same exact patterns, with the same exact rhetoric, but I actually have compelling evidence and then the police remotely destroy that evidence. LUCKILY my children saw that fucking video, and so did NYSF SHAEMUS LEAVEY.
Unfortunately, they don't realize that VIDEO is the reason why they no longer live with me.

chuckles Lol. SO... fuck you, dude.

MICHAEL ZURLO will probably say them to me, just to see if I'm serious, or fuckin' around...? Other people may actually be afraid to do that, and that's because they're fuckin' pretty smart after all.

In the same exact manner to how MATT TRUESELL molested his younger brother JEFF...? TIM did that to somebody else. He was very religious in the way he consistently hid that from everybody.

Wouldn't surprise me either.

Tim : THAT DUDE... HE'S...

Me : TOUGH AS FUCKIN HELL...?

Tim : Yeah man... that's just insanity bro. He fucks everybody up.

Me : ...the ass. You're right dude. That's why you two would work so well together.
Do like a fuckin' video shoot of you two...?
Spending entire days, blasting each other in the butthole.
Wash your dicks off, or DONT.
Maybe you'll both really enjoy washing them off afterward for one another, because that seems erotic to you,
just like it was erotic to Zachary Temme, Donald Devoe, and Jeffrey Truesell.
And, that's why I'll have a felony on my record later on.
Because, who cares if all of these dudes actually shove their entire 100% full length erect penis...
...into their buddies' fuckin' butthole.
You and Nathan Gable...?
I think you two could REALLY go places.

Scott : Dude.
Are you being for fuckin' real right now...?

Me : Well, I absolutely am.
See... my father was murdered by (3) niggers that were hired to murder my father.
Nathan Gable TECHNICALLY counts as a fuckin nigger, because he has always been one.
I'm not really racist though.
I just happen to remember people that had a total and complete lack of empathy...
...and sorta need the equivalent of a baseball bat to the fuckin' head.
Ya know...?
shakes head Nathan Gable...?
He could be considered a dangerous individual if you're afraid of getting your asshole invaded.
This kid was unstoppable at this shit back in elementary school, did it so quickly nobody ever fuckin'

noticed.

Tim : I'm actually really impressed with this dude's fuckin' story, dude.

Scott : I'm not.
Literally sounds like the toughest homosexual that ever lived.

Me : *snaps fingers, points* That's fuckin' absolutely correct dude.
I may just state this story over and over, until Nate Gable decides to rear his fuckin' ugly ass head...
...so that I can make an example out of HIM, right in front of BRUCE TANSKI'S FUCKIN' DOORSTEP.
Sorta like when a cat kills a mouse, and then just plays with it.
The cat's probably gonna drag that thing to it's owner to impress them.
They'll look at ya too "Hey, checkout this thing that I just fuckin' killed really easily."

Jason : Oh wow.
That fuckin sounds really intense, my dude.
How the hell are you gonna pull that off, being the kid with an UNDIAGNOSED CASE OF ASPERGERS SYNDROME,
AUTISM SPECTRUM DISORDER, ATTENTION DEFICIT HYPERACTIVITY DISORDER, and POST TRAUMATIC STRESS DISORDER
from EMOTIONAL ABANDONMENT from your mother, and basically having nobody to teach you how to fight some
tough cocksucker like NATHAN GABLE...?

Me : Well, you gotta remember.
Somebody that acts like Nathan Gable, or Dan Demeo always did...?
They're too fuckin stupid to know that the past will come back to haunt them at some point.
THAT'LL BE THE POINT where I effectively manipulate them, into doing one thing or the other...

Scott : One thing or the other...?

Tim : Yeah, I like fuckin' <unspecified> right between his cute little asscheeks, I'm the REAL poopydick.
Taps chest I, the REAL poopy dick son of a bitch... wanna know.
From *points* you. The fake-ass poopydick that will somehow be called that, because people are retarded and
they like repeating HERESAY.

Me : Well, it's a great thing you brought that up ya fuckin <unspecified>.
Here's how it works.
I'm more intelligent than your ass will ever be.
That applies to nearly 100% of the people thjat have ever attended the Shenendehowa Central School
District because I'm in the 99th percentile based on my writing skills, my ability to outperform every
person I ever work WITH or FOR...?
Because, guys like you get paid to bullshit people.
Just like BRUCE TANSKI, and JOHN HOFFMAN.
One way to just, get back at everybody all at the same time...?
Is to use this thing that I know very well.

Jason : Yeah...? what's that...?

Me : I'm glad you asked, Jason.
PSYCHOLOGICAL MANIPULATION is where I effectively control other people, by making very clear and concise
observations, and then reacting in real time.
However, I have to expect that I'm gonna need to be an asshole to somebody, and have NO REGARD for ANY SINGLE
FUCKING REASON, to provide that person with a SINGLE SHRED of RESPECT.
That's hard to do for something like CHAD GREGORY, or even ZACKARY DORROUGH, because, they've never really
done anything to DESERVE that disrespect.
I mean, if anything...?
Tim just admitted that he's banged <unspecified> in the butthole a lot of times...
And, whether he did NOT do that...?
Or, he fuckin DEFINITELY did...?
Doesn't matter.
...if some niggers murdered some kids father, because the Russians that this <unspecified> BRUCE TANSKI and
JOHN HOFFMAN are CLOSELY ASSOCIATED WITH... did that as an act of ESPIONAGE for RUSSIA...?
They'll prove that our JUSTICE and LAW ENFORCEMENT SYSTEMS are CORRUPT and BROKEN.
And that's the REAL reason, that these RUSSIAN MAFIOSOS love to fuck each other in the asshole with even
more intensity than Tim ever did with <unspecified>'s asshole.

Nor is there a single fuckin' reason that I have to fear anybody that I insulted.
Why...?

Because I have literally proven that I am quite a considerable fucking threat to the following people:

- 1) BRUCE TANSKI - COMMITTING BANK FRAUD AT KEYCORP, and OCCASIONALLY ALLOWS HIMSELF TO BE POUNDED IN THE BUTT
Was able to get PAUL AMATO and NIKOLA DINOVA in a SHITLOAD OF TROUBLE during an FBI PROBE.
- 2) PAVEL ZAICHENKO JR. - OWNS COMPUTER ANSWERS, IS BISEXUAL AS WELL, LOVES THE TASTE OF ANDREW CUOMO'S PENIS,
and has STOLEN A LOT OF MY INTELLECTUAL PROPERTY, because he's a <unspecified> KGB agent
from Russia, and he loves sucking VLADIMIR PUTINS DICK.
- 3) PAVEL ZAICHENKO SR. - OWNS SOFT N CUSHY AUTO UPHOLSTERY. HE OWES ME \$1500 for the WORK I DID in NOVEMBER 2018.
Work where I told him "HEY YOU STUPID FUCK. YOUR MUCH YOUNGER WIFE IS STEALING A LOT OF
MONEY FROM YOU. THATS WHY YOUR EMAIL IS FULL OF FUCKIN SEXUAL SPAM. ITS CAUSE YOU'RE A
FUCKIN' MORON. ALSO, YOUR NETWORK ADMINISTRATOR GAVIN HAD A PASSWORD SHEET WHERE HE
WROTE DOWN A PASSWORD THAT WAS MISSING A CHARACTER."
THE REASON YOU'RE AN EGREGIOUS MORON, is because ...
I was able to detect that you're a cocksucker that had something to do with my fathers
murder,
THOMAS
AND the RUSSIAN from the 5th floor of 46 State Street, Albany NY, the man whom my UNCLE
COOK rented it out to.
You did a terrible job of KEEPING THAT LITTLE SECRET UNDETECTED. SO did PAVEL JR.
- 3) JOHN PICKETT - In reality, the evidence I have does not say this cocksuckers name. I really do not know
whether the person I should susepect is JOHN PICKETT, or JESSE PICKETT, but what I suspect,
is that THE PICKETT BROTHERS liked the idea of STEALING SHIT FROM PEOPLE, such as:
IDEAS, CREDIT, HOMEWORK, NOTEBOOKS, and they really didn't care for doing things by the
book.
However, I really do not think DANIEL PICKETT ACTUALLY DID A SINGLE THING TO MY FATHER.
JOHN PICKETT, is a totally different fuckin' story though.
- 4) JOHN HOFFMAN - A dude who has attempted to remain INVISIBLE, and UNINVOLVED with the murder of (2) cab
drivers that lived in TURF COMMUNITY PARK... SANTA SAMMY CASSARO and MICHAEL EDWARD COOK.
Because...?
Well, my father had plans to buy the lot from ADA BUHRMASTER.
JOHN, was STEALING PEOPLE'S FUCKIN' MAIL and then STOLE A FUCKING CHECK WORTH 1.7 MILLION
DOLLARS in 1987-1989.
I don't have real CONCRETE EVIDENCE OF THAT...? But it was a STUB that said that amount...
I believe my father submitted his idea to a CONTEST and the 1.7 MILLION DOLLARS WAS A
PRIZE.
Considering that maybe it's the reason why my father got killed...
...it could be quite a compelling motivator. However, I do not believe that completely.
Luckily for JOHN, I don't think he is intelligent enough to know as many intricate details
about my father, as JOHN PICKETT does, because of his INVOLVEMENT with the MILITARY.
- 5) NOT MR. MCCABE - SOMEONE ELSE FROM CAPITAL DIGITRONICS, I thought that it was fuckin' extremely
coincidental,
being
that somehow, after PAVEL ZAICHENKO JR. COERCED EVERY SINGLE EMPLOYEE AT COMPUTER ANSWERS,
to sign a specific form that was ILLEGAL TO HAVE US ALL SIGN without the WAGE/RATE info
written on it FIRST... that the people that live at 203D Halfmoon Circle, JUST SO HAPPEN TO
HAVE MOVED RIGHT INTO THAT HOUSE ACROSS THE STREET...
Here's a VIDEO OF ME SHOWING PEOPLE HOW TO RESET THEIR SPECTRUM CABLE MODEM, because I was
KNEE DEEP IN THE MIDDLE OF RAISING MY CHILDREN AT THE FUCKIN COMPUTER SHOP, WHILE TEACHING
STEPHEN MANN HOW TO RESET THE FUCKING INTERNET SO HE DIDN'T HAVE AN EXCUSE NOT TO DO HIS
JOB.
Video of ME, and my KIDS are in the background, and then 2x pictures of me and my kids in
my
AUDI A4 QUATTRO the SAME FUCKING DAY I recorded THE VIDEO, and my conversation with MR.
MCCABE.

Well, the reason why PAVEL ZAICHENKO JR. was INVESTIGATED BY THE LABOR DEPARTMENT, is because SOMEBODY REPORTED HIS
ASS FOR FAILING TO PAY THEM THE MONEY HE OWED THEM. IT'S A CONSISTENT THEME WITH THE MORONS ON THIS LIST OF PEOPLE.

That's why the Department of Labor is full of lazy cocksuckers.

THEY are not very bright.

THEY will send people down, to basically hem and haw about ASKING PEOPLE QUESTIONS like...

"WHAT TYPE OF LABOR FRAUD ARE WE TALKIN' ABOUT HERE...?"

Well, the answer is to the tune of millions upon millions of dollars.

Tanski does that shit too. So does Lenzi. And Bagely, but Bagely doesn't make fucking MILLIONS.

Tanski sure as shit does. Hoffman probably makes SOMETHING from SOMEWHERE...? But I really don't think he's remotely

as important as TANSKI. Same goes for TIM LENZI.

HOWEVER... PAVEL ZAICHENKO doesn't run COMPUTER ANSWERS for the simple notion of GENERATING A PROFIT... Nah. HE RUNS COMPTER ANSWERS to perform the 2nd half of the attacks that the hackers are INDISCRIMINATELY USING against the people that I've been trying to protect this entire time. And, DWAYNE COONRADT is basically PAVEL ZAICHENKO's little bottom bitch that does ALL of the fucking work for him, and then DWAYNE bitches about guys like me because he has LOW-TO-NO INTEGRITY.

People that don't care if these Russians steal ALL of their money. Why...? Because they're morons that trust these people, and that they know based on their APPEARANCE or REPUTATION, that there's no possible fucking way that DWAYNE COONRADT, or PAVEL ZAICHENKO actually work with HACKERS that USE THE CIA EXPLOITS TO DEPLOY MALWARE THAT BYPASSES PERSONAL SECURITY PRODUCTS AND EAVESDROPS ON PEOPLE IN A WAY WHERE THE SHENENDEHOWA SCHOOL DISTRICT WILL HAVE NO FUCKIN CLUE, that ALL OF THE DEVICES THEY HAVE ISSUED TO 100% of their students...?

They were able to be COMMANDEERED, for ESPIONAGE RELATED PURPOSES. That means, someone at SHENENDEHOWA GETS TO GO TO PRISON if they are CORRELATED and INVOLVED in using ADVANCED CENTRAL INTELLIGENCE AGENCY ESPIONAGE TOOLS to: commit espionage against the FAMILIES of ALL STUDENTS that attend SHENENDEHOWA SCHOOL DISTRICT.

Wanna know who's #1 on that fuckin' list...? Deputy Cooper. As in, THE MAN THAT SHOWED UP on JUNE 19th, 2020 at 201D HALFMOON CIRCLE while MICHAEL WHITACRE and MARK SHEEHAN were there along with LAURA HUGHES from the SARATOGA COUNTY CHILDRENS PROTECTIVE SERVICE...? The MAN that SHOWED UP and said "NFRASTRUCTURE IS NOT INVOLVED IN THIS..." That dude is looking at PRISON TIME if I am able to OBTAIN HARD EVIDENCE that HE HAS BEEN KNOWINGLY COMPLICIT in the FACILITATION of EAVESDROPPING on FAMILIES of CHILDREN attending: SHENENDEHOWA CENTRAL SCHOOL.

Yeah, I tried to tell Oliver Robinson about this shit. I think he is just floating around believing one person over another. So if DEPUTY COOPER SHOWS UP and SHOVES A DILDO IN HIS ASSHOLE in nearly the IDENTICAL FUCKIN WAY HE DID on: JUNE 19th, 2020 when MICHAEL WHITACRE was there with MARK SHEEHAN... and THEY had some GENUINELY CONCERNED FUCKIN LOOKS ON THEIR FACES, and those looks told me "they were absolutely terrified."

Not because they were terrified of me. Nah. They are legitimately afraid of someone that needs to probably have one of their limbs chopped off. Deputy Cooper is just too much of a little whiny bitch, to make the correlations I have made, because he is not an actual cop. He is a child molester, aka, sexual predator that's never gotten arrested, nor caught.

The truth is, he's been caught so many times just like Andrew Cuomo has. What happens when he gets caught though...? He kills that person and then they just go missing permanently. Why...? Cause I'm pretty sure that the (2) kids that I saw, on MAY 25th-MAY 26th, 2020, are BOTH HIS KIDS. Almost like, a <unspecified> showed up at my house, admitted that he loves the taste of penis, and said that to LAURA HUGHES.

LAURA HUGHES was actually shocked, and she immediately thought that I said that NFRASTRUCTURE WAS NOT INVOLVED. However, I never provided any evidence that suggested that this cunt was just... not paying attention at all. Why...? Because, Here's one way to MANIPULATE PEOPLE, and DETERMINE WITH 100% ACCURACY, that they are acting MALICIOUSLY, and performing something with NEFARIOUS/DEADLY INTENT.

Ask somebody to start an audio recording. THEN, talk about a trip to the hospital where your neighbor attempted to hit me with his baseball bat. THAT SHOULD BE A REASON FOR CONCERN TO AN ACTUAL LAWMAN or PUBLIC SERVANT/SOCIAL WORKER. However, if you are just talking about all of these details, and this person is NOT WRITING A SINGLE FUCKING THING DOWN...? That means they aren't paying attention.

Because here's how I know that as fact. I asked this woman for a copy of that recording, which she didn't give me. What she DID do, is take the fuckin' USB thumbdrive without telling me. So here's what happened.

I was almost killed by (2) dudes that happen to be BROTHERS, and are ASSOCIATED with my cousin, RYAN WARD. RYAN WARD, also goes by the street name, PENCIL DICK. That's because TATIANA CLEVELAND came up with it. TATIANA CLEVELAND and I have some HISTORY... Her uncle is KEVIN CLEVELAND and (owned/owns) WENDYS. RYAN WARD once upon a time was like "COME FUCKIN WORK AT WENDYS, MY DUDE, I'LL HOOK YOU UP." But I sorta had the HOTS for his fuckin GIRLFRIEND, so I felt like it'd be a BAD IDEA...

Here's the CHRONOLOGICAL ORDER OF OPERATIONS CHECKLIST... ROBERT RYBAK (* faggot), MICHAEL ZURLO, CHRISTOPHER MURPHY, ALLOW AN ACTUAL EXPERT SHOW YOU "HOW ITS DONE". Feel free to take some notes...

ANYWAY... Below are (2) links to OFFICIAL DOCUMENTS AND RECORDS WHERE I PERFORMED THIS THING CALLED: "PRIVATE INVESTIGATION". The RECORDS sorta paint me as a TROUBLEMAKER with a TRACK RECORD... HOWEVER... Keep reading, it'll get A LOT MORE INTERESTING ONCE PEOPLE SEE THE ACTUAL EVIDENCE I COLLECTED BEFORE MICHAEL ZURLO HAD HIS BOOTS ON THE GROUND CONSTANTLY SMEAR ME IN EVERY FUCKING RECORD. Cool...? Cool.

Now, I WAS ARRESTED OVER AN INCIDENT THAT IS IN THE SECOND LINK ABOVE. HOWEVER, WHEN I SUBMITTED THE FOIL REQUEST, IN SEPTEMBER, IT WAS MY ALIBI FOR THE THING THAT FREDERICK RENCH DEFENDED ME FOR IN FRONT OF JUDGE JAMES HUGHES.

That's because JUDGE RYBAK was involved in this FIASCO involving MICHAEL ZURLO, JAMES LEONARD, SCOTT CARPENTER, DJ THOMPSON, ERIC CATRICALA, BRUCE TANSKI, and ZACKARY KAREL. Ohhhh... so some faggot judge named ROBERT RYBAK had me ARRAIGNED and PREVENTED ME FROM OBTAINING THE RECORD OF MY ALIBI IN THE SECOND LINK ABOVE, so that the TOWN could ACOD the CRM. MISCHIEF IN THE FOURTH DEGREE, INSTEAD OF INVESTIGATING THE MURDER ATTEMPT ON MY LIFE OUTSIDE OF COMPUTER ANSWERS.

Here we go... I'll teach EVERYBODY, "HOW TO BE FAR MORE OBSERVANT AND A LOT LESS LAZY THAN THE COCKSUCKERS IN CHARGE."

And there ya have it. It'll probably take the OFFICIAL POLICE that get PAID to INVESTIGATE SHIT LIKE THIS, <DECADES> to INVESTIGATE THIS MURDER ATTEMPT. Not SHAEMUS LEAVEY's fuckin FAULT/JOB, to do that. Wanna know why...? CAUSE, it's CHRISTOPHER MURPHYS FUCKING JOB. THAT'S WHO I CALLED on JANUARY 27th, 2020.

squinting Wanna know why...?

Because when JUDGE ROBERT FUCKING RYBAK, and MICHAEL ZURLO act a lot like DEREK CHAUVIN and TRY TO MURDER SOMEONE, they can LEGALLY just SEND THAT PERSON TO PRISON FOR ANY BULLSHIT REASON THEY FEEL LIKE, IF THEY SURVIVE THE MURDER ATTEMPT. WHICH I DID, WAAAAAY BACK ON MAY 26TH, 2020. COOL...? COOL.

So, I hope I'm CLEARLY SHOWCASING HOW MANY FUCKING MORONS I HAVE TO OUTSMART.

Those (2) dudes that Deputy Cooper molested when he was raising them, in the exact same manner that MICHAEL ZURLO did to PAUL ZURLO. It caused these (2) dudes that RYAN USED TO SELL DRUGS (TO/WITH/FOR/AROUND), to start killing COMPETING DRUG DEALERS.

And then, TAKE ALL THEIR SHIT.

And then, nobody knows they're all related to SCSO DEPUTY COOPER, or his kids...

(1) of them WORKS at the TANSKI CORPORATION at 1 CEMETERY ROAD, with GLASSES.

The OTHER works at 1134 NEW SCOTLAND ROAD, ONE OF THEM has attended CLINTON COUNTY COMMUNITY COLLEGE and has probably

killed HUNDREDS to THOUSANDS of people, with his top botch barber shop skillset that he earned from... being fucked in the asshole by his father and brother.

JUST LIKE LEE KRUPSKY and TYLER KRUPSKY. I don't know if that's what TYLER did to his YOUNGER BROTHER...

But I'm gonna keep saying it until TYLER APOLOGIZES TO ME FOR RUNNING HIS MOUTH IN HIGH SCHOOL AND MAKING MY LIFE A LIVING HELL. Wanna know why...? BECAUSE, he like, WAITED for ME to say "That bitch right there is HOT..."

And then TYLER would go up to that girl and start to talk to her...

This happened with MELISSA STAALESON, KARI HODGENS, among a long list of others that I can't remember...

This dude acutally did this shit.

If I thought some girl was fuckin cute or hot...? Better not say it out loud near TYLER KRUPSKY cause what the fuck.

Dude would SWOOP RIGHT IN and just, start dating that girl and had basically a 100% success rate each time.

Fuckin' slick bastard...

ANYWAY, LEE KRUPSKY became a drug addict because I FIRMLY BELIEVE that he was trying to outrun the pain involved in being molested by his older brother, because their parents used to own the HAIR SALON on SOLAR DRIVE across from D&R VILLAGE. He would commonly tell people, that TYLER kept doing some of this NO NO NO shit...

But, TYLER didn't really care, did he...? No way bro. WAY TOO COOL ALL THE TIME TO BE AN ACTUAL HOMOSEXUAL. TIM LENZI, BRUCE TANSKI, and DOUG BAGELY all have this SAME EXACT STORY. WAY too cool to fuck other dudes...

LEE resorted to believing he was gay, cause, TYLER just had to fuckin' mess around with his younger brothers' head. Even though, he probably wasn't gay at all, because I never actually VERIFIED that he was in fact, sexually

attracted to other dudes.

BECAUSE...? I have seen that kid with WAY hotter girls than TYLER KRUPSKY ever had sex with.

I was amazed. Why would his own brother, TYLER KRUPSKY, call his younger brother a fuckin <unspecified>, just like MATT AND JEFF TRUESELL...?

The truth is, older brothers have a thing for sexually molesting younger brothers... and it starts this vicious circle of homosexual activities, lying about those homosexual activities, and then using APPEARANCES, PERSONALITY,

or REPUTATION, to crank up the MAXIMUM VALUE, of just how fuckin' gay they really truly are...
...for each additional day that goes by.

TIM LENZI, also goes by the street name, THE REAL POOPY DICK.
That's because, just like HIM and DOUG BAGELY...? They're psychos that fuck dudes SOMETIMES.

Somehow TIM LENZI stopped doing serious drugs long enough to become a father, and I feel bad that his daughter has to grow up and find out just how many times her dad actually invaded some other dudes asshole on video. But- the truth is, BRUCE TANSKI taught TIM LENZI practically everything he knows. ZACK, KELLY, and KOURNIE DORROUGHS father... BRUCE TANSKI tried to do this "being a fuckin' gay guy" with

That dude actually had enough BALLS and INTEGRITY to flat out look BRUCE TANSKI in the EYES, and say to the man... 'DONT YOU EVER FUCKIN' ASK ME THAT QUESTION EVER AGAIN. YOU GOT ME YA FUCKIN <unspecified>'

That's when BRUCE TANSKI had to hold his hands up, and say "Alright~! Sorry for askin'~! My bad, bro~! Jeez~!" Mr. Dorrrough actually had (2) really hot daughters, and Zach has never been an asshole to me, at any point in his life... however, I really do think that TIM LENZI actually MOLESTED ZACK. They hung out constantly.

Whether TIM was trying to hook up with KELLY, or not...?
KELLY, was fuckin absolutely gorgeous even way back in 1998.
So was ASHLEY fuckin' CAMPBELL.

These two girls thought that I was smart, funny, witty, cool and they fuckin' hung out with me alot. Until one day...?

Uh oh. *creepy viola introduction* Timothy Lenzi burst on the fuckin scene, blowing the doors off the fuckin' hinges... TIM LENZI, AKA "The REAL poopv dick son of a bitch"... in the flesh.

Dude had to come along fresh out of Boston, MA... and pretend like he was hot shit. Scott Monroe and Jason Mallory were IMPRESSED by this son of a bitch...

Especially when he would casually tell these girls ASHLEY CAMPBELL and KELLY PAPA:

Tim : I will bang the snot out of you...
Kelly : Fine.
 Whatever bro.
 Go ahead and try.
Tim : Oh, I fuckin will, don't you worry about that Kelly...

However, when they got to Zack's house...?
Tim had to pull the ol' switcheroo...

Kelly : I thought you were gonna try and bang the snot outta me...?
Tim : Eh... Just not feelin up to it right this minute. MAYBE LATER...
Kelly : Yeah...? Well, I like that kid MICHAEL COOK.
HE IS ACTUALLY REALLY FUNNY, DUDE MAKES ME AND ASHLEY CRACK UP IN HOME ECONOMICS.
I literally have the hots for this kid...
...and you're just gonna show up, say you're gonna have sex with me, and not do that...?
WOW bro.
Tim : I WILL, just not right now.
Kelly : Well dude, I gotta say.
You fuckin say that EVERY TIME you come over, then you and Zack go in his room...
Tim : Obviously, we are wrestling in there.
Cause I'm tryna teach Zack how to be a tough son of a bitch, like ME.
Kelly : YEAH, maybe makin' the rim of his ASSHOLE real tough...
Tim : That's actually incredibly correct, how did you know that...?
Kelly : Uh, cause you supposedly "WRESTLE" with Zack, every fuckin' day, basically.
I really don't think that's what you're doin, dude.
Tim : That's cause he and I are fuckin' real tough bastards.
NOBODY can knock us down, dude.
Not my dad...?
Not Michael Cook who's such a fuckin whiny little bitch about the way his father was murdered by (3) fuckin'

guys that HOFFMAN, TANSKI, PICKETT had [PREMEDITATED], since these kids were lookin for MICHAEL COOK'S

But, I'm really, too fuckin' (young/gay), to make that correlation.
Besides, I'm teaching Zack what my father does to me.
It's why I moved out of Boston, to Clifton Park.
Kelly : Alright...? So, why do you have to give Mike such a difficult time...?
Sometimes I have thought about what havin' sex with that dude would be like.
Even Beth Morrow, and Tiffany Cody think of it too.
Tim : Why though...?
He's not gay like I am...
He's the fuckin' fake-ass poopy dick.
Kelly : No. I know. That's cause that dude has never fucked some other kid.

Bruce Tanski might not actually have sex with OTHER DUDES, but he DOES COMMIT BANK FRAUD. Tim Lenzi definitely has had sex with other dudes, he's told me. That's why he felt more comfortable in his own skin by calling me names on the school bus, instead of telling SCOTT MONROE and JASON MALLORY, that he was MOLESTED by his FATHER in BOSTON.

Like, why would this dude pitch a tent every time he sat between Jason and Scott...?

Ya know...? I fuckin' kept growing a real fat one around girls.
That means, I liked what I saw.

From what I understand, TIM LENZI just had a thing for having a real rubbery soft one, until he thought of his wrestling time with <unspecified>. That's why TIM never joined the wrestling team. Even just sitting between two dudes on the bus...? That kid pitched an immediate tent. The only reason I know that, is because SCOTT NEVER LIKED SITTING IN THE SAME SEAT WITH THIS KID FOR A REASON.

The reason WHY, is pretty fuckin' obvious.
Tim's dick got hard around Scott, AND Jason.
Those dudes are DUDES. Guess what they're NOT...?
Girls that have a vagina.
Anyway, being in a constant state of denial is how TIM LENZI became such a HIGHLY motivated son of a bitch.

Eventually, after Tim lied to himself for so many years and had sex with so many dudes...?
I never (1) single time, did that.
I fucked plenty of GIRLS though... even became a father too...
Tim hadn't quite done that yet, so every time he'd brag about banging the snot out of some girl, I kept putting "air quotes" around this "girl" who he SUPPOSEDLY "banged the snot out of"...

And that dynamic worked out just fine for like, deacades it seems.
Tim was seeing a girl that I thought was fuckin obnoxiously fuckin' hot, basically since junior high school.
Her name... God damn Kim Wright.
Tim had NO IDEA that I was like, looking at this girl for like, the entire time I worked with em on that job in GLENMONT in 2014 that this cocksucker never paid me for.

Wanna know why...?
Never once seen this girl where I didn't think to myself:
"HOLY FUCK, dude. This girl is fuckin' absolutely hot as fuck..."

But- what I really meant was, wanna know why TIM NEVER PAID ME...?
Well, it's because TIM is ALWAYS FUCKING BROKE.
Don't ask me how he fuckin pays for a god damn thing, but he is an incredibly deceptive cocksucker and you never really know when he says words, if they're ever accurate.

He might tell his guys "I get \$20K for a (2-3) day job", which turns into a job that he can't do at that rate of speed, if his life depended on it, without GOING TO GO BUY DRUGS, and SHOVING SHIT UP HIS ASSHOLE.

Standard-issue, textbook "BRUCE TANSKI 101: How I consistently crush people's souls" by Bruce 'motherfuckin' Tanski Not for nothin'...?
When it comes to fooling everybody...?
Tanski is actually EXTREMELY FUCKING SKILLED at SOUNDING like he's fuckin talented at anything CONSTRUCTION related.
If it involves handling GUYS' WOOD...? TANSKI is one of the most highly seasoned EXPERTS in the field...
And that's what drove him to become as successful as he is.

He never fuckin built Snyders restaurant... Nah.
It's called SNYDERS because it used to belong to this girl I have known since I was a fucking child, KATIE SNYDER and her family. I remember hanging out with KATIE SNYDER all the fuckin' time, too... swinging on her god damn swing set. Her mother was very nice, and KATIE SNYDER and I sorta outgrew each other over time.

THEN, eventually BRUCE motherfuckin' TANSKI came along, and bought the god damn restaurant.
The COOL thing is, my cousin THOMAS COOK or my uncle THOMAS COOK, could BOTH, run that ENTIRE RESTAURANT by themselves.
With, no additional people even needing to 1) show up, 2) clock in, or 3) do any work whatsoever.

So when I think about how TANSKI has to have this bloody, dried-up cuntrag look on his face telling me not to POST STUFF on PUBLIC BUSINESSES DOORS...? WELL, I have to find a REALLY CREATIVE WAY to tell this cocksucker that he's got a LOT MORE PROBLEMS TO WORRY ABOUT than ME, POSTING SHIT ON BUSINESSES DOORS.

-----/ Parallels
Protected Free Speech /-----\

Oh... he knows the ins and outs of construction alright.
But that's how he will fuckin' get ya, each and every god damn time.

TIMOTHY KROM SR. has no fucking clue, this man BRUCE TANSKI has never once in his ENTIRE LIFE, lifted a single fucking tool, and manually showed people "how it's done". Nah.

From what I've ever been able to observe, Bruce does not USE construction tools HIMSELF, because the man is actually a genius in the most moronic fuckin' way possible.

Mr Dorrough...? I have DEFINITELY FUCKIN' SEEN HIM, do literally everything an actual construction man would typically do, on a construction site... so I know that while I may have written a letter for Kourtne Dorrough...?

What's that dude REALLY pissed about...?
She either STILL is fuckin' hot, or WAS when I wrote the letter.

How am I, MICHAEL C. COOK, supposed to tell her father, that I'll fuckin' knock BRUCE TANSKI OUT IN A HEARTBEAT,

IF I FIND OUT HE HAD AS MUCH INVOLVEMENT IN MY FATHERS MURDER IN 1995.
I KNOW THAT MR. DORROUGH HAD NO FUCKIN' INVOLVEMENT IN THAT.

Doesn't change the fact that if I wrote Kourtneie another letter, OR EVEN Kelly a letter...
...that dude should be wicked proud of the fact that he is the father of two goergeous ass fuckin' girls.
Though, I'm not certain he's KELLY's father.

Look, the point is, TIM LENZI and DOUG BAGELY shove drugs up their asses whenever they go to prison.
They have EACH LITERALLY FLAT OUT TOLD ME THAT THEY DO THAT.
Which, sounds cool... considering they BOTH FUCKING OWE ME MONEY FOR WORK I DID.

TIM LENZI, used to NOD OUT and nearly DRIVE OFF THE FUCKING ROAD.
But ALSO, fails to pay people money he owes them.
Literally a page right out of the Bruce Tanski 101: Fuck everybody, bro. Who cares...?

Well, I'll tell ya who fuckin' cares...
Whenever somebody decides that it's COOL to go ahead and NOT PAY ME WHAT THEY OWE ME...?
I'm just gonna tell people what that person does to their asshole, with a DILDO, or a CUCUMBER, or even a RUBBER
GLOVE
FULL OF DRUGS. Ya know...? DWAYNE COONRADT, at the very least... doesn't shove shit up his ass as far as I can tell.

PAVEL ZAICHENKO definitely does.
So does ROBERT RYBAK.
So does MICHAEL ZURLO.
So does PAUL ZURLO...
So does BRUCE TANSKI.
And DOUG BAGELY.
I mean, theoretically, OWING SOMEONE MONEY FOR WORK THAT THEY DID, AND NOT PAYING THEM, is stupid.
Because THEN, you open yourself up to being talked about, where things get shoved VIOLENTLY in and out of ones
asshole.

I gotta say, I really don't think Zach EVER ONCE would allow himself to have his asshole raided by the real
poop dick, TIM LENZI. Doesn't change the fact that Zach is the perfect candidate that could've seen the fact that
I was driven to investigate all this shit that this lazy cocksucker MICHAEL ZURLO couldn't do, right...?

So what if Zach drove his Lambo in Turf around Thanksgiving 2022 when DOUG BAGELY had me working in INOLI NY where
he fuckin sucked ass at installing SIDING on this lady's house...?

DOUG does the SAME SHIT that JEFF TRUESELL used to do where, he'll pretend to be my buddy for a while...?
Then I'll tell him that we're friends or pals...?
And then I wait long enough to see if the SAME BEHAVIORS AND PATTERNS THAT I DETECTED BEFORE, happen to REEMERGE.

DOUG is a fucking moron.

ZACH, isn't.
BUT- trying to impress the fuckin daylights out of people that live in TRAILERS, and work at CHERYL's LODGE...
...doesn't seem like something a RESPONSIBLE PERSON would do.

I wasn't trying to make that dudes life a living hell at all.
IF ANYTHING, I was providing a token of respect, and joking around.

Who cares if the Tesla Model S Plaid is an electric car that costs a fuckin hell of a lot less than that lambo he
fuckin bought, right...? And the Model S Plaid fuckin' smokes that OVERPRICED EXPENSIVE ASS PIECE OF SHIT THAT
ONLY LOOKS COOL because the CAR AND OIL INDUSTRY basically BAMBOOZLED THIS DUDE out of his hard earned money.

The truth is...?
Sometimes people will somehow work their ass off and EARN all this money, but even then, they really don't know what
the best way is, to spend it. Most people actually aren't thinking about themselves when they're thinking about what
they ought to buy... but sometimes they do.

It's like a fuckin' childish competition... where they SHOW OFF instead of trying to make the world a better place.
That's why ELON MUSK had to come along and show guys like TIM KROM SR., that you can in fact survive REALLY WELL,
without having to KILL PEOPLE for MONEY. Yeah. BACK IN 1776, AMERICAN COLONISTS THOUGHT THIS WAY AS WELL.

This whole moronic showdown has corrupted this fuckin planet, to the point where we have, as a species... caused so
much damage to this planet...? It is now PERMANENTLY IRREVERSIBLE.

I mean, some people say "It's not too late..." but, that's such a fuckin' moronic line of reasoning if you're talking
about DECADES that PEOPLE WILL SURVIVE, not CENTURIES where the globe has to FIX ITSELF.

However...? IT IS THE LEAST INSULTING WAY TO SAY IT.
The reason for that is because the oil executives actually giggle and laugh at the notion that they are causing ALL
of the people on the fuckin' planet... to remain in denial for as long as possible.

That is what the ENTIRE PURPOSE, of FOX NEWS, is ALLLLLLLLLLL about.

The end result will wind up being an unavoidable cataclysmic nuclear (radiation/exposure/fallout) armageddon where
nobody ever LAUNCHED a single fucking nuke. Some people are SO retarded, that they WON'T understand what I just said.

TIMOTHY KROM SR. is one of those people.

So is DWAYNE COONRADT.
TANSKI.
LENZI.
HOFFMAN.
ZAICHENKO.
ZURLO.
WARD.
Etc.

The reason being... they're gonna wind up exploding because some hackers will override everybody's defenses just like they did in December 2020... people will be too fuckin' SELF INVOLVED in INFLATING THEIR OWN FUCKIN' EGOS, to consider that it may already be too late to stop. Totally serious.

There's no fucking way in hell, that anybody can convince ALL of the people on the planet, to abandon the idea, of showing off your fortunes, because, people who become rich...? They are WAAAAAY fucking important, bro.

A lot more important than anybody else. Why...? Because they earned a shitload of money. Doesn't matter HOW they did that, because people are morons and they don't CARE nor do that CONSIDER, how someone became rich. (* REVERSE PSYCHOLOGY)

In some cases, it's because they ABUSE THE SURVEILLANCE PROGRAMS THAT SNOWDEN AND ASSANGE WARNED PEOPLE ABOUT.

They'll spend a huge chunk of it on themselves, and if they have to ignore people that are literally getting murdered by serial killers that have access to a dangerous fuckin' program called PEGASUS/PHANTOM...? They will.

MICHAEL ZURLO knows about this fuckin' program, and so does Deputy Cooper.
So do the PICKETT BROTHERS, so does PAVEL ZAICHENKO.
I really do not think DWAYNE COONRADT or BRUCE TANSKI are INTELLIGENT ENOUGH...
...to KNOW that this program exists. The rest of them, they do.

COOPER withheld NFRASTRUCTURE's involvement, in distributing that fuckin CIA grade VAULT 7 TOOL shit to my Apple iPhone 8+, not because they were using a tool for NATIONAL SECURITY, but instead...?

ESPIONAGE. CORPORATE ESPIONAGE. CONTROL. STOCK MARKET MANIPULATION. INSIDER TRADING. BECOMING WEALTHY WITHOUT WORKING.
THAT'S WHAT THEY USE THE FUCKING PROGRAM FOR.

Using THAT and something like ELSA, to get the TELEMETRY FOOTPRINT, which is like a fuckin' OVERVIEW MAP, that CREATES a god damn thing called a SHAPE, where the SERIAL KILLERS WILL FUCKIN' STUDY and determine the best location to kill someone that walks a lot with their device, such as me...

OR, they'll fuckin listen to somebody on their cell phone saying "I'm goin' on vacation on..." because- THAT is the perfect opportunity to plan for...

- 1) having Center for Security pick the locks when that person isn't home...
- 2) disable the security system AND surveillance systems if they exist...
- 3) subjugate that SURVEILLANCE SYSTEM so that it fuckin looks as safe as it usually does...

Cause most people are oblivious and DISTRACTED.
They don't realize that all it could really take, to TAKE EVERYTHING THAT PERSON SPENT THEIR ENTIRE LIFE EARNING...
...is to LIE TO THAT PERSON, and then KILL THEM WHEN THEY'RE NOT PAYING ATTENTION.

THAT'S IT. People will act like entitled fuckin' brats, who think they are BETTER THAN EVERYBODY that doesn't fuckin have a "JOB" or "MAKE MONEY". I'm not OBLIVIOUS to the notion that the ECONOMY RUNS OFF OF MONEY...

But I think people are REALLY RETARDED when they're asked about HOW to GENERATE LARGE FORTUNES.
Typically, GENERATING LARGE FORTUNES requires having some sort of SYSTEM in place, so if someone like ME detects a bunch of MALICIOUS MEANS to GENERATE LARGE FORTUNES...?

Well, EXPOSING THAT SYSTEM causes the RICH PEOPLE THAT HAD A SYSTEM IN PLACE, to...
...wind up in fucking PRISON.

So, I hope I'm painting a PRETTY FUCKING CLEAR PICTURE of WHAT IT TAKES, to HAVE TOP DECK AWARENESS.
So like, when people treat others like a piece of trash when they find out a person is broke...
the things that person owns, such as their 1) house, 2) car, 3) shit...?

...it is all the prime stuff that has value and can be easily sold, without alerting a single fucking living soul.
Why...?

Uh, because Facebook is fuckin really awesome at causing people to believe that people are online, and that MUST mean they're fine. The truth is, they COULD HAVE BEEN KILLED 8 FUCKING YEARS AGO, and neither YOU nor ANYONE ELSE, ever found out.

That's how fuckin COOL this plan of theirs truly is...
That's exactly how BRUCE TANSKI became a RICH BASTARD.
Really, anybody in these fuckin MAFIA GROUPS where they can get DIRTY POLICE OFFICERS, and JUDGES, and all that shit, to TAKE SOME BRIBES and LOOK THE OTHER WAY.

^ That's how you can FIND CORRUPTION IN THE GOVERNMENT.
And...? EDWARD SNOWDEN and JULIEN ASSANGE were ATTEMPTING TO WARN PEOPLE ABOUT THIS.

Cool...? COOL. I hope people fuckin' get it NOW.
Here's how SOMEONE CAN USE A DEAD PERSON'S DEVICE TO ASSUME THEIR IDENTITY...

Since people just send instant messages...?
That means literally any other person in the fuckin' world, can effectively answer those questions (ON BEHALF OF THAT USER/PERSON THEY KILLED). They're fuckin' DEFINITELY doin this shit ladies and gentlemen. I've seen it with my own fuckin' eyes.

However, it ALL requires a sense of people REALLY THINKING THAT I MUST BE INSANE... and that is the tell tale sign, that you are right there and then, an immediately PRIME TARGET OF OPPORTUNITY.

Mainly because, you just said those words that they were automatically recording with a program like PRISM, one that eavesdrops on every conversation, shoving every fuckin possible way to communicate with other people, without being MAIL BASED... into a fucking literal fortress of logic.

ALL of your conversations via VOICE, SMS, COMMENTS, SOCIAL MEDIA, PICTURES, AUDIO LOGS, ETC... all of it is being thrown into a database where they are doing everything they can fuckin' think of, to exploit everyone inside the domestic United States of America.

Bruce Tanski (2) / Protected Free Speech

Anyway, what RETARDS will do when I explain to them that I'm a LOT more intelligent than they are...?

Well, as soon as they hear somebody like TIM KROM SR. say something like:

Tim Krom Sr. : THAT IS SOME STRAIGHT-UP BULLSHIT, DUDE
I'D KNOW, IF ANY OF THAT SHIT WAS HAPPENIN' BRUH.
CAUSE...
I'M ONE OF THE MOST OFFICIAL, TOP NOTCH, VERY AWESOME COOL GUYS TO BE WILLED INTO EXISTENCE...
I'M 100% CORRECT EVERY SINGLE TIME I SAY A STATEMENT.
THAT'S A FACT, BRO.
DO YOURSELF A FAVOR, AND GET YOUR LIFE TOGETHER BRO.
YOU'RE OBVIOUSLY PSYCHOTIC.

WELL DIPSHIT...?
I sorta caught the suspicion that right after you shut the door...?
You probably did the same fuckin' thing ERIC CATRICALA did...

Krom : *dials Bruce Tanski*
Tanski : *answers* Hey this is Bruce motherfuckin' Tanski... at your service.
Krom : Dude, I know who the fuck ya are... how long have we known each other...?
Tanski : Literally more than 3 decades, at a bare fuckin' minimum my dude.
How's it fuckin' hangin...?
Krom : Bruce, we've got a fuckin serious problem.
Tanski : ...what kind of problem...?
Krom : Well, this fuckin' dumbass son of a bitch Michael Cook...
Tanski : *starts freaking the fuck out* OH GOD. WHAT THE FUCK DID THAT KID SAY...?
Krom : Uh, what the hell are you freaking out about...?
Kid's been a total fuckin' loser his entire life, just like his DAD was.
He's a fuckin total douchebag, low life, degenerate piece of filth...
Nothing to worry about.
Tanski : You're a fuckin total moron bro.
That kid has me in the fuckin hottest seat I've ever been sitting in.
Krom : Dude, you're freaking out over nothing... HE's a fuckin' NOBODY.
My SON doesn't even wanna talk to him.
You got nothin' to worry about.
Tanski : Hey Tim.
I'm gonna tell you something right now.
Krom : What...?
Tanski : Smack yourself across the fuckin face, as hard as you fuckin' can, right now.
Krom : ...why...?
Tanski : That kid has gotten international attention.
Every agency from the FBI, NSA, CIA, and Microsoft, are keepin' tabs on him.
Krom : *begins to laugh hysterically* LOL.
BRO.
THIS KID, IS A FUCKIN' JOKE.
Tanski : Nah man.
You are obviously doing the same thing everyone else does.
You need to pull your head, OUT OF YOUR ASS...
This kid is extremely dangerous to our entire operation, and...
...he is so fuckin intelligent, that he just KNOWS every god damn trick we try

Krom : Like WHAT.

Tanski : I'm just gonna tell ya...
This kid, is a LOT SMARTER than you can possibly imagine, and he's...
...literally the largest threat we have ever encountered.
IT IS AS IF THIS FUCKIN KID... KNOWS WHAT WE ARE THINKING.
LITERALLY, PLAY BY PLAY, this kid EXPECTS EVERY GOD DAMN THING.
EYES ON THE BACK OF HIS HEAD.
LUCKIEST FUCKIN SON OF A BITCH ANYONE HAS EVER SEEN...
Or...
Just a fuckin' god damn genius from the future or some shit.
I DO NOT KNOW.
He has our KEY BANK OPERATION ON strict LOCKDOWN DUDE.

Krom : You gotta be fuckin' kiddin' me, dude.

Tanski : Nah, dude... he is telling people that I fuck JOHN HOFFMAN in the asshole.

Krom : Dude, you don't do that.

Tanski : You're right, but the way this kid says it...?
People think he's right.

Krom : So, you're tellin me, that some drugged up fuckface junkie that still lives with his mom...
...somehow outsmarts you and a dozen other people...?

Tanski : Yes.

Krom : Bruce, I just told this kid that he needs to get his act together.

Tanski : You have no idea how together this kids fuckin detective work has been.

Krom : Uh, what do you mean by 'detective work'...?

Tanski : You really are a dumb son of a bitch to keep asking me these fuckin questions.
He's a private investigator.

Krom : No, I can tell ya right now, he fuckin would NEVER IN A MILLION YEARS...
...be anything more than a fuckin' dead body on the side of a road in 2 minutes.

Tanski : You really ARE stupid dude.
Where you do live right now...?
Still livin in that piece of shit modular house...?

Krom : What the hell does that have to do with anything...?

Tanski : Nah, it's a deluxe edition-
Yeah. It's a deluxe edition-
Nah, it's a piece of shit modular house that you paid too much money for.
AKA, a fuckin' trailer.
Wanna know where I live...?

Krom : Like 9 Meyer Road, bro. Like always.

Tanski : That's right. that's where I live.
Guess where I'll be living soon, cause of this kid...?

Krom : I have no idea.

Tanski : Prison, along with MICHAEL ZURLO, ERIC CATRICALA, JOHN HOFFMAN, JOHN PICKETT...

Krom : ...you're fuckin' pullin my leg right now...?

Tanski : Nah, you fuckin' idiot, this kid is serious fuckin trouble.

Krom : I mean, the dude lives in the trailer his father fuckin' left him.

Tanski : That kid is bound to become a billionaire, real soon Tim.

Krom : *stands straight the fuck up when he hears THAT* NO FUCKIN WAY DUDE...
I JUDGE PEOPLE BY THEIR APPEARANCE, REPUTATION, AND HOW MUCH MONEY THEY HAVE...
THIS KID HAS FUCKIN NONE OF THAT GOIN RIGHT FOR HIM AT ALL...

Tanski : Right, it's why I just about had to call you a fucking moron about a dozen times.
Ya know...?
How many times to I gotta say it...?
MICROSOFT HAS BEEN WATCHIN HIM CAUSE THEY LOVE HIS FUCKIN WORK YOU STUPID FUCK.

Krom : WHY WOULD MICROSOFT GIVE A FLYING FUCK ABOUT THIS DUDE...?

Tanski : Dude, you really are a fuckin' lost cause.
Do you ever do anything except be a fuckin asshole...?
Like I've had to explain it a dozen different ways.
Our fuckin entire operation is busted.
He trapped us.
We have no fuckin way out now.

Krom : Well, how the fuck did this dude pull that off...?

Tanski : He found out that his father's death was PREMEDITATED...
...and that the ALBANY COUNTY DISTRICT ATTORNEY essentially threw the fuckin' case.

Krom : ...all (3) of those kids got 25 to life...

Tanski : ...they never named the trigger man because they never thought anyone would find out.

Krom : What the fuck is THAT supposed to mean...?

Tanski : This kid has correctly implicated the right people that were involved in that.
Which means that we could all go to prison for 25 years to life.

Krom : Are you fuckin' serious right now...?

Tanski : Yeah man, you really are one of the dumbest fuckin people I've ever known.
You obviously have some fuckin brain damage or something.
Like, you literally ONLY became interested in anything I said...
...once I said this kid is bound to be a fuckin' billionaire real soon.

Krom : *points* You're god damn RIGHT I'm interested...
This fuckin kid is gonna be a billionaire, and I'm not gonna be able to steal any of it...?
Over my fuckin dead body, dude...

Tanski : You'll likely go to prison with us, dude...

Krom : ...for what dude...? What the fuck did I do...?

Tanski : Mangione.

Krom : Who, the god damn locksmith...?
That's not even the right one, you fuckin idiot...

Tanski : Nah. This dude bailed his father out of jail at Albany P.D. to...

...start a FIELD INITIATED REPORT.
 This kids dad knew about our operation in Albany back in the late 80's.
 THAT is why he got himself killed.
 His FATHER knew what the fuck was going on.
 There was someone that believed HIM...?
 And they fuckin know because of Mangione.

Krom : Yeah, well, I find that really hard to believe that this fuckin' dude...
 ...outsmarted a bunch of EXPERTS that have been doin' this shit for over 30 years.

Tanski : Yeah...? Well, this kid is the most intelligent person OR the luckiest fuckin person...
 ...in existence I guess.
 OR... the kid literally CAN hear clues from his dead father.

Krom : Nah.
 That is fucking absolutely psychotic, and I can't believe that YOU...
 ...would EVER feel THREATENED by this dude with no money to his fucking name.

Tanski : Yeah Tim, well, I fuckin' have a hell of a lot more money than you'll ever have.
 So if I'm tellin ya that this kid has CAUGHT ME, and i'm not in jail or prison yet...
 ...what the hell do you think that means...?
 I mean, really...?
 I FUCKIN KNOW HE'S WORKIN WITH THE FBI YOU FUCKIN' IDIOT.
 HE SAID THAT TO KENNETH YATES.
 ALL YOU PEOPLE SEEM TO THINK HE is fuckin comin up with wild fantasies or some shit.
 CAUSE OooOooooOoooOHhhHHHHhh he's not a rich bastard, so it is literally impossible for him...
 ...to be of any fuckin' concern whatsoever.
 The kid is literally using every single fucking strategy in our playbook.
 I really think that this dude is an absolute genius, and I sorely underestimated this kid.

Krom : If this kid caught you... and you're not in prison, nor has your money been taken, then...
 FINALLY understands exactly what it all means Well, holy fucking shit dude.

Tanski : This kid...?
 He is... one of the most intelligent fucking people I have ever...
 I'm gonna be staring at a prison wall just wondering how this fuckin kid pulled it all off.
 Cause, surprisingly...
 I think he was driven by something that can't even be fuckin' measured dude.
 Dollars don't matter to this kid.
 Everyone LITERALLY overlooked that.

Krom : *shakes his head* Nah man, you see, the FBI wouldn't give a flying fuck, unless this kid...
 had a lot of money, Bruce.
 You're getting yourself all worked up, and being a total fuckin moron.

Tanski : Nah dude. I can show you the evidence, that these people have sealed many charges.
 None of my guys know what those charges are... they're just...
 ...unnamed dockets.
 I think i'm trapped and I might actually get the death penalty.

Krom : So why don't you... like... ya know...?

Tanski : Cool bro, I'm glad you're the fuckin mastermind, cause you think I didn't already consider
 something that they are hoping that I will fuckin try...?
 The best case scenario... Tim...?
 Is that, if anybody else kills this kid...?
 That will make it a lot worse for all of us.
 So if anything...? I have to make god damn certain that he doesn't get killed.
 And that includes YOU... or whoever fuckin feels like going right up to him.

Krom : Bruce, done this so many times, believe me...

Tanski : ...that is one of this kids strategies.
 I have heard the words out of this kids mouth...
 Most people, are fuckin morons, and they don't understand what the words mean.

Krom : ...what words...?

Tanski : When all four corners of a RHOMUS are each a perfect 90° angle...?
 It meets the (1) singular condition, in which a RHOMBUS is ALSO A SQUARE.

Krom : ...yeah...? So what...?

Tanski : It is a metaphor for INTELLIGENCE and INSANITY, dude.
 His INTELLIGENCE and INSANITY are like a fucking 1:1 ratio.

Krom : ...what does that mean...?

Tanski : His unpredictabilty, masks his genius intellect.
 That makes him fucking very deadly with assumptions people make about his appearance,
 reputation, or personality. He literally has been writing a fuckin god damn book dude.
 This kid, is a lot smarter, than you will ever be, Tim.
 And he's fuckin' cocky about it.

-----/ Bruce Tanski (2) /-----
 / Predictability /-----

What I'm doing, by writing this fuckin' document...? MIGHT SAVE YOUR FUCKIN LIFE, BRO.
 THESE SERIAL KILLERS KEEP GETTING AWAY WITH MURDERING PEOPLE BECAUSE THEY ARE ACTUAL SPIES FROM ANOTHER COUNTRY.
 DEADLY ONES that will cause a BUZZING IN YOUR EAR whenever they have caught on.

While they ARE deadly...?
 Your instincts will keep you alive, but TIM KROM SR. does not understand what instincts are.

He is involved and affiliated with people who most certainly are...
 ...and those are the people I need to be GRAVELY concerned with, however...
 Nah, I don't. They're fuckin' morons. I am able to manipulate these people, just by saying it.

Similar to how a fuckin bug will fly in the window toward the light...?
These people do not know how to stop themselves when I am in the middle of having no money whatsoever...
...and somehow outsmarting them. Every single fucking time, too.

There's never a single situation where I have manipulated them into a full-blown...
...someone that underestimated me, falls into a death trap, and they killed themselves.

Cause, 10 dimensional chess actually requires intelligent opponents to play it correctly.
Being in checkmate is pretty difficult to foresee when you're a fuckin moron like TIM KROM SR.

So, the more you pay attention to your instincts, the safer you will always be.
Most people believe that HAVING RICHES, automatically means that you are intelligent.
That's why people like TIM KROM SR.... they fall right into this trap I set for em.
Like, flawlessly. Each and every fuckin' time... Immediately, they found themselves right in the crosshairs
of my allies. And they never even know what hit them.

So, if I just go around fucking everybody's wife or daughter, and like, calling them a fuckin' useless cocksucker
who spent their entire life sucking at every fuckin thing they ever did...?
Of course, they will IMMEDIATELY see FIRE IN THEIR EYES, and then, WHEN THEY TRY TO KILL ME...
That is when they get to die.

I have come to the realization that I have to specifically talk like this, because there is no other way,
to force the fuckin devil, to be my cute little "you get to do whatever I fuckin' tell ya do to."

...and those words will piss off every living man that sees me as an insignificant, doucehbag, lowlife,
piece of shit that has nothing to show for my intelligence, or willpower, and yet...?
I will have such an incredibly long list of victims that made that same fuckin' mistake.
I will actually develop a system that is able to attract these careless predators very easily.

It pisses them off even more, because they have spent their entire existence, being told that morals are fuckin
stupid, dude... Worry about yourself. THEN worry about other people. However, ignorant people think that way.

You have to keep them both in the forefront of your mind at the same time, in perfect harmony.
So like, when I call TIM KROM SR. a cocksucker, and then I talk a lot of shit about BRUCE TANSKI, and JOHN
HOFFMAN...?
They will never understand that I will never have any reason to be afraid of anything about either one of these
cocksuckers. They will fuckin come to terms with it when they're in prison, too.

They will doubt it, because they do not understand that I am an APEX PREDATOR.

Here's how this social hierarchy works.

ALPHA MALE/PREDATOR > BETA MALE/PREY != OMEGA/APEX PREDATOR

People in American society, are very ignorant (at least when they put MONEY before PEOPLE).
The reason WHY this is the case...?
Is because, people actually think that when they lie...? It can't be detected.
That is the fucking ultimate reason, why I consistently outsmart every single opponent that thinks to...
...attempt to fool me with a LIE.

People don't get it. They have lied to so many other people, that they will truly believe they are making
the most SAFE ASSUMPTION THEY CAN POSSIBLY MAKE, and think that I'm less important than they are. Sorta
like how when MOST people see a WASP, well, they're fuckin morons and they'll try to KILL the wasp, instead
of allowing it to survive, and then opening a window or a door to let it out.

People really are, ignorant in the sense that they fail to consider, that something a lot more complex,
in a higher dimension... will in fact return that same exact treatment you provided for that wasp.

People really are stupid, and they will CONTINUE TO MAKE THESE ASSUMPTIONS THAT THEY BELIEVE ARE SAFE.
However, That is the main reason why I continue to outsmart people.
NEARLY EFFORTLESSLY TOO BY THE WAY...

What I am absolutely certain of, is that this PORTION of America, is under a COMMUNIST REGIME that has
CONNECTED a very large number of CORPORATIONS, EQUIPMENT, ABILITIES, UTILITIES, and SERVICES...
...to provide a 100% totalitarian control, over every single person in this STATE, REGION, and COUNTRY.
additional mistakes. It's literally that simple.

It is so fuckin easy, to tell someone with a lot of money, that they're a fudge packing homosexual,
and that person who spent such a long time having no idea how or why it used to be SO FUCKING EASY until...
...I came along...?

They're gonna keep trying to tell other people.
BRUCE TANSKI will literally have a nearly identical conversation with TIM KROM SR.
The reason why I wrote it like that, is to showcase a living example of how EXTREMELY FUCKING MANIPULATIVE I am.
I know things. Tim assumes things.
When I know things, I will always be correct.
When Tim assumes things, he will never know that he is wrong.
BIG FUCKIN' DIFFERENCE, DUDE.

And you know, I'll offer people the web links that they can click on to do their own investigation into the evidence that thousands of people just, made no fuckin correlation of, at all... and you know, BRUCE is likely to lose his fuckin god damn marbles BEFORE he, is actually looking at the evidence... and my god...

Here is EXACTLY how that conversation is gonna pan out.

Pam : You know, YOU HAVE SOME SERIOUS FUCKIN NERVE PAL...
TO ACCUSE BRUCE TANSKI OF HAVING YOUR FATHER MURDERED.

Me : Not really.

Pam : I've known Bruce for YEARS, he has ALWAYS BEEN A VERY RESPECTABLE PERSON.

Me : Oh, well, did you know that he had my father greenlit for murder, or that he's a fuckin RUSSIAN SPY...?

Pam : YOU NEED TO BE ON SOME MEDICATION OR SOMETHIN DUDE, YOU ARE LITERALLY BATSHIT CRAZY.

Me : Listen cunt.

Pam : *GASPS* WHAT THE FUCK DID YOU JUST SAY TO ME...?

Me : I'd like you to take a look at the last message I sent your ass on Facebook with the picture.
The reason why I sent that picture to you...?
Is mainly because I, being one of the most intelligent people in this fuckin state...?
I SAW SOMETHING THAT SHOULD'VE CAUSED YOU AN IMMEDIATE SENSE OF PANIC, DREAD, AND FEAR...

Pam : Like what...?
This picture of the advertisement...?
You sound like you have totally lost your fuckin mind, dude...
You really have some fuckin' nerve to accuse BRUCE TANSKI of...
...CONSPIRING TO MURDER YOUR DEGENERATE DRUG ADDICT FATHER.

Me : Hey Pam.
I can tell you in one sentence, how and why, you have no fuckin clue that BRUCE TANSKI is looking at the electric chair.

Pam : *SO FUCKING OFFENDED AT THAT IDEA, SHE IS JUST COMPELLED TO LISTEN EVEN LONGER...*

Me : It is literally because the man ordered the murder. Himself.
so, whatever training academy you went to, to study how to investigate a fuckin' crime...?
Go get your fuckin' money back, cause you're fuckin very terrible at it.

Pam : What the fuck has gotten into you, dude...?
You have lost your fucking mind.

Me : Nah, you see...
I have advanced KNOWLEDGE and this other stuff called EVIDENCE, and that is HOW and WHY...
...when Bruce probably gets executed by the State of New York...?
You still will be in total shock and amazement.
Wanna know why...?

Pam : That is definitely never gonna happen dude.

Me : That sentence you just said...?
It is a measurement of your stupidity.
That isn't an opinion.

Pam : You know what...? I'm done.

Me : You can hate me all you want, but I'll always love you.

Pam : ...*something in her brain finally fuckin clicks*... what the hell did you just say...?

Me : You heard me. I remember a lot of shit dude. I remember when you said that to your son.

Pam : You really have a lot of fuckin nerve dude... I mean, really, you do...

Me : Pam, I don't think there's really any way I can say this...
But I am probably at or about 2 to 3 times more intelligent than you are.

Pam : *has never fuckin heard those words before* ...I don't care dude.
You're goin' around insulting some respected member of the community.

Me : So like, if I had a video, or an audio cassette that you don't even fuckin know, existed...
I can tell ya right now...? Watching that video, or listening to that audio cassette, will cause you to apologize to me profusely.

Pam : Nah. I don't think so, dude. It doesn't exist.

Me : That is the reason why you SEAL YOUR OWN FATE, you don't know the difference between "IMPOSSIBLE" and "HIGHLY UNLIKELY".

Pam : Nah, I've known Bruce longer than you've been alive, he's not a fuckin Russian spy.

Me : Eh, well, that's why my evidence will force you to realize that you're fuckin' totally wrong.
When I say the EVIDENCE, what I mean is HARD PROOF THAT NOBODY IS EVEN ASKING TO LOOK AT OR LISTEN TO...
So they're making these CARELESS FUCKIN ASSUMPTIONS, just like YOU are doing RIGHT FUCKING NOW.
Careless assumptions.
You aren't putting any actual brain power to ask a question.
By not asking a fuckin question facetiously, it causes you to immediately become a fuckin moron.

Pam : YEAH WELL OFFENDING ME BY CALLING ME A MORON ISN'T GONNA CAUSE ME TO WANNA BELIEVE YOUR FUCKIN' MADE UP FAIRY TALE.

Me : I could literally tell you over and over, that this fuckin evidence exist, right...?
And you'll spend fuckin' decades trying to figure out...
How I outsmarted a dozen people from the RUSSIAN MAFIA...
...that you were fuckin' totally certain didn't exist. That is your single, biggest, mistake.
You are supposedly a law woman, right...?

Pam : YEP I AM MIKE. YOU KNEW THAT.
Me : You can fuckin' have an attitude with me all you like, but the (3) kids that murdered my father were ORDERED to EXECUTE my FATHER.
Pam : Nah dude. You need to go seek counseling or something, cause you have lost your fuckin' god damn mind.
Me : That's your estrogen and ego doing all the talking right now, you're not actually applying any thought whatsoever.
Pam : I don't fuckin' NEED to dude.
Look at you, you lost your kids, their fuckin mother abandoned them, you need PROFESSIONAL HELP.
Me : Listen <unspecified>... you need to shut the fuck up right now when I say this...
MICHAEL ZURLO FROM SCSO FACILITATED AN ATTEMPTED MURDER, AND, my COUSIN, RYAN WARD works at the FEDERAL

Pam : I have known you, your entire fucking life. I used to fucking BABYSIT YOU when you were a child.
THERE IS NO FUCKIN' POSSIBLE WAY... THAT ANY OF THAT SHIT IS TRUE. YOU... NEED.... HELP. GOOD BYE.

^ That is how extremely manipulative I am, because if she reads that conversation...? She will immediately understand that... I have drafted a practically picture perfect PREDICTABILITY for her ARCHTYPE.

As for PAM...?
Maybe she will fuckin' be SO pissed off, that I used all this foul language and sounded like a manipulative asshole...?

SHE WILL NOT REALIZE THAT THE ASSUMPTION SHE WILL IMMEDIATELY MAKE, is this...

She doesn't understand the concept, that the police -> THEY DO NOT COLLECT EVIDENCE.
Normally, the investigators suck ass at investigating shit.
It's not their fault that they suck ass at investigating shit.
They can't help the fact, that they were never born to be skilled, at investigating a god damn thing.

Then, they will be very fucking hesitant to make additional mistakes. It won't stop them from totally ignoring the shit that I keep saying. They heard it already. They have already made a decision that they'd rather go to prison. That's exactly what I mean by the WRONG way to investigate stuff.

But, try to tell this lazy cocksucker that he like, totally cut and censored out the whole window of time where I fuckin' totally took pictures and video that shockingly... he fuckin' didn't think that shit was actually very helpful at all. even though...

I showed that MOST CRITICAL VIDEO ON MY DEVICE... to SHAEMUS LEAVEY...
And like, I believe that going to talk with him about it AGAIN, will actualy be a waste of time.

It is not the job, of the police, to collect evidence of a crime happening to somebody.
Most of the time, their job is to (DESTROY/IGNORE) THAT EVIDENCE.
Some people will stop reading this RIGHT THERE AND THEN.

They saw something that goes against everything they were ever fuckin' taught, cause I fuckin said the actual truth.

Definitions / Predictability

INTELLIGENCE	ACTION	CONDITION	REACTION	VERDICT
TOTAL MORONS	saw something I wrote	can't read	immediately gave up	Oh well dude, I can't read
SORTA MORONS	saw something I wrote	CAN READ...	needed a dictionary said "fuck that bro"	Fuck you for being real smart ASSHOLE, dude. Unreal
GENIUSES	READ what I wrote	UNDERSTOOD IT	AGREED	On the same page

MORONS, don't even bother reading what I wrote.
Cause, they can't actually READ.

SOMEWHAT INTELLIGENT PEOPLE, might read it, and think:
"WOW, THIS DUDE SOUNDS LIKE HE HAS NEVER SEEN COPS ON TV. WHAT AN IDIOT, LOL~!"

ACTUAL INTELLIGENT PEOPLE, will read it, and think "Correct."
(TV COPS → collect evidence | REAL COPS → RARELY DO THAT)
(TV COPS → give impression: murdering somebody is BAD, and if you do it you will definitely be caught)

TV COPS as well as the NEWS, GIVES people the impression that...

People : *shakin' head* If *points* YOU even THINK about KILLING somebody...?

OH MY GOD DUDE, you are SO definitely gonna get SO GOD DAMN CAUGHT...?
These fuckin' TV COPS will fuckin' ARREST your ass~!
It won't even be fuckin funny, dude.
You will literally be fucked if you do that, so...
DO NOT KILL PEOPLE, otherwise you're a fuckin' real sick bastard.

REAL COPS...? Like, TROOPER RUFFAS, BORDEN, or MESSINES...? They'll give up after 48 hours, permanently too.

They may even say "Fuck you, dude. You deserved it."
There's a high probability that no one will fuckin' solve the murder... sometimes they will murder someone and then PRETEND like they "investigated" the murder.

That is the #1 reason why people in this country are fuckin morons.
I am SORT OF hyperbolizing, or rather, ACCENTUATING the truth...?

But, people really have no way of knowing if they're talking to a cop that will "collect your evidence" of a crime happening, and then as soon as they walk right outside of your view...? That shit goes RIGHT into the trash can.

Not even remotely fuckin' kidding. I am dead serious, sometimes they will LITERALLY DO THAT.
The police don't collect evidence UNLESS, it is specifically tied to a HEINOUS MURDER/VIOLENT EVENT or...
...some fuckin drug bust or whatever.

Whenever it is a HEINOUS MURDER or VIOLENT EVENT where the POLICE THEMSELVES were actually involved...?
They will [DESTROY] that evidence, and that is exactly what they did to the EVIDENCE that I had on my Apple iPhone

8+.

My mother has never really been a helpful human being in really, any way, shape, or form.
I told her BEFORE I just went around taking pictures, audio logs, and whatever, that I had a feeling I was gonna go missing and never be found.

| 04/04/22 | My mother | https://drive.google.com/file/d/1E5ERWMgj8GkznNZ_i0bAwjppkD_sWAND |

She didn't really give a shit.
Cause she is a fuckin' <unspecified> like that.

I mean, I wasn't being dramatic in the least.
I will STILL tell this story over, and over, and over...?

My mother, basically treated me as if there's no fuckin way, that anyone would've REALLY tried to kill me, cause if they did...? They would've kiled me. (← FALLACY ALERT)

Well, they did that to your fuckin husband you miserable bitch. THEN, you literally lied to SARA DERUSSO on 06/28/22.

| 06/28/22 | My mother | <https://drive.google.com/file/d/1o8alloGf1YARtdmzbZTC4oiTdb2Y-HKs> |

NORMALLY, people can't be HEARD, SCREAMING WORDS when someone is STRANGLING THEM.

BUT- like I said, the fucking POLICE are RETARDED sometimes, and they will go ahead and MAKE AN UNLAWFUL ARREST.

People in the COMMUNITY will actually DISREGARD all of my CRIES FOR HELP...?

Because some <unspecified> like WILLIAM MOAK will go ahead and smoke a cigarette while I'm being ILLEGALLY ARRESTED and TASED, because BILL MOAK IS A MISERABLE FUCK LIKE THAT.

Bill actually ENJOYS the fact that MY MOTHER provided TESTIMONY in that AUDIO RECORDING from 04/04/22...?

It TOTALLY CONTRADICTS THE STORY THAT 1) HIM, 2) HIS WIFE, and my 3) STEPFATHER GAVE TO MARK SHEEHAN on 06/13/20.

^ That's what I mean by people are MISERABLE FUCKS that DON'T FUCKIN CARE ABOUT THE TRUTH.

The people that tried to kill me, they're RUSSIAN OPERATIVES.

BRUCE TANSKI IS A RETARD, so he will actually ALLOW them to fuck the man in the ASS, and then they'll basically kill whoever.

Bruce is fine with being fucked in the ass BEFORE they kill people, as well as AFTERWARD.

At least that part is LEGAL for him and them to do.

The part where they KILL people, isn't...

As for my MOTHER...?

The reason why they DIDN'T kill me... is because I outsmarted them.

One way that ANYBODY can OUTSMART ANYBODY ELSE...?

Is to: 1) record AUDIO or VIDEO without ALERTING that person, that you're recording them. That's ALL it takes.

So for instance, my mother.

HANDS IN THE AIR, RUNNIN OUTTA THE FUCKIN ROOM, TELLING ME SHE FUCKIN HATES ME, FUCK YOU DUDE, YOU NEED HELP

^ She says all this shit without even considering that I have always been far more intelligent than her...

...and she quote unquote KNOWS that...

Typically when people say "Well, YOU KNOW that such and such"...

People don't realize they're talking out of their ass when they say this stuff.

Sure, maybe in a CONVERSATION, I "KNOW" that DOUG BAGELY is my "FRIEND".

But, outside of a conversation where I have to write shit down for OTHER people...?

DOUG is a fuckin degenerate lowlife scumbag that rips people off, constantly lies to everybody, and even treats his girlfriend like she's DISPOSABLE, and then he will say that SHE HAS MENTAL PROBLEMS.

Yeah, DOUG BAGELY, treats his girlfriend like dog shit.

Just like how my STEPFATHER treats me like I'm a fuckin total moron because I'm not generating profit or revenue..."

So that makes it OK in his mind, to LIE TO THE POLICE, or even LAUGH ABOUT SOMEBODY STALKING ME AND PLANNING ON

KILLING ME. Uh, why...?

It's because people don't SAY IT OUT LOUD, but most Americans that are of my mothers generation or so...

...most of them have experienced severe brain damage because of the lead that they used to put into gasoline.

It's basically the beginning and the end of that conversation. Typically, people like SILFREDO VASQUEZ will say...

"Not ME man, I don't have BRAIN DAMAGE..." (* Morons with brain damage will typically say this, however.)

Wanna know what separates me from other people that have brain damage...?

I'll admit that there's a POSSIBILITY, that I might have SOME BRAIN DAMAGE, from all the shit I've been through.

But- that's the FIRST STEP, to proving that someone is CAPABLE, of being MORE INTELLIGENT THAN PEOPLE IN DENIAL.

People in DENIAL don't actually LIKE being told the truth.

Nah.

The fuckin' truth OFFENDS people that live their whole life in denial... which is why they'll do what TED CRUZ does.

If I say that TED CRUZ gets fucked in the ass by Exxon Mobil... some people will actually be SO FUCKING MORONIC...

...that they will literally ASK THE MAN...

"Hey, Ted Cruz... do you let Exxon Mobil fuck you in the ass for \$500M...?"

Because, I've got news for ya.

Even if that shit IS true...?

The man would never openly admit that.

But, morons will go ahead and ask him anyway.

OR... morons will SARCASTICALLY agree...

"SURE BUDDY, KEEP TELLIN' YOURSELF THAT TED CRUZ GETS \$500M FROM EXXON MOBIL TO GET FUCKED IN THE ASS. LOL."

^ That's how MICHAEL ZURLO and BRUCE TANSKI think.

That's why they're morons.

FABIENNE COOK being a furthermore 100% oblivious <unspecified>...

It is as if my mother has a full-blown case of DEMENTIA, and ARGUES with a god damn DICTIONARY.

Have YOU, reading this fucking thing, EVER ARGUED WITH A DICTIONARY...?

WELL- my mother does that.
SOUNDS RETARDED, RIGHT...?
WELL- think again, fuckface.
It's not THAT retarded, to argue with a fucking dictionary in my mothers mind.
Nah.

Fuck you for even thinking that DICTIONARIES are ALWAYS ACCURATE...

Sound a little RIDICULOUS...?
That's my mother FABIENNE SILVIE KIVLEN COOK for ya.
My kids call her FIFI.
FIFI is a MORON sometimes.
At least she is WILLING to admit that, which... is basically the ONE thing she does where she proves she's not a TOTAL idiot after all.

EVERY TIME I TRY TO TALK TO HER.
I AM NOT FUCKING EXAGGERATING BRO.
LITERALLY A PERFECT DEFINITION OF HOW RETARDED MY MOTHER IS.
ALWAYS HAS BEEN.
Using the word CUNT, to describe her...?
It's totally accurate and called for.

I will fuckin say it so many additional times...?
That my mother is just a cunt that doesn't love me, one fucking bit.

SHE WILL SAY THE WORDS "I LOVE YOU", but she ACTUALLY MEANS "I HOPE YOU BURN IN HELL FOR ETERNITY".
She confuses the concept of LOVE with HATE.
She confuses the terms PROUD with ASHAMED.

Some people may say that I must've done something to deserve the way that she treats me... (+ FALLACY ALERT)
Yeah, I DID DO SOMETHING TO DESERVE THE WAY SHE TREATS ME... I was born. That's basically it.
That is the ONLY thing that I fuckin' did, to be in this situation.

Being born... it's not something anybody has any control over.
You were born to a woman that either treats you like you are their child...?
OR, they will treat you like you are a piece of shit that flew out of their asshole...
...and NOW, they gotta take care of that piece of shit, too.

Allow me to drop the hyperbole a few steps...
She hasn't always been like this toward me, but over the last *checks watch* 5 years...?
It's been slowly getting WORSE and WORSE.

She has been relatively... combative, my entire life.
So, when she watches the TV cops fuckin perform an investigation and then arrest the bad guy...?
Well, that gives my moron of a mother the impression that ANYBODY who would commit such a fuckin' evil ass murder...?

Well dude, MA watches the fuckin ID NETWORK.
AND THAT MEANS, YOU are DEFINITELY fucked, pal.
NO WAY will ANYBODY EVER get away with a fuckin' murder.
THEN, you're gettin' pumped in the fuckin' asshole repeatedly in prison.
Just like Bruce Tanski does at FAIRWAYS OF HALFMOON and 9 MEYER ROAD...
...sometimes even REAL QUICK at 1 CEMETERY ROAD, or 2 CEMETERY ROAD.

You would be FLAT OUT FUCKING AMAZED, when the man will OCCASIONALLY stop by SNYDERS, and do that THERE...?
Or, HALFMOON SUNOCO... and just run in and out of the bathroom SUPER FUCKIN' QUICK...
...and then when (2) grown ass men exit the fuckin mens bathroom at the gas station...?
ROGER BURDO has to PRETEND like he didn't just SEE that shit, OR BRUCE TANSKI adjusting his fuckin belt.
So...

If BRUCE can get away with THAT undetected...?
Then, they can sure as shit kill anyone they feel like, at any fucking time, for any reason, legally.
If you even SEE them do this shit...? They'll whip out the Men in Black tool that WIPES YOUR MEMORY.
Then, they're good. Nobody will care.

Every once in a while though...?
...the media will get lucky, and obtain footage that directly contradicts the fuckin' reality.

It is SO god damn rare though... that people continue to make these assumptions where most murderers get caught.
The reality is, MOST MURDERS GO PERMANENTLY UNSOLVED.
If the police ever ADMITTED THAT...?
People would freak the fuck out.
But- it is literally a 100% verified, provable, testable theory, AND an OBSERVATION, AND it is ALSO a FACT.

THESE COMMENTS CAUSE MORONS TO ARGUE WITH ME, effortlessly.
So I have to lay out fuckin' multilayered insults and labyrinthian mazes full of booby traps and spike pits, but...
...in terms of just people making a complete fucking fool of themselves.

This shit doesn't just occur in my fuckin MIND, by the way.
I know there are some miserable fucks out there that will say "This dude's a master in his own mind..."
Nah, listen to the fucking recordings and watch the videos, you'll be able to EASILY understand, how I translate

what I am WRITING in a DOCUMENT, into VERBALIZED CONVERSATIONS THAT I HAVE WITH PEOPLE IN REAL LIFE.

For instance, CAPTAIN JEFF BROWN understands... I'm actually a really smart motherfucker.

People are typically manipulated by what they see on the news, or the TV.
Americans think that they live in a free country, and as long as you get a job and you earn money...?
You will succeed, or survive.

Nah, dude.
MOST people get OLD, and they realize when it is too fucking late...
...that their entire life felt pretty fuckin' insignificant...

I know exactly what that feels like, because I knew that I was in MULTIPLE SITUATIONS where I faced almost certain death. Then, when I try to tell other people...?
They're morons that don't understand...
I'm not psychotic AT ALL.

PSYCHOS cannot understand reason, NOR be reasoned with.
People that operate on their assumptions or put PERSONALITY before PRINCIPLE... THOSE PEOPLE DEFINITELY ARE.

For instance, lets say that MICHAEL ZURLO found out that his SON, PAUL ZURLO, was in KIM POTTERS situation.
Uh-oh. PAUL ZURLO whipped out his GUN instead of his TASER, and SHOT SOME INNOCENT PERSON TO DEATH ON CAMERA.
What now...?

WELL... PERSONALITY before PRINCIPLE means that MICHAEL ZURLO will ATTEMPT TO DO WHATEVER NECESSARY, to DESTROY THAT EVIDENCE OF PAUL ZURLO ACCIDENTALLY KILLING SOMEBODY, and then SCSO will ISSUE A PRESS RELEASE where PAUL was WELL WITHIN HIS RIGHTS to SHOOT THAT PERSON.

(^ PERSONALITY BEFORE PRINCIPLE)

PRINCIPLE before PERSONALITY means that MICHAEL ZURLO would give his son a final hug...?
Tell him "I love ya son..."
And then, sit in the room where PAUL gets EXECUTED by the DEATH PENALTY.

(^ PRINCIPLE BEFORE PERSONALITY)

Considering what happened with KIM POTTER, I don't think that a police officer would be EXECUTED by the DEATH PENALTY if it was CLEARLY a fucking MISTAKE. That's exactly why KIM POTTER was given the light punishment IN COMPARISON TO anyone would would've FLAT OUT COMMITTED AN ACT OF MURDER.

| INSANITY | Doing the same thing over and over again, expecting different results |

You don't have to play Far Cry 3, as Jason Brody, and be FORCED to witness this sick fuck named Vaas, basically kick a cinder block with a ROPE tied to it, into a chasm... to understand what the definition of INSANITY, is.

Michael Mondo was a fuckin really good actor for the bad guy, in the first half of Far Cry 3.
I didnt' like the fuckin' main boss guy, I thought it was rather anticlimactic.

However...?
Far Cry 3: Blood Dragon, where you play as cybercommando Rex Power Colt, voiced by Michael Beihn...?
That shit is hot.

Side point.

Insanity can be derived like this... basing all of your PRINCIPLES AROUND the CONCEPT of MONEY...?

Well, it causes anybody who does that, to immediately have no grounded contact with REALITY...
...because, they become SUSPENDED in this fuckin' labyrinthian maze of confusion, where there's a SIMPLE way through the fuckin maze...
...but people will actually argue with me that this so called MUCH SIMPLER APPROACH, actually exists.

That's because there are a lot of morons on planet Earth.
They'll argue with me too. "0o000oooo00oh, so you're a fuckin braniac know it all or whatever..."
Nah, never said that.

-----|
| PRINCIPLES → Never fuckin' change |
EMOTIONS → WILDLY FLUCTUATE

Here's the ultimate test. If you think it's OK to kill somebody because they owe you \$1,000.00...?
That means you're fucking sick. You're insane.

If the amount is like, \$200K, still the same thing.
If the amount is \$7T...? Still, the same fucking thing.

THE ONLY CONDITION WHERE KILLING SOMEBODY BECOMES OKAY...
...is if MORE PEOPLE WILL BE HELPED, BY DOING SO.

Gay Kid 1 : Yep. That's basically words to DIE FOR.
Gay Kid 2 : Hey, can you hold up on the butt plugging, dude...? My asshole is getting REALLY raw right now.
Gay Kid 1 : Oh, alright dude... here.
 pulls his dick all the way out of his brothers butthole
 ...is that better...?
Gay Kid 2 : Bro, I just said HOLD UP, I didn't say STOP...
Gay Kid 1 : Ohhh...

Look, I have nothing against the BLACK SWAN COMMUNITY, nor Christopher Voss, nor Christopher Wray, really... I also don't really have a whole lot of ammunition for James "Quiver Lip" Comey, besides the fact that he never PROSECUTED Hillary Clinton. BUT JULIEN ASSANGE SURE AS HELL IS GETTING PROSECUTED TO THE FULLEST EXTENT OF THE LAW.

As for TERRI COOK, my AUNT...?
She was so particularly involved in my father's murder that MY FATHER LITERALLY STATED THOSE WORDS...?

The combined moronic nature between them both joined forces like VOLTRON, or the POWER RANGERS MEGAZORD... BOTH CAUSING MY FATHER TO CONSIGN HIMSELF TO THE LAST DECISION HE MADE IN HIS LIFE.

The last decision being, THERE WAS NO LEG SPASM.

NAH. MY DAD KNOWINGLY PUT HIS FOOT TO THE FUCKING FLOOR OF THE GAS PEDAL... AND INTENTIONALLY DROVE INTO THE FUCKING WALL OF THE BRICK HOUSE AT FRANKLIN/PLUM ST. in ALBANY NY. RIGHT around the corner from fuckin' RITE AID, on SOUTH PEARL STREET.

Right down the street from GREEN STREET.

You really have to be AS MUCH OF A FUCKIN DUMBASS AS TERRI OR MY MOTHER...
...to believe that my father sure as hell had a leg spasm.
Cause, I can tell ya how my fuckin' father really likes the idea of bashing that person's fuckin skull with a baseball bat, TO THINK THAT HE HAD A LEG SPASM.
A LOT.

Is because, the look that I fuckin' saw on Tyrell Crawfords' face...
 ...when I was the ONLY PERSON THROUGHOUT THE COURSE OF HUMAN EXISTENCE, TIME, or SPACE...
 ...who remembered what my FATHER, who ACTUALLY 100% jizzed in my mom...
 ...whereby causing me to be an existing entity...
 ...fuckin' DEFINITELY SAID a few things that I could never fucking forget...
 ...because the WORDS HE SAID CONTINUE to TRAUMATIZE ME UNTIL THIS VERY DAY...
 ...even though my mother is a fuckin' evil demonic cunt in the way she will undermine what I remember my dad saying?

I am the ONLY PERSON IN MY ENTIRE FAMILY...
 ...to have CONTACTED JANET KOUPASH, and make all of the proper arrangements necessary...
 ...to LITERALLY travel...
 ...to Sing Sing Correctional Facility, where this dude was...
 ...and you fuckin' cannot understand just how INSIGHTFUL and MORE FUCKING REVEALING...
 ...that MICROCOSM of his fuckin' SURPRISED AS FUCK FACIAL EXPRESSION...
 ...it told me MORE IN MICROSECONDS, than any of the fuckin files...
 ...where the District Attorney basically FAILED to determine...
 ...the clues definitely suggest that the murder was [PREMEDITATED]. (← That's how many morons I've known in life)

That I literally spent the last (4) years deconstructing what I understand about our FLAWED SOCIETY. And, I really don't give a flying fuck if I insulted a long list of people in my family by stating the facts. THEY THINK "I went to the trials, I saw every trial dude, you need to wake the fuck up, and get those files." Nah. I don't.

BEFORE I EVEN SAY WHAT THAT IS...?

I will IMMEDIATELY get FLAK, or ESTROGEN BASED RESPONSES where there's just an immediate, "people really are fuckin morons", response.

Though, not EVERYBODY will react like that at all...?

People that are incredibly easy to manipulate do not understand how to control their emotions.

Hey, I'm guilty of this as well, because STATE OF MIND constantly FLUCTUATES, and people can't even TRUST THEMSELVES if they BASE ALL OF THEIR DECISIONS on their EMOTIONS, rather than SHEER PRINCIPLE.

That's why I wrote the god damn book, TOP DECK AWARENESS - NOT NEWS.

Psychological Manipulation is GREAT for INTERACTIONS...

But it's just the TIP of the ICEBERG when it comes to DISCIPLINE and one's self.

I like to use the adverb about the old indian grandfather who had (2) wolves that he had to take care of.

I will have to review the adverb, but essentially, (1) wolf was POSITIVE. (1) wolf was NEGATIVE.

They constantly fight for supremacy within this tough bastards mind...

And the grandson says "Which one will win...?"

And this tough ass son of a bitch knows they'll keep fighting one another...

"Whichever one I feed."

So, somebody that gets offended by how I actually have my facts straight...?

People have spent so much more time than I have on planet earth, so they'll placate me and say...

"Aw... honey... you really have no fuckin' idea how wrong you are~!"

However, that person is saying those words to themselves.

I could take advantage of the situation and say something like:

"Aw, you have no idea how much of a useless cunt you are...~!"

Because, that's basically an honest response when I've done a LOT MORE RESEARCH and put a LOT MORE THOUGHT TO THE GIVEN SITUATION, than someone who just, thought about what I said for (2) seconds, and then, responded.

They just have no capability of understanding if they haven't invested enough time into the DETAILS of the STORY.

So, they'll casually "play along" with this "game", not realizing that there's no need to "play along" with a "game".

Nah, I'm flat out telling people the TRUTH, and "playing along" means that someone's gonna get fuckin insulted.

Basically what I'm saying is that CONVINCING PEOPLE OF ANYTHING...?

You gotta do such a thing WHILE CONSIDERING that they will act like a fucking child at a day care, where...

...if you even THINK about overloading them with things that make sense...?

And, they haven't gotten a JUICE BOX, and a fucking 2-3 hour nap...?

Then you're gonna get some cranky ass child that cries and throws a temper tantrum LONG BEFORE you've even shown ANY DETAILS WORTHY OF DISCUSSION or INQUISITION. AUNT NANCY FULFILLED THAT ROLE PERFECTLY LAST TIME I SAW HER.

So did my UNCLE RICK SMITH~!

So, details, evidence, they won't pay attention to any of that "shit".

Not if they're INSULTED.

Not if they're COMPLIMENTED.

Not if they're just casually told that they aren't very bright.

Nah, EMOTIONS ARE UNRELIABLE in measuring FACTHOODS.

That isn't even a fuckin' word, but the notion I'm alluding to, is they're the exact polar opposite of FALSEHOODS.

FACTHOODS, are basically like this.

If a MALE EJACULATES inside of a FEMALE, there is a MUCH HIGHER LIKELIHOOD, that the FEMALE MAY become PREGNANT.

If the MALE does NOT EJACULATE inside of a FEMALE, then there is NO POSSIBILITY WHATSOEVER, that she'll get pregnant.

So, mixing and matching those sentences, is what guys like ME have to do, with PROGRAMMING.

Did a man ejaculate in a woman...? Yeah...? Alright then, that means a child MAY be born.

Did the man PRETEND to ejaculate in a woman...? Well, that means that no child will be born at all.

Tanski : No child can be born, if a MALE doesn't ejaculate inside of a FEMALE...?

Me : Correct.

Tanski : What if a MALE "SORT OF" ejaculates inside of a FEMALE...?

Me : Well, that DEPENDS on what you mean by "SORT OF"...

Tanski : Like, the money shot.

Me : Nah. If the JIZZ doesn't go INSIDE of the girls VAGINA...?

Then a CHILD being BORN is TOTALLY OFF LIMITS...

But the strangest thing in the fucking universe occurs with some people.

Morons will come at me left and right, trying to fucking ARGUE with me about that.

Tanski : What if it's just a light amount of ejaculation inside of a FEMALE... but in her MOUTH...?

THERE IS NO FUCKING WAY WHATSOEVER, THAT FEMALE CAN BECOME PREGNANT, if a MALE does NOT EJACULATE INSIDE OF HER VAGINA.

Yeah, so the reason why they have tried to kill me so many times...
 ...is because I have fulfilled the equivalent, of finding a bug flying around in the facility...
 ...in a movie called The Island...
 ...where (Lincoln Six Echo/Ewan McGregor AKA Obi-Wan Kenobi)...
 ...bangs the snot out of one of the hottest fuckin girls in the world, (Jordan Two Delta/Scarlett Johansson/Black
 ow)

But- there are HUMANS that have the SAME EXACT BEHAVIORS, and BRUCE TANSKI is ONE OF THOSE PEOPLE.

Foundation / Reasoning

It is SORT OF like working out.
I really don't care for the fact that TIM KROM SR. will try to have someone get me killed. I'm fucking certain of it.

That's why those people need to be told AHEAD OF TIME, that whoever they send will be very, very dead.
Because some people have my back.
So, they should consider, that I may have psychic powers.

Everybody does, believe it or not. sometimes it adjusts based on BAROMETRIC PRESSURE.
Other times, you might hear a RINGING in your ear. But in some cases...?
You will hear the literal equivalent of a BUG or WASP, BUZZING for like a SPLIT SECOND.

That is mainly because someone who believes that they will kill me very easily, has decided that they are gonna kill me. They have no concept of realizing that it is literally a death trap for that person.

When I say "death trap"...?
What I mean is, they will continue to TRY, and TRY AGAIN, and TRY YET again...
...because they don't realize that I've been ACTIVELY MANIPULATING THEM to SHOW UP.

So, when I say I knew ERIC CATRICALA was lookin' to kill me...?
That's mainly because I'm a lot more intelligent than ERIC CATRICALA, and that's a fact I am WILLING TO PROVE.

At any point whatsoever, I can manipulate someone less intelligent than me, into a trap where they are
1) caught, and then 2) they go to prison.

THE PROBLEM IS THAT THE POLICE HAVE TO NOT BE COMPROMISED or be LAW AVOIDANCE OFFICERS.
That's the trick.
You wanna make damn certain that a LAW ENFORCEMENT OFFICER is on duty, SOMEWHERE... right?
And then, confide in THEM.
NOT a LAW AVOIDANCE OFFICER.

So for instance, if I went to the CLIFTON PARK PUBLIC SAFETY BUILDING and I told TROOPER BOSCO that I saw him right outside of PRICE CHOPPER as I was typing this all up...? He's probably gonna LOOK for ANY REASON TO ARREST ME. I'm nearly CERTAIN of it. However, I have to have some shred of belief that he might be willing to ENFORCE THE LAW, if I were to show him EVIDENCE of JUDGE ROBERT RYBAK working to have me killed alongside MICHAEL ZURLO and JAMES LEONARD. Because... that's true.

However, I'm not going ANYWHERE CLOSE TO THAT FUCKING STATION without KNOWING that I have a LEAD in TIME, to get the fuck away from that building as soon as possible.

They will eventually realize that it is such a fucking senseless endeavor, to try to KILL ME, or ARREST ME.
Why...?
Because they know that I ACTIVELY RECORD AUDIO RECORDINGS ALL THE TIME.
They REALLY do not like being recorded in audio logs like SCSO has been recorded in MULTIPLE of.
They fucking HATE THAT.

So, until this team of MAFIOSOS realizes that I'm gonna keep manipulating their asses left and right...
They will not stop.
Not until they send SEVERAL THOUSAND PEOPLE TO FULFILL THE SAME SIMPLE TASK...
...of killing me, because they PREFER to be in CONTROL.

The problem is that I will TAKE THAT CONTROL FROM THEM FORCIBLY.
So, in the end it doesn't really fucking matter what they THINK or WANT...
THEY DONT LIKE THAT... but- oh well.

Too fuckin' bad, dude.
I'm gonna manipulate these fucks SOOOOOOO BADLY, that they're gonna get PISSSED every time I say how stupid they are.
Because they'll nod in agreement...
"Heh, we might be less intelligent than YOU, Michael Cook... but- we're gonna keep TRYING to get ya." -Morons

EXACTLY as if the COLD WAR with RUSSIA... never ended.
Russia kept sending morons over to America, and it just got insanely more complicated and elusive.
Then, people from BRITAIN saw what was going on.

THEY offered RUSSIA an olive branch.

/--_

Britain : Bro...
I see what you guys are doing.
Russia : Yeah...?
What are you gonna do about it.
Britain : We will gladly help you dude.
Americans are SO FUCKING STUPID, it is literally like taking candy from a baby.
Russia : Ehhhhhh...
...sounds like you might be pretty fuckin' cool after all...
Americans really are dumb motherfuckers.
Britain : That's correct.
They REALLY ARE.
Russia : There's not a single god damn thing anybody can even do, to truly STOP US, or CATCH US.
Britain : Nope.
Not at all.
Even if we literally TOLD THEM OUR PLAN...?
MARK ZUCKERBERG is just so god damn useful...
It truly is remarkable how this man is turning his back on so many of his own fellow citizens.
Russia : I know, right...?
Almost like he has what it takes, to be on our level.

At Shenendehowa...?

HERESAY means FACT, EVIDENCE is NEVER required, NOR is it EVER asked for.

Nope.

You say one fuckin word like "EVIDENCE" in a room full of people from CLIFTON PARK...?

YOU'RE REAL FUCKED, DUDE.

Also, COOL means ACCURATE.

So if YOU say BUFFALO is basically the same thing as CHICAGO...?

THAT'S SOMETHING TUCKER CARLSON WOULD SAY, so that means COOL, AND ACCURATE TOO.

At Shenendehowa, 533 fucking miles from BUFFALO to CHICAGO, means it's practically the same thing.

Shenendehowa doesn't CARE if there's literally 533 fucking miles in the way...

TUCKER CARLSON said that they're basically the same place.

THAT MEANS THAT THEY ARE, *shakes head* because, who gives a shit...?

Nobody, that's who.

If that whole chain of paragraphs so far causes you to think "Uh, no...?"

WELL, GOOD.

CAUSE, that is EXACTLY how people that went to SHENENDEHOWA think, and operate.

NEARLY EVERY LIVING PERSON that lives in CLIFTON PARK NY, or HALFMOON NY...

...they think this way.

Haven't met a long list of people who DON'T think this way.

HERESAY means FACT.

COOL means ACCURATE.

LIKED means TRUSTWORTHY.

RICH means BEST.

WEALTHY ALSO means INTELLIGENT.

(^ That's how people in Clifton Park, are. OTHERWISE, I wouldn't be in the SITUATION THAT I'M IN.)

Now, I could be GENERALIZING, STEREOTYPING, and BEING EXTREMELY FUCKING OBTUSE HERE...?

But- at the same time...? I'm accurate with this assessment. If that PISSES PEOPLE OFF...?

Oh well dude. "Grow the fuck up." is what guys like BRUCE FUCKING TANSKI will SAY to YOU, for BEING OFFENDED BY THIS.

So, if a car cost several million dollars...?

THEN THAT MEANS THE PERSON WHO OWNS THAT CAR is... the best person there is.

So if the RICH kids commit HOME INVASIONS and STEAL SHIT FROM PEOPLE, it's ok, they're rich kids and they're MORE important than ANYBODY ELSE. THAT ALSO MEANS THAT even if they're from RICH FAMILIES, and they BREAK THE LAW...?

They will STILL be considered the MOST INTELLIGENT KIDS at the school, because their family had money.

MARK ZUCKERBERG, the OWNER OF FACEBOOK...? He thinks this way, TOO. (* That's a fucking fact right there)

That's why he's a fucking MORON.

If any of this shit sounds fuckin' retarded...?

You've OBVIOUSLY never attended Shenendehowa Central School District... I went there for (13) fucking years.

I think there's like, something in the god damn water or something... I don't know.

Because, that is a 100% accurate representation, of what EVERYBODY that EVER went to Shen, is expected to understand.

If you fail to...? You'll never be admitted to WHO'S WHO, and WHAT'S WHAT.

And, if YOU think that shit is RETARDED...? Then fuck you, dude.

Who cares what YOU think...?

You're not part of WHO'S FUCKING WHO, and WHAT'S FUCKING WHAT... so, your opinion is MEANINGLESS.

You're not a part of who's who and what's what...

SO... doesn't matter if that means they're a bunch of lazy fucks that never care if they have their facts straight.

THAT'S JUST YOUR OPINION, DUDE.

MICHAEL ZURLO is one of those people.

/--_

Zurlo : *chuckles* Heh.

Kid, do you really think any of us give a single fuck, about accuracy...?

Me : No.

Zurlo : Well, guess you're not THAT stupid...

Me : Nah.

Zurlo : We can literally make up whatever we feel like, out of thin air.

Nobody ever questions it, either.

Me : I'm aware.

Zurlo : Not one time has anyone been intelligent enough to DO that, because we're TOO TRUSTED to be WRONG.

No way, chum.

ALWAYS correct, 100% of the time.

Me : Did you know that ALBERT EINSTEIN worked at a PATENT OFFICE as a CLERK...?

Zurlo : I mean, no... not like I fuckin' really care, dude.

I'm MICHAEL ZURLO.

I don't have to care about a god damn thing.
Neither does DWAYNE COONRADT.

Me : Well, ALBERT EINSTEIN worked as a PATENT CLERK.
He didn't conceive the THEORY OF RELATIVITY.
He took that idea from someone else.
Then, he cobbled together something that he didn't originally think of.
Then, people like Neil Degrasse Tyson will constantly refer to Einstein as this fuckin' genius.
Except, Einstein was just a likeable guy...
He probably DID come up with his OWN ideas and theories...
But, I do not believe that he originally conceived of the theory of relativity, and thus...
I also believe that the BIG BANG THEORY is invalid, and the the UNIVERSE is not 13.7 billion years old.

Zurlo : Oh really...?
Well, FUCK YOU ANYWAY, DUDE.
Every smart guy that EVER lived, says that it's 13.7 billion years old...
So...

Me : Nah man.
Not all smart guys eat where they shit.
The big bang theory is basically eating where they shit.
So, the REALLY cool, popular-ass television series where a dude sounds like SmartyPants McFaddegon...?

Zurlo : Heh.
SmartyPants McFaddegon...?

Me : Yeah.
Smartypants has HOLE IN THEIR THEORY.
Like, MATTER PHYSICALLY CANNOT MOVE FASTER THAN THE SPEED OF LIGHT.
So, the hole in the big bang theory, is that it would've HAD to have been moving WAY FASTER THAN LIGHT...
...for like a SMALL LITTLE EXCEPTION where...
...nothing moves faster than the speed of light.

Zurlo : Yeah, well, they all get paid a lot of money to be famous, and smart sounding all the time.
Who cares if their theories are invalid or have holes...?
What matters is that people actually like those guys.
Their ideas can be totally wrong.
I mean, just look at me.
I'm the headmaster Sheriff of Saratoga County.
I know that I'm fuckin' lazy, and terrible at my job...
But, you know what...?
Who cares...?
People just LIKE me, that's ALLLLLLL that matters.

Me : Yeah, that's why I don't understand broken logic, and it sounds like someone has a dick in their mouth.
Like, I understand that some MORON thinks just like YOU do...?
That PART I obviously understand.
What I do not quite understand, is how even if I explain to people, that they look IDENTICAL...
...to someone that currently has a penis in their mouth...
...providing a really skillful blowjob to a man...
...basically, that's supposed to cause even the dumbest fuckin' person that ever lived...
...to ask the question, "Is that bad...?"
So, theoretically, if you're too stupid to know that's bad...?
Then, just leave it be...
Or, do what I do...
...take a picture, video, or audio recording...?
...and then just, fuck off.
It's just better for EVERYBODY.
At some later point in time, reveal those pieces of evidence.
Then, people will giggle, laugh, and point at the bravest pussy that ever ran SCSO.
That would be YOU, ya fuckin' <unspecified>.

Zurlo : *yawns* Yeah right, dude.
I've heard all that shit before.
I'm not afraid of you.
I've got like, several hundred inmates that all say that shit, too.
Some of them actually enjoy getting pumped in the butt.
Some of the guards actually ALLOW them to do that, cause, why the hell not...?
It is really hilarious to let these guys who are STUCK IN HERE, FOR THE REMAINDER OF THEIR LIFE...
...fuckin watch their god damn legs collapse...
...cause they just jizzed from being pounded in the butt while crying profusely.

Me : That's what your son does, too.
Cause his daddy molested him over, and over.
"Daddy is making me turn around again, and shoving his dick in my asshole."
That's what your son tells people.

Zurlo : That is definitely true, actually.
You know...?

Me : Dude, I could literally carry around a registered pistol, right fuckin' now.
Got a felony on my record.
It's technically illegal for me to own or carry a firearm because of that felony.
Wanna know how I won't give a shit, and why it'll still be legal at court...?

Zurlo : Lies.
Totally illegal dude.
It's okay if I molsted my son Paul Zurlo almost every day, because his mother just wouldn't put out.

Me : Nah, ME carrying a FIREARM is TOTALLY LEGAL, according to the SECOND CONSTITUTIONAL AMENDMENT...
...the RIGHT TO BEAR ARMS, and FORM A MILITIA.
I can actually show up with a militia, *points down* and come arrest your ass, right this minute.
What is NOT legal, is pounding your child in his asshole.

That's where LAURA HUGHES would've come in VERY USEFUL INDEED.
Too bad some lazy cocksucker called her on the WRONG GUY.

Zurlo : *chuckles* Heh.
You and I both know you don't have a militia.

Me : Well, that would be a pretty bad way to go out, being the Headmaster Sheriff of Saratoga County...
...only to assume me and my army wouldn't arrive, and drag your ass to a federal court.

Zurlo : There's a reason you haven't done that by now, and it's because you can't. (* FALLACY ALERT)

Me : I actually CAN do that, dipshit.
I'm literally not bluffing you.
You have been formally ALLEGED TO HAVE COMMITTED, but the ACCUSATION will eventually arrive.
So, your best course of action...?
Is to have all of your guys stay right the fuck away from me.
Some of your guys will be part of that militia, however.

Zurlo : OH YEAH, LIKE WHO...?

Me : Well, for one...?
I may have had a short stint with some dude's daughter, back when I was 21, and she was 15.
I was actually TERRIFIED because she just refused to leave my house one night.
Looking back on it, it was pretty natural, didn't seem like there was anything wrong with it,
because she was making it incredibly fuckin' clear to me, that she liked me a lot.
Her brother, sold me a piece of shit truck that I spent so much money trying to get running.
That dude who is HER FATHER...?
He's gonna wind up replacing you.
I'm absolutely certain of it.

Zurlo : What makes you think that...?
I'm not goin' nowhere dude.
I have screwed over SO MANY PEOPLE, including your cousin THOMAS COOK.

Me : You've worked a lot with COACH LYONS over the years, haven't ya...?
Especially in MECHANICVILLE P.D.

Zurlo : COACH LYONS is probably the best fuckin' coach that ever lived, dude.
So... *hands wavin' around* don't even go there.
You can say I molested my son PAUL ZURLO many, many times when he was a kid...?
But, don't you dare say that S. LYONS is anything short of the best anyone could EVER be...
...at bein' a god damn coach.

Me : If you can dodge a ball, you can dodge a wrench.
That's what COACH LYONS fuckin' taught me at SHEN.

Zurlo : Lyons didn't teach ya that...
That shit's from a fuckin' movie, dude...

Me : That's beside the point...
points That fuckin' dude...?
Deserves a fuckin' medal for his coaching abilities...
...and you...?
You're gonna just, *hand wavin' around* come around here, and try to tell me otherwise...?!?
EYEBROWS WAY UP, shakes his head I REALLY DO NOT THINK SO BRO. SO...
You've basically lost at this game here.

Zurlo : *chuckles* Heh.
Not so fast there, FROSTED FLAKES...

Me : That's my line.

Zurlo : Yeah, well...

Me : Even Tony the (overzealous/hyper) son-of-a-bitch Tiger occasionally has to slow the fuck down.
Tony : Oh shit...
I fuckin' blacked out again and went nuts, didn't I...?
People : Yeh dude, you nearly ate Seigfried and Roy's god damn legs.
What the fuck came over *points* YOU, dude...?
Tony : Look dude.
I made a mistake.
Can I AVOID being given a LETHAL INJECTION...?
People : I don't know, bro...
You have literally done some truly evil shit.
Then, that's the moment in time where someone as psychotic as YOU...
...will attempt to go out GUNS BLAZIN'...
...rather than to turn yourself in already...
...since doing so AHEAD OF TIME, will work in your fucking favor, believe it or not.
Otherwise, I really cannot remain that optimistic about what will inevitably make its way...
...to YOUR fuckin front door, dude.

Zurlo : Alright, I'm tempted.
I have been wanting to confess a lot of evil shit I have done.

Me : So, are you ready to make a confession...?

Zurlo : I don't know how this shit works, dude...
Can't even remember most of it at all.
I've really lost track of how many times I've had to kill somebody...
...and had to make it look like they fuckin' lunged at one of my guys from an entire football field away.
It seemed perfectly believable to ME...

Me : I mean, do you really think people ever believed that I could do that...?
Or, anybody else...?

Zurlo : LOOK DUDE, *points* you're the one that wrote about it...
How was I supposed to know you were being a smartass...?
My job isn't to determine whether something is stated LITERALLY or METAPHORICALLY...
Or even HYPOTHETICALLY...
Cause, if I even hear the words "blah blah, kill myself, blah blah"
Then, that means I heard the words "KILL MYSELF".

THAT MEANS I HAVE TO BRING YOU TO A HOSPITAL FOR *POINTS* YOUR OWN SAFETY.

Me : That's retarded, bro.
You literally have police officers on staff that ACTUALLY WORK REALLY HARD, to APPEAR as if THEY have NO FUCKING CLUE, that I literally WROTE A GOD DAMN DOCUMENT THAT TALKS ABOUT PEGASUS/PHANTOM, COLLATERAL MURDER,

and CONSTITUTIONAL LIBERTIES AND FREEDOMS BEING THREATENED.
Then, amazingly, I tell your guys that some cocksucker from RUSSIA (APT29) had attacked my COMPUTER, SERVER, and LAPTOP, with an advanced sophisticated tool, such as...
AFTER MIDNIGHT / ASSASSIN.
THEN, this fuckin' dude... literally inserts words that I never stated at all, WHILE ALSO...
RELINQUISHING THE CONCEPT OF ME STATING THINGS HYPOTHETICALLY.

Zurlo : That's... what we DO, buddy.

Me : I know that.
That's why I began the AUDIO RECORDING and INTERACTION...
...by STRONGLY STATING, I HAVE NO INTENTION TO HURT MYSELF OR OTHER PEOPLE.
So, if I state something to that effect HYPOTHETICALLY, AFTERWARD...?
I'm pretty sure that's worthy of a SERIOUS LAWSUIT.

Zurlo : It's not like you had the shit kicked out of you like Doug Bagely's uncle on his motorcycle and shit...

Me : Doesn't really matter.
It's not like I was CONTRADICTING MYSELF, I was explaining my THOUGHT PROCESS, and somehow...?
You had some MORONS MISINTERPRETED WHAT I SAID, AGAIN.
So, that means they have SELECTIVE HEARING, which means they did what they did that day MALICIOUSLY...
...out of NEFARIOUS INTENT.
Never more was that EXPRESSLY AND SPECIFICALLY APPARENT, then when I read those words written on SUSAN MCDERMOTT'S ORDER TO SHOW CAUSE...
...along with a dozen medications that I've never needed my entire life.
Suddenly, oh wow.
I must need like half of those fuckin' things, cause the guys from SCSO are lazy cocksuckers.
But also, cause some lazy cunts and doctors took things out of context.
Not realizing how gay they'll look afterward when I reintroduce the MISSING CONTEXT.

Zurlo : YEAH.
I'VE NOTICED THAT YOU DO THAT.
IT IS ONE OF THE MOST EFFECTIVE FUCKING THINGS IVE EVER SEEN SOMEONE DO.
EXTREMELY USEFUL, COMPELLING, AND VERY MANIPULATIVE.

Me : That's right, dude.
What do you think will happen...
...if those (2) kids keep killing additional people...?
I know that they have, by what my gut tells me.
I know that the problem is MUCH LARGER THAN JUST (2) dudes doin' that, too.
