Someone was stalking me in a blue truck, they did this whenever I carried around my Apple iPhone 8 Plus. I told my stepfather about it and he laughed in my face, because he didn't understand WHY someone would be stalking me.

Here's why:

That's what's called a FACEBOOK POST with some INFORMATION as to WHY I was saying the things I was saying. It does under certain conditions, when there aren't MORONS who work at the local police department involved, COUNT AS EVIDENCE... in what they ALSO have a hard time knowing how to do ... "PERFORMING AN INVESTIGATION".

Cool shit, huh...? I'm sure there are SOME officers that'll take offense to being told that they suck ass at their job... But, guess what...? I've literally talked to MICHAEL HOSCHER from SPECTRUM SECURITY, as well as CHRISTOPHER MURPHY from the FEDERAL BUREAU OF INCOMPETENCE... Yeah, back on like 01/27/20. I have contacted the FBI numerous times regarding the shit that you see in those links up above.

Guess how fucking amazingly helpful they are...? They're not.

Spectrum/Verizon, w/ pictures. I've been collecting SPECULATIONS/EVIDENCE of these two organizations working directly with Nfrastructure... As I talk about throughout my BOOK and stuff... NFRASTRUCTURE...? Had employee perks for VERIZON contracts. If you worked for NFRASTRUCTURE...? You got a WICKED NICE DISCOUNT on VERIZON SERVICE. Guess what else...?

VERIZON basically owns the content of your device, so if you send TEXT MESSAGES, or make PHONE CALLS, or make certain SOCIAL MEDIA UPDATES, or WHATEVER...? Dan Pickett can fire your ass if he doesn't like what he sees. Which is EXACTLY what I believe they did. AND, they can do this shit with SPRINT.

Since I sent a MESSAGE to Matthew Roerig (former Computer Answers, was at Nfrastructure on 01/15/19), about an AUDIO RECORDING I had made on my APPLE IPHONE 8+, SOMEHOW MR. PICKETT GOT A HOLD OF THAT FILE. The recording was recorded on the 8th anniversary of when I was FIRED, 01/11/11.

Audio recording talking about Mr. Pickett on 01/11/19...?

Highly sophisticated cyberattack involving CVE-2019-8936, DDOS, WannaCry RANSOMWARE, and ESPIONAGE.

Also involving the CISCO WIRELESS ACCESS POINT (LAP 1142 or whatever) THAT I PURCHASED FROM NFASTRUCTURE. Coincidence ... ? Well, if you consider like 12 things COINCIDENTAL ... ? Then, yeah. But, (12) COINCIDENTAL LOOKING THINGS doesn't actually APPEAR to be COINCIDENTAL, ya know ... ? Nah, if anything, you would have to be a fucking TOTAL MORON, to think all that shit was COINCIDENTAL.

Side 1 | MICHAEL COOK, DR. KITE, ST. PETERS, July 21, 1989  
Side 2 | Jesse Pickett 785-3221 ← written by my dead father.  
<https://drive.google.com/file/d/1y05kPm-CjVIALi6r8CNPMliRnXvMtPdP>

Oh, by the way ... DAN PICKETT lived on CEMETERY ROAD, which is the same road that TIM BERLIN lives, as well as where BRUCE TANSKI's fuckin' office is. That's GOTTA be COINCIDENTAL as well, right ... ? Yeah, all this shit would be COINCIDENTAL if you're a fucking moron, like my stepfather is.

<p>Theodore Roosevelt was the 26th President of the United States of America. Before that, he was part of the Civil Service, then he became an assemblyman, governor of NYS, and then eventually became president of the United States between 1900-1908.</p> <p>He established the FOOD AND DRUG ADMINISTRATION, as well as the BUREAU OF INVESTIGATION which eventually became the (FBI/FEDERAL BUREAU OF INVESTIGATION) where it's mission statement is as follows: TO UPHOLD THE CONSTITUTION OF THE UNITED STATES OF AMERICA.</p> <p>He also helped build the PANAMA CANAL, told lazy fuckstains to fuck off here and there, and then he also had a famous quote "Walk softly, but carry a big stick."</p> <p>He didn't finish that quote in PUBLIC, but the rest of the sentence goes: " ... because you never know when you'll have to crack it over somebody's head for lying to your face."</p>

<p>In order to be taken seriously, sometimes you have to make an audio recording that someone gets to listen to. I probably shouldn't make this public ... ? But, I don't fucking care.</p>				
05/19/20 1400	Live Redaction	<a href="https://drive.google.com/file/d/186dv0z0YLfafQT_tLJYYy9AhorERuSPw">https://drive.google.com/file/d/186dv0z0YLfafQT_tLJYYy9AhorERuSPw</a>		

All of those things are the reason why someone in a BLUE TRUCK was STALKING ME, and following me around.

You know ... ?

Sometimes you have to be willing to offend people in UNIFORMS, or in SUITS, or who sit behind a fuckin' office desk or like a fuckin', IDK man... sometimes you HAVE TO BE WILLING TO TELL PEOPLE HOW STUPID THEY ARE.

Sometimes they're INCREDIBLY RESPECTED PEOPLE, too.

What happens if someone who is INCREDIBLY RESPECTED, happens to be a fucking total oblivious moron ... ? Well, legally speaking, you're not even ALLOWED to say ANYTHING BAD ABOUT THEM AT ALL. ESPECIALLY if they're like, a JUDGE, or a POLICE OFFICER, or whatever.

Wanna know why ... ?

That shit, is totally uncalled for in their eyes.

That's what STUPIDITY will do to you, though.

STUPIDITY will prevent someone from seeing how something was DEFINITELY CALLED FOR AFTER ALL ... ?

But, being that ignorant prevents them from being able to make these things called ...

CORRELATIONS.

Correlations.

Sorta like CONNECT-THE-DOTS.

You look for the number 1 ... ?

Then, you look for number 2 ... ?

And draw a fucking line from 1 to 2. Then, you CONTINUE THIS PROCESS all the way until the HIGHEST NUMBER.

At which point ... ? Well, holy shit. There's a picture of something that is pretty fuckin' easy to see.

Is it a TRANSFORMER, or an AMBULANCE ... ?

Or, is it a CORPORATE MONOPOLY where the government rolls over everybody's rights and calls it a FREE COUNTRY ... ?

Unfortunately, the police have a REALLY HARD TIME DOING THIS ...

It's why I started writing a fucking book.

Not only did these people think I was insane ... ? But they took the reason I went there, out of context. That's because, of how stupid people actually are when I talk to them.

I can tell them "HEY, CHECK OUT THIS AUDIO RECORDING", and they'll be CONFUSED, and somehow think that I said DRONES DISGUISED AS BIRDS. That's how stupid people actually are, when I talk to them, on a daily fucking basis.

To make matters even more compelling ... ?

I was able to collect ADDITIONAL EVIDENCE THAT THEY DIDN'T REALLY TAKE A GOOD LOOK AT, after I made it to Schenectady.

It truly is such a RECURRING THEME ...

Who is who	What is what
Me →	Being more intelligent than most people
Them →	Thinking I'm insane, because they've been lied to so many times their entire life
Me →	Not (lying/insane)... just being a LOT more (intelligent + observant + informed)...
Them →	Failing to admit that's what it is, because my intelligence constantly bruises people's egos

"Never underestimate the power of stupid people in large groups." -George Carlin

How many dozens of ways should I slice this ... ? I'm not insane ...  
I'm just a lot more intelligent than most people. That's ALL it is.  
Am I the SMARTEST DUDE THAT EVER LIVED ... ? Nah.  
Do I go around saying "HEY, SMARTEST DUDE YOU'LL EVER MEET IN YOUR LIFE, BRO~!"  
Nope. I don't do that at all.  
I just say "HEY, CHECK OUT THIS EVIDENCE I HAVE OF SOMETHING REALLY STRANGE~!"  
And people immediately CONFUSE what the fuck I just said, like on a constant, every-day basis.

Them : OoooOoOoHhHHhhHHH Michael Cook said "Check out this audio recording of a bird."  
Me : Yeah, so what ... ?  
Them : WOW BRO, THAT'S A REAL BIRD RIGHT THERE, DUDE.  
YOU'RE A FUCKIN' WHACK JOB~!  
Me : I'm pretty sure it's not a real bird at all, because it sounds like it's ARTIFICIAL INTELLIGENCE.  
Them : YEA RIGHT BRO, IT'S NOT ARTIFICIAL INTELLIGENCE, GO EAT A DICK~!  
Me : Whatever you fuckin' moron.  
I'd be willing to bet money on it, that DARPA made a project that does that.  
And, that they were interested in my activities because of these (3) audio logs ...

Narrative : (258)

From the very moment that I went to STRATTON AIR NATIONAL GUARD ...  
... to the very moment that SCSO SCOTT SCHELLING ARRIVED ON SCENE ... ?

I like, used basically the SAME DEVICE that I tried to hand him ...  
... in front of the Zappone dealership ...  
... at 1700 US-9 ...  
... after I was nearly killed ...  
... to record nearly 100% of the following exhibits.

Same device.  
There's like (2) exhibits below that I didn't use THAT device, to create these exhibits.

That DEVICE, is called "an Apple iPhone 8 Plus"  
It's WHITE, it's like, a fuckin' 8th generation of an Apple iPhone ... ?  
When it's not REMOTELY DISABLED by the GOVERNMENT, it can do some REALLY COOL SHIT, dude ...

It can:

- 1) record audio recordings,
- 2) take pictures,
- 3) record videos,
- 4) record telemetry locations into each particular HEIC file,
- 5) be subjected to ESPIONAGE by a DOMESTIC ENEMY,
- 6) be subjected to ESPIONAGE by a FOREIGN ENEMY,
- 7) be subjected to ESPIONAGE by a CORPORATION,
- 8) be subjected to ESPIONAGE by a MONOPOLY,
- 9) allow certain people to commit INSIDER TRADING,
- 10) allow SERIAL KILLERS to track a SPECIFIC TARGET for EXECUTION,
- 11) allow people to access their ONLINE BANKING,
- 12) allow people to make these things called "PHONE CALLS",
- 13) allow people to combine all of this shit into a NARRATIVE,
- 14) record video of a couple of guys using PHANTOM/PEGASUS to try and MURDER somebody,
- 15) allow a malicious entity to DISABLE A PARTICULAR DEVICE BECAUSE OF A PARTICULAR VIDEO I RECORDED AT 05/26/20 2343,
- 16) it can even ACCESS THE INTERNET,
- 17) upload various files recorded with the device to the INTERNET,
- 18) allow a remote party to basically provide an UPLINK without paying to activate the service on the device,
- 19) allow people to write these things called NOTES,
- 20) allow guys to take a quick picture of their DICK so they can send it to a GIRL they wanna have sex with,

I gotta tell ya, these fuckin' things, they do A LOT.

They can also be used as a WEAPON.

Unfortunately ... ?

I keep running into incredibly ignorant people that have these things called BADGES, or like, DOCTORATES, or MASTERS DEGREES, or even like, a fuckin' GAVEL... They don't get it.

I do.

They think I'm just blowing off steam, trying to be mad cool, or whatever.

There's really NOTHING COOL about the CIRCUMSTANCES I'VE BEEN IN, SINCE THIS PARTICULAR EVENT.

Nah.

I'm just a lot more intelligent than people FEEL like giving me credit for ... ?

And that's just the end of the conversation.

The narrative goes like this, SCOTT SCHELLING arrived on scene FIRST, though in the RECORDS, it says JOSHUA WELCH arrived FIRST. However- THAT IS TOTAL BULLSHIT. SCOTT SCHELLING was the FIRST GUY ON SCENE, and I literally tried to show him INDEX 171, as well as INDEX 176.

SCOTT SCHELLING SOMEHOW KNEW ABOUT THE AUDIO RECORDINGS, INDEX 152, INDEX 157, and INDEX 159 ...  
 ... cause he like, ASKED ME A QUESTION THAT HE WOULD'VE ONLY KNOWN TO HAVE ASKED ME ...  
 ... if he was DISPATCHED, EN ROUTE, AND ARRIVED AT THE SCENE FIRST ...  
 ... because it was an UNDERCOVER OPERATION that his FELLOW OFFICERS HAD NO KNOWLEDGE OF.

HE LOOK VISUALLY UPSET WHEN I TOLD HIM I HAD UPLOADED THEM AT THE COMPUTER ANSWERS NETWORK.  
 Wanna know why ... ?  
 Uh- it's cause in the particular audio recording that I recorded, I said:  
 "OooOooohHh, I'm gonna break into the network~!"

But I was already on the fucking network.  
 Then I uploaded it to my Google Drive account, and then the VPN somehow changed the file creation date to ...  
 ... PACIFIC STANDARD TIME.

Oh wow.

I talk about this entire interaction in CHAPTER 4, THE WEEK, SECTION, HOME STRETCH.

So, RIGHT BEFORE SOMEONE CALLED SCSO at EXACTLY 05/26/20 01:28:57 leading to SCSO-2020-028501 ... ?  
I spent (90) minutes being CHASED BY TWO GUYS.  
After I uploaded AUDIO RECORDINGS at COMPUTER ANSWERS.

I called (911) on the same fucking Apple iPhone 8 Plus that I've been talkin' about, TWICE ...  
... during that 90 minute encounter with NEARLY CERTAIN DEATH ...  
... and BOTH of those CALLS were SUBJECTED to this THING called a TELEPHONY DENIAL OF SERVICE ATTACK.  
That's what PEGASUS/PHANTOM can actually do, ladies and gentlemen.

If these SERIAL KILLERS are looking to KILL YOU ... ?  
WELL, there's a FALSE SENSE OF SECURITY in the notion that you can take your phone ...  
... and just, call 911.

Because what these FUCKING MORONS FROM THE SARATOGA COUNTY SHERIFFS OFFICE DON'T SEEM TO GET ...  
... is that IF THIS IS HAPPENING, and you go to call 911 ... ?

YOUR FUCKING 911 CALL WON'T MAKE IT TO THEIR FUCKING DISPATCH STATION.  
COOL ... ? Cool.

So like, at which point, MOST PEOPLE WILL BE KILLED.  
ME on the other hand ... ? I sorta KNEW THAT IT WAS GONNA HAPPEN and I was SUSPICIOUS,  
EVER SINCE JANUARY 15th, 2019, when my NETWORK that I used to MANAGE at COMPUTER ANSWERS  
was SUBJECTED to an EXTREMELY SOPHISTICATED CYBERATTACK ... right ... ?

Somehow, the fuckin' morons over at SCSO aren't making the CORRELATION here.  
So I gotta do it for em.

The REASON why I cut this fuckin' dude's PHONE LINE was because I was trying to call 911.  
I had SUSPECTED that the GUYS that had DRIVEN NORTH UP ROUTE 9, AFTER THEY TRIED TO RUN ME OVER  
WITH THEIR FUCKING VEHICLE FOR THE SECOND TIME ... were in ZACHARY KARELS HOUSE, at 1769 Route 9.

THEN, when I cut the phone line, I thought to myself, "Let's cut the fuckin' kayak strap too."  
Wouldn't you know ... ?

The guys at the SARATOGA COUNTY SHERIFFS OFFICE that handled this incident, SCSO-2020-003173,  
they were ASSISTING in COVERING UP THE MURDER ATTEMPT AND THE SEVERAL FELONIES THAT OCCURRED TO ME.

That's pretty COOL, huh ... ?  
Well, not so fast, tough guy.  
Nah.

They had to WAIT until AFTER I SHOWED THE VIDEO I RECORDED, of those (2) guys attempting to kill me,  
OUTSIDE OF THE CATRICALA FUNERAL HOME ... to NEW YORK STATE TROOPER SHAEMUS LEAVEY, who is now retired.

Yeah, here's how this ticket went down ...

- 1) SCSO-2020-028501 happened,
- 2) SCSO SCOTT SCHELLING went and destroyed the surveillance footage of my 2nd 911 call at:  
CENTER FOR SECURITY
- 3) Wrote no notes whatsoever about the interaction nor the questions he asked me at my house
- 4) I wrote a post on FACEBOOK about how the MILITARY was RECORDING that interaction
- 5) FACEBOOK immediately BANNED ME for like, 30 fuckin' days
- 6) I was pretty stressed out about the whole ordeal and started walking around after the SUN CAME UP  
on 05/26/20 ~ 700AM
- 7) TROOPER SHAEMUS LEAVEY drove into the area behind the LAQUINTA INN hotel, and had a conversation  
with me, I tried to tell him about what happened but I wasn't sure how to EXPLAIN IT ...
- 8) He told me to go home, get some rest/sleep, and he'd follow up with me on FRIDAY.
- 9) I went home, couldn't sleep, I then thought to go talk to my buddy ROGER at SUNOCO.
- 10) On the way there, I stopped at NYSEG because I had recorded a VIDEO of NYSEG giving the  
CELL PHONE TOWER OWNERS FREE POWER.
- 11) NYSEG apparently called in an incident and said that whatever happened occurred at GrayBar.
- 12) I was never at GrayBar, but that's what happens when morons don't validate who's calling  
stuff into DISPATCH ...
- 13) I went to SUNOCO and realized that ROGER doesn't work there anymore

14) I saw TURKEY VULTURES flying above Henry Pelo's land, and then walked into the woods  
15) I had recorded multiple videos of TURKEY VULTURES a few days beforehand, and my friend KRIS WACIKOWSKI told me that they feed on CARRION  
16) I looked around in the WOODS to see if there might be any FRESHLY DUG GRAVES since I was ADAMANTLY CERTAIN BY THIS POINT that I was ALMOST KILLED BY SERIAL KILLERS  
17) I didn't find any BODIES or FRESH GRAVES, however I did find the TREE behind a NEW YORK STATE TROOPER'S PROPERTY on a TRAIL, and the CARVINGS on the TREE date back to 1989  
18) I was talking mad shit about JOHN PICKETT into my DEVICE the whole time I was walking in the woods where the TREE was.  
19) When I came OUT of the woods onto BARN OWL DRIVE, there was a WOMAN JOGGING ALONGSIDE ME on the other side of the ROAD, and it looked like the SAME ONE that I saw in IMG\_0627.mov  
20) (2) NYSP Trooper Girls showed up, and then NYSP Trooper Shaemus Leavey showed up  
21) Whoever worked the MORNING SHIFT in SCSO SL4184 on 05/26/20 at the time of this INCIDENT had a conversation with TROOPER LEAVEY  
22) I told the TROOPER GIRLS that I believed that someone was using COVID as a FRONT to kill people, that I was looking for signs that CURTAINS hadn't MOVED, or CARS had POLLEN on them, or various other key signs that a house had NO ACTIVITY  
23) Leavey told me to "Chill out tough guy, go home and get some sleep."  
24) I woke up on 05/27/20 0900, and showed my DAUGHTER and my SON, the BEGINNING OF THE VIDEO I RECORDED, IMG\_0647.mov  
25) My mother said at some point "Michael, a POLICE OFFICER is here, looking for you."  
26) I could not get the fucking video off of my device before this interaction with TROOPER SHAEMUS LEAVEY because of this video: [https://youtu.be/i88AJb\\_5zY4](https://youtu.be/i88AJb_5zY4)  
27) I went outside and talked with SHAEMUS, and wasn't sure what the hell to say. I told him that I thought that some of the people up the street from me had been killed. I think I said "80% of the people up the street have been killed." Then I also said that there's a place in the back of the neighborhood that's collecting equipment from victims houses or whatever.  
28) I also showed him the video that I showed my SON and my DAUGHTER... IMG\_0647.mov  
29) LEE DAVENPORT SR. was in a WHITE VAN behind SHAEMUS LEAVEY, during our talk.  
30) When SHAEMUS LEAVEY left, he made no attempt to drive up the street where I pointed, which was PADDOCK TURN. I stayed outside for a few moments, and then SHAEMUS came driving back the same exact way, and he still did not go up the street, PADDOCK TURN.  
31) At which point, I decided to go and talk to the people at the Feiden Appliance Center, and asked about their SECURITY FOOTAGE.  
32) I grabbed my LAPTOP (which died after I got home from talking to SHAEMUS and the (2) TROOPER GIRLS at STONECREST/WERNER ROAD the day before), and my SMARTPHONE, and I'm fairly certain that at some point, my smartphone was DISABLED REMOTELY.  
33) When I got to the FEIDEN APPLIANCE CENTER at some point BEFORE 1212... ? The guy told me to go to the LATHAM CIRCLE location, because that's where the SECURITY FOOTAGE would be.  
34) JAMES LEONARD took a call from ZACHARY KAREL, where the ticket was called in like, (2) days late.  
35) JAMES LEONARD didn't feel like investigating a god damn thing.  
36) JAMES LEONARD decided to perform the equivalent of jerking off into a kleenex, and call that his job when he took ZACHARY KARELS' complaint... instead of taking action on the cocksuckers that tried to kill me.  
37) I managed to walk all the way to Walmart near LATHAM CIRCLE at about 1:00-1:30PM, and never actually stopped at the FEIDEN APPLIANCE CENTER in LATHAM... because I continued to walk until I got to the FBI Field Office, in ALBANY.

JAMES LEONARD didn't feel like looking at ANY OF THESE PICTURES which sorta make:

|-----|

- ... ALL look pretty fuckin' stupid.

These above exhibits clearly show a lot more information than some dipshit coroner decided to complain about to SCOTT CARPENTER. like fuckin' (3) FULL DAYS LATE.

It's because I went to CENTER FOR SECURITY and asked the dude who works there, to review the footage, on: 05/27/20 after I went to the FEIDEN APPLIANCE CENTER.

Pretty dead look on his face about the way he said it, too.

I left a POST-IT NOTE on the door at CENTER FOR SECURITY, right after I took the first (2) pictures in the links above. Weird, right...?

I also left a POST-IT NOTE on the VAN in the back of the AMBIENCE lot, right after I took the THIRD picture in the links above.  
That's weird too, right...?

It's because retards like JAMES LEONARD have badges, and they're fuckin' lazy, that's why.

Narrative : (207)

I was arguing with my mother about the SPECTRUM bill.

As for the DAY OR TWO PRIOR to June 13th, 2020, when I walked to IMS, and realized I had to go back home... as soon as I got back to the house to grab the laptop, I asked my son for his account and password. He suddenly couldn't remember his password.  
Wanna know why...?

Well, it's because my mother and stepfather were unwittingly teaching my son how to lie, repeatedly. That's why.

Two people that apparently have brain damage... somehow not realizing that my son was learning to do all this, whereby getting his FATHER IN SERIOUS TROUBLE ...

But nobody cares about the (2) men that tried to kill me, nor that the government disabled my iPhone. Awesome stuff. BEFORE all of this shit happened though...?  
I did this REALLY cool thing where I make a lot of people look like the useless cunts to society that they are.

| 05/23/20 1200 | Virtual Tour | <https://youtu.be/HT4p28bRhqc> |

What THAT is called, is a "VIDEO", of me, teaching my children about WHAT I DO, and WHY I DO IT. In that particular video, the useless cunts that called CPS on me will probably be SHOCKED to discover ... that I actually love my children and am attempting to teach them how many lying sacks of shit exist in our society.

Here's the problem.  
If people are TOO STUPID to ASK QUESTIONS, then that AUTOMATICALLY MEANS that the TRUTH doesn't matter. Ever.  
So if someone GRABS A WEAPON, and SHOOTS SOME BITCH IN THE BACK OF THE HEAD LIKE MY FATHER WAS ... and then LIES about it ... then that bitch just dies, and that's the end of the story.

Who that bitch is...? Nobody knows.  
Nobody actually cares, either.  
That's what happens when people LIE.

Since I like to tell the TRUTH, THE WHOLE TRUTH, and NOTHING BUT THE TRUTH... The truth is that I have no such intentions to shoot some bitch in the back of the head like my father was. It's just that some stupid bitch decided to fuck with the wrong person, and I have to state these things IMPLICITLY, that way, the bitch realizes that at any fucking moment, what she did to me may come back to bite her in the ass.

I was actually following the advice that MR. MULLER gave me, to go to the school campus, to get a hot-spot for my children to be able to DO THEIR FUCKING SCHOOLWORK.

Yeah.  
I went back to Shenendehowa IMS to get the hot-spot... on FOOT.  
However, by the time I got back there...?  
The last woman was leaving... And she basically said  
"Look dude, I don't really care what ya need man... I got places to be... Know what I'm sayin'?"

Nah. Cause then that means my kid can't show me his INCOMPLETE SCHOOLWORK cause I've got no INTERNET, cause the INTERNET SERVICE PROVIDER was ALLOWING MY SERVICE TO BE DISRUPTED.  
Sorta covered all that shit in the FIRST INCIDENT with my stepfather.

People just suck dick at this game called "CONNECT THE DOTS"

So, for instance...

Imagine if you would, that Kristin Johnson and I actually started banging it out in her office. Well, a SERVICE DISRUPTION is a lot like me, pulling my dick ALL THE WAY OUT...? And then, just being a REAL PRICK, and make her wait a moment... wait till she says "What the hell, why'd you stop...?"

Well, that's basically the same thing that kept happening to my internet that I was EXPECTED TO PAY FOR. SORRY IF I'M BEING PRETTY VULGAR IN MY LANGUAGE, and my ANALOGIES...  
But frankly, I don't fucking care if I offend this bitch. I really do not give a flying fuck.

I have a video of the hardware being ATTACKED.  
Listed those exhibits already.

Sorry I have to use such a COLORFUL METAPHOR... but, what seems to be happening is that... When I'm NICE and I just follow the RULES that society has...?  
People just ignore me, because they're fuckin' stupid like that.

The man actually grabbed an aluminum baseball bat out of FRUSTRATION, came outside, decided to hit the side of his trailer (whereby leaving a dent), and THEN ... RAN ONTO MY PROPERTY, CHARGING AT ME ...  
... without taking a single moment to reflect on how many crimes this man was committing. AND. ABOUT TO COMMIT.

FIRST charge: FELONY for ATTEMPTING TO ASSAULT ME WITH A BASEBALL BAT  
SECOND charge: MISDEMEANOR for PROVIDING FALSE TESTIMONY ON A WRITTEN INSTRUMENT  
THIRD charge: MISDEMEANOR for TRESPASSING

oOo00oO0hhhHhh  
Well, some fuckface that runs SCSO will leave that 911 call transcription out of my FOIL request.  
THEN, when Mark Sheehan shows up, he will take everybody else's' statement FIRST, before  
talking to the guy that called 911.

Some of that managed to make it's way into a report.  
A lot of stuff didn't make it into that report at all, such as MY STATEMENT was mostly VOIDED OUT.  
In the AGRESTA situation on 05/19/20, AGRESTA actually does this thing called CORROBORATION, and writes stuff that suggests that he asked both parties about their version of the story, and literally writes down that we reported a similar chain of events.

Why...? Well, it's because I realized that I was surrounded by fucking morons, even back then. I volunteered to get a psych evaluation because I couldn't convince any of the morons around me, to take a good hard look at the evidence I was able to get off of my device BEFORE it was disabled by the manufacturer.

One reason in particular, is that someone was committing espionage to me, and literally writing off all of my evidence. They still do this, too.

The truth is, people really are morons.

That's why some woman wrote a letter of indication that led to my children being taken from me.  
She didn't see this video.

| 05/23/20 1200 | Virtual Tour | <https://youtu.be/HT4p28bRhqc> |

Neither has anyone from the school.  
Neither has anyone from my family, probably.  
Neither has anyone from my community, probably.  
If people HAVE seen this video, then they should see PRETTY FUCKIN' CLEARLY, that I was being an EXCELLENT DAD, to my fuckin' kids.

I was even going so far as to WALK TO THE CAMPUS MULTIPLE TIMES, after Mr. Muller, the school resource officer, suggested that I go there, right...? And then, that's exactly what I did.

The problem is, "What if EVERYBODY is a fuckin' moron, and I'm not...?"  
That's actually what was going on.

It'll look nearly identical to me having lost my mind and stuff, and that's why it sounded HARSH when I went to the district office talking about how my RESIDENCE was being SPIED ON...  
Right...?

These people never bothered to watch this video, either.

| 03/18/18 | Andrew Banas, SmartTV's | <https://youtu.be/bPdWt7kcd3M> |

Here's the REAL REASON why reporters such as HIM, were reporting that story...

HACKERS HAD REVERSE ENGINEERED A TOOL MADE BY THE CENTRAL INTELLIGENCE AGENCY TO ALLOW SMART TV'S TO BECOME EAVESDROPPING TOOLS IN ORDER TO STEAL PEOPLE'S INFORMATION, MONEY, IDEAS, INTELLECTUAL PROPERTY, ET CETERA.

Guess what TOOL it was...?  
WEEPING ANGEL from VAULT 7, covered by JULIEN ASSANGE from WIKILEAKS.  
Yeah.

When I say that people are fuckin' morons...?  
It's ALWAYS ACCURATE.  
It's NEVER INACCURATE, when I call someone a fucking moron.  
It is 100% consistently, on point, if I think someone is a FUCKING MORON...?  
It's because I'm more intelligent than most people, and I made a determination that someone is fuckin' stupid.

The problem is that some people have a VAGINA between their legs, and they don't really CARE for how those HARSH WORDS make them FEEL. So, if someone is a fucking complete brain dead moron that doesn't listen to someone that has their fucking facts straight...? It's gonna cause those people to feel DISTURBED by the TRUTH.

Aw.

I am so terribly sorry for causing someone to bawl themselves over such a traumatic event...

It's OK if I was traumatized by my father having been murdered in cold blood, when I was in Mrs. Kinnaws' 5th grade class at Skano. I obviously did something to deserve that.

It's ALSO OK if I was BULLIED and BEATEN and MISLABELED at the fucking school for the entire 13 years I attended SHENENDEHOWA. Traumatized there too, no big deal, no worries...

It's ALSO OK if I was ALMOST killed, on 05/26/20...  
...outside of the place I used to WORK in order to support my CHILDREN and my MOTHER for (3) years...  
...until a VERY SOPHISTICATED CYBERATTACK disrupted my relationship with the company.  
That's, probably illegal for me to be attacked by something THAT sophisticated...

I can take it because I'm a MAN, and that means that I have to put up with SO MUCH MORE ABUSE...  
Meanwhile, if I tell some people at the district office that I've had about enough of the laziness factor at SHENENDEHOWA CENTRAL SCHOOL DISTRICT...

... oh boy.  
That was really traumatic for like (5) people, to see some dude spouting about how he submitted a TICKET for a fuckin' WIRELESS HOT SPOT like a few days beforehand, and for some reason they were still PROCESSING THE TICKET...  
Which means that my CHILDREN weren't able to do their school work...  
Oh nos.

How many stupid fuckin' people work at 5 CHELSEA PLACE...?  
Well, not nearly as many as the number of them who work at 6010 County Farm Road, Ballston Spa, NY 12020.  
Nah.

Narrative : (148)

DEBORAH ORTON is the AUNT of a guy I first serviced at the ALBANY COMPUTER ANSWERS SHOP. JONPAUL STRUYS, who like, told me that he was at the CHARLOTTESVILLE, NC situation.

This guy originally seemed pretty cool, basically ALL of the guys that work at the ALBANY STORE, kept selling this dude some shit that was not gonna work for what he was attempting to do. Period.

It's like this.

If I tell people what the hell someone is trying to do, don't second guess me.

That's how things ALWAYS WERE at COMPUTER ANSWERS.

Does somebody wanna do some COOL SHIT with TAILSOS so that if for any reason whatsoever, he wants to unplug a drive, and destroy any of the files that were in that session...?

Yeah, somebody was trying to do just that, and the guys kept selling him some shit that wouldn't work for what he was attempting to do.

Classic PAVEL ZAICHENKO @ COMPUTER ANSWERS 101,

"Sell the customer some shit that they don't need, in order to make more money." -PAVEL ZAICHENKO

Anyway, I went to DEBORAH ORTON's house one day, because I hadn't spoken to JONPAUL in a while.

He and I had an argument at some point, and I said some shit to him that he probably didn't forget.

This was AFTER he had his ALIENWARE LAPTOP STOLEN from PRICE CHOPPER in ALBANY, and then MIRACULOUSLY ...?

...I managed to help this dude get his fuckin' laptop back.

So, here's the reality...

Who	What
I	Look out for other people
Other people	Forget that shit or even screw me over

So, if I GET SOME GUY HIS LAPTOP BACK, he will basically FORGET ABOUT THAT

Or, if I SAVE SOME DUDE'S LIFE, he will basically tell me WHATEVER DUDE, ANYBODY COULD DO THAT ...

Or, if I GET MYSELF CLEAN FROM DRUGS and RECOVER FROM MY ADDICTION, everyone will say SO WHAT, YOU SUCK ASS BRO

Or, if I HAVE TO KICK IN SOME GIRLS BATHROOM DOOR CAUSE SHE GOT HIGH IN RECOVERY, she'll TREAT ME LIKE I'M PSYCHO

Or, if I LEAVE THE HIGHEST SALES RECORD AT COMPUTER ANSWERS, the owner(s) will PRETEND THAT SHIT NEVER HAPPENED

Or, if I LOAN MY BUDDY 500 BUCKS, he will NEVER PAY ME BACK

That's the "How people have always treated me" breakdown.

It's why I have no problem calling people fuckin morons left and right.

People are fuckin' stupid.

DEBORAH ORTON was no exception, she was nice when I came to talk to her about JONPAUL, he had moved out, she said

"So you're the COMPUTER GUY, RIGHT ...?"

And I said "Yeah."

She asked me to fix her laptop, and then I went home, and basically had the thing fixed, THAT NIGHT, which was JUNE 29th, 2020. I tried to CALL her on the PHONE NUMBER she gave me, but the number was DISCONNECTED.

So, from JUNE 29th, 2020 to JULY 13th, 2020, I went to this ladys house at least (4) or (5) times, and each time that I went back there, her door was wide open and the TELEVISION was on. So either, she was in the BATHROOM or she was AVOIDING HER DOOR for some NEFARIOUS REASON.

But also... this woman literally went to COMPUTER ANSWERS, and DWAYNE GAVE HER MY PERSONAL INFORMATION. THAT'S WHY THE WOMAN WAS AT MY FUCKING HOUSE.

Oh. So DWAYNE is a fuckin' cocksucker that gives out people's personal information, right ...?

Yeah, he is.

He didn't think to contact me and say "HEY, THAT LADY CAME BY, SUCH-AND-SUCH"

But also...? I gave this lady my phone number. She never called it.

Not one time did this lady call that number.

The problem with the device was this simple.  
SHE SPILLED SOMETHING LIQUID ONTO THE KEYBOARD, and it shorted the VIDEO as well as the KEYBOARD and some other component. I did replace the SCREEN, but then when I got a POWER ADAPTER FOR IT, by trading (DWAYNE/EVAN) my stick of DDR4 from my dead ASUS Q504UA LAPTOP, well ... Dwayne took the liberty to tell this lady 1) where I lived, and 2) not my phone number.

That's pretty fuckin' shady, right ... ?

Wrong.

The police at SCSO, don't really care about what's RIGHT or WRONG.

What THEY care about, is WHO is making the complaint.

That's what THEY fucking care about.

So if it's someone being almost killed outside of COMPUTER ANSWERS ... ?

That's ridiculous.

But, if it's SOMEBODY WICKED IMPORTANT ... ?

Oh my fucking god, dude ... they are the most skilled police officers in the world when that's the case.

They'll COVER SHIT UP if need be, they'll IGNORE EVIDENCE OF A CRIME HAVING BEEN COMMITTED, and then tell whoever called 911 ...

... that they're under arrest for throwing themselves in front of a passing car.

I'm not fucking exaggerating here, that is what SCOTT SCHELLING literally tried to do.

If it sounds retarded ... ? Check this shit out.

When this lady was at my house, (2) calls came in.

That's what it means when a DUPLICATE CALL comes in.

The NEIGHBORS, WILLIAM MOAK and JANET MOAK, were giving the dispatcher a PLAY-BY-PLAY SYNOPSIS of what was happening. The woman basically knocked on my door, I came to the door, and then this lady demands her laptop back without even giving me a single opportunity to explain what the fucking problem was. Nor that I had gone to her house.

Nope. Wanna know why ... ?

It's because people are fuckin' stupid, that's why.

At some point, the neighbors came outside and I was outside, and then I had multiple people holding me down saying stuff like "YOU'RE GONNA GO TO JAIL, YOU SCUMBAG PIECE OF SHIT~!"

However, that's because 100% of those people that have this retarded mentality, they don't realize how powerful FACTS are. So then eventually, when the NYSP Trooper Girls and Clayton Brownell showed up ... ?

Well, I explained the situation pretty fuckin' clearly, and then all of the people who committed perjury on 06/13/20, who were ALSO making DUPLICATE 911 calls to the SCSO DISPATCH STATION ...

... who were also pretty fuckin' retarded their entire lives ...

... who think facts are fuckin' stupid since that's what they were raised to think ...

... the facts won out in this case, and they don't always win out.

The facts were as follows:

1) On 06/29/20, I went to talk to JONPAUL STRUYS

2) DEBORAH ORTON told me he no longer lived there

3) I said alright, tell him I said hello,

4) she asked me if i'm the computer guy,

5) I said "Yeah"

6) She asked me to look at her laptop,

7) I asked her for the WIFI password so I could connect to the internet and find the cost of the part

8) She gave it to me and I connected and found what I needed,

9) I gave her my phone number and she gave me hers,

10) I went home and literally had the work completed THAT NIGHT, and tried to call her back,

11) Her number was disconnected,

12) the following day, I went to return the laptop or get a power charger, to make sure that the laptop worked

13) she wasn't home, so I went to computer answers and traded the stick of DDR4 for a blue-tipped HP laptop charger

14) I found out that the laptop had OTHER PROBLEMS, because it SHORTED the screen out that I installed...

15) I was pretty pissed about that

16) I tried to contact this lady multiple times

17) I left my house for a couple of days and walked all around downtown Troy

18) I had her laptop with me the entire way, I stopped at her house to return the device, she wasn't there

19) I uploaded a version of Write-Theme to my Facebook account on July 5th, 2020 from her Wifi network ...

20) Nobody gave a shit about any of those details for like (2) weeks

21) Lady shows up at my house demanding her shit back without like, paying me for wasting my time or my screen,

22) I have a retarded mob of people who just DESPISE ME FOR NO REASON holding me down and telling me I'm goin to jail

23) The police finally arrive and that doesn't happen

24) Clayton Brownell understood that I wasn't going to give the woman her laptop back in PIECES or PARTS

25) He asked me how long would it take to REASSEMBLE

26) He gave me about an hour which was a lot more than I really needed

27) I gave the lady her device back and the incident was closed out

28) I had a pretty SHITTY TASTE IN MY MOUTH BECAUSE OF DWAYNE COONRADT GIVING MY FUCKING INFORMATION AWAY

29) I went to COMPUTER ANSWERS the following day and he called the police on me when I was there

30) it wasn't an SCSO record or they didn't include it in my records request

31) Bill Moak is still bitter about how I didn't go to jail that day ...

32) Both of the 911 calls came from Longitude 42.872322, Latitude -73.768301

32) <https://www.google.com/maps/@42.872322,-73.768301,17z>

33) That's basically where Bill Moak's trailer is, believe it or not.

34) Same dude that called 911 on me with his wife or whatever, happened to be the same guy

who tried to hit me with his baseball bat a month prior, and Mark Sheehan allowed him to do that.

Narrative : (72)

I was having an argument with my stepfather and my mother about how many things were happening to me, right ... ?  
But they thought that I was just being psychotic.  
Again.

It's not ME being psychotic, so much as it's people being oblivious fucking morons.

Here's the COOL thing, is that these RECORDS paint my STEPFATHER as a DRUNK.  
That's not a real cool way to do business when you want the police to help you.

It's one thing if you're just an annoying prick that's always correct and you somehow manage to piss off some police officers who probably leave skid marks in their fuckin underwear every fuckin' day ...

It's a totally different thing if you keep calling them while you're DRUNK.

That's my stepfather, Michael Harry Streeter, drinks every fucking day ... ?

Bitches about everybody else ... ?

Never takes accountability for his mistakes or failings ... ?

Lies to himself in the mirror ... ?

Can't get laid ... ?

Has to teach my children to RESENT me rather than to have a stern talking to his buddy JOHN PEAK, about the piece of shit car he sold me. That's what the argument was about.

My stepfather was totally cool with me being almost killed.

So was my mother.

They think I'm making ALL of that shit up.

I know for a fucking absolute fact, that my children know I'm not.

The problem exists in people that don't actually give a shit.

It didn't happen to them, the numerous problems I have seem to be my fault somehow ... ?

But- that's because retards have taken over the world in large numbers.

They don't respond real well to being told what's FACT versus what's FICTION ... ?

They don't like being CORRECTED ... ?

They don't like being ACCURATE ... ?

They operate on what FEELS correct, which is typically fucking wrong ...

And then they rest on their LAURELS, and that's how it is.

I tried to show the police that showed up in this incident, the NUMEROUS THINGS IN MY FATHER'S COLLECTION OF ITEMS, DOCUMENTS, NOTEBOOKS, REPORTS, RECEIPTS, RECORDS, things that would normally be helpful in an "INVESTIGATION". Gotta put that word in AIR QUOTES, because, man ...

The (1) state trooper that day said "This looks like a FEDERAL CASE you've got on your hands ... "

Yep. It IS a federal case. Would you care to connect me with the nearest federal agent that's open to EXPLICIT COMMUNICATION ... ? Or, are we gonna just ignore the stack of evidence I've got here that implicates certain people. Particularly JOHN HOFFMAN and JESSE PICKETT ... ?

They said "Everybody has stuff like that, dude ... You're just NOT THAT SPECIAL ... "

I said "Alright, so, the event has been deescalated, you boys have a good night being useless fucks."

And then they left.

Not for nothin', but CAMERON MISSENIS was in his SCSO DEPUTY UNIFORM in this particular ticket.

Pretty cool, huh ... ?

He was basically riding shotgun with PAUL ZURLO in THIS INCIDENT, as well as an incident on 07/17/20. CAMERON MISSENIS is the son of ROBERT MISSENIS, who I worked with in 2014 in Troy. So, the fact of the matter is, he's shown up as a NEW YORK STATE TROOPER in this incident report. Wasn't in his NYSP UNIFORM, and SHOWED UP AT THE SAME EXACT TIME AS ANTHONY AGRESTA and PAUL ZURLO. Didn't show up at the same time as the NYSP boys who were ACTUALLY in their UNIFORMS. Nah.

The only reason that sounds like a trivial, useless detail, is because morons are misreporting police records. If they misreport records, what happens is that they just continue to pretend like it never happened. They get their full paychecks. They might even get a raise or a promotion when they do this over and over. They can never actually be wrong, or considered incorrect, because that's just an opinion.

So if you have a PHOTO of a guy that's in his SCSO UNIFORM, but is reported as a NYSP TROOPER ... ? They still won't care ... They'll call you stupid for even indicating that it's an SCSO uniform. Maybe they have a black version of the NYSP uniform, and I'm being an asshole for thinking that the STAR on his uniform was actually a DEPUTY star. Ya know ... ?

That's how stupid some of these police officers actually are.

While I don't remember the exact details of this incident, what I can say is that it was virtually identical to the incident on 07/14/20, where I was arguing with my stepfather, and he's just, being a total dickface as usual.

They're making the case that I'm out of control.  
I'm perfectly well within control, they're just being ignorant and oblivious as usual.

These things don't mix real well when someone who's NOT ignorant NOR oblivious and CARES about having their facts straight, has to abide by what I call 'RETARD LAW'.

'RETARD LAW', is basically a series of unwritten laws that make no fucking sense, unless you're retarded, then they make perfect sense.

Being RICH doesn't EXCLUDE some people from being in this criteria of people.  
Being IMPORTANT doesn't EXCLUDE some people either.  
Being HIGHLY RESPECTED causes SOME people to be FAR MORE LIKELY, to be included in this group ...  
The end result is that people who are 1) oblivious, 2) distracted, and 3) don't care about having their facts straight ... ?

They're probably already following 'RETARD LAW' already, and they didn't even know.  
And, if you TELL somebody that they're following 'RETARD LAW' ... ?  
That's TOO INSULTING, even if it's fucking TRUE.  
Yeah.

Narrative : (42)

My mother started acting rather STRANGE whenever I would start talking about my father's murder.

In fact, I began to suspect that she had my father murdered somehow, for the 50K workers compensation package. The problem is, this is a really controversial thing to think. Does anyone else think this is PLAUSIBLE...?

Well, I don't know.

I really don't think that anyone knows my mother as well as I do.

And I mean that very literally.

Even her own mother.

Even my aunts and uncles.

Even my children.

Nobody knows my mother as well as I do, except maybe my stepfather...

...but even then, he obviously wasn't around when my father and mother used to have arguments where my father would be SO FRUSTRATED BY MY MOTHER...

...that he literally punched holes into the Sheetrock walls.

My mother LOVES to downplay a number of the things I remember from when I was a kid.

She's an asshole like that.

I remember my father talking about meeting up with other women that weren't my mother.

My stepfather's ex-wife, Beatrice, is one of those women that my father hooked up with.

Regardless, my mother and father did NOT have a real happy marriage at all.

My mother worked during the DAY, my father worked at NIGHT.

My mother is hiding some sort of secret in reference to my father, and though this particular incident would remain MOSTLY FORGOTTEN...?

It is literally the same argument that I had with her on 06/28/22 which led to her providing false testimony to a police officer named SARA DERUSSO.

So, here's the reality.

If the police go to make an INVALID ARREST...?

And, you try to run back into your house because they're performing UNLAWFUL SEARCH AND SEIZURE...?

They have a right to kill you, and even lie about it.

They can drag you through the mud...?

They can ignore the evidence you uploaded before that 911 call...?

They can even get help from the public defenders office, because as long as somebody is charged with a crime...? It doesn't matter if there's ANY EVIDENCE of that crime having been committed.

ALL THAT MATTERS, is that SOMEBODY SAID SOMETHING, and that's what LAW ENFORCEMENT is all about.
